

SEASIDE COUNTY SANITATION DISTRICT

440 HARCOURT AVENUE SEASIDE, CA 93955

REGULAR MEETING

Board of Directors

Tuesday, June 9, 2020, 9:30 AM

VIRTUAL ONLY MEETING

Pursuant to Governor Newsom's Executive Orders [N-29-20](#) and [N-33-20](#), and to do all we can to help slow the spread of COVID-19 (coronavirus) District meetings will be adapted in the following ways:

- Meetings of the District will be conducted with virtual (electronic) participation only. Members of the public may watch the live stream of the District meetings at <https://bit.ly/SeasideYouTube>
- Members of the public may participate before and during each meeting by submitting comment(s) to cityclerk@ci.seaside.ca.us. The clerk will read each received public comment aloud into the record at the designated time, subject to time limits that may be imposed pursuant to the Brown Act. In the subject line of a public comment email, please specify the meeting body and date and indicate the relevant item number or "general" to help staff easily receive and organize public comments.

1. **CALL TO ORDER**

2. **ROLL CALL** **BOARD OF DIRECTORS**

Jerry Blackwelder
Pat Lintell
Alissa Kispersky

Chair
First Vice Chair
Second Vice Chair

3. **REVIEW OF AGENDA**

If there are any items that arose after the 72-hour posting deadline, this is the point in the meeting where a vote may be taken to add the item to the agenda. (A 2/3-majority vote is required).

4. **PUBLIC COMMENT**

Members of the public wishing to address the Seaside County Sanitation District on matters within the jurisdiction of the Board, but not on this agenda, may do so during Public Comment period for up to three minutes. Public Comments on specific agenda items are heard under that item. For the public record, please state your name.

5. **CONSENT AGENDA**

A. APPROVAL OF MINUTES FROM THE MAY 12, 2020 REGULAR MEETING.

PURPOSE: To review and approve the minutes from the May 12, 2020 Regular Meeting.

RECOMMENDATION: That the minutes be reviewed and approved.

B. RECEIVE SEASIDE COUNTY SANITATION DISTRICT OPERATIONS REPORT FOR MAY 2020.

PURPOSE: Receive Seaside County Sanitation District Operations report for May 2020.

RECOMMENDATION: Accept reports. This item is presented for information only.

C. APPROVAL OF APRIL 2020 EXPENDITURE REPORT FOR SEASIDE COUNTY SANITATION DISTRICT.

PURPOSE: Approval of expenditures for April 2020 in the amount of \$302,305.47 for the Seaside County Sanitation District and drawdown request of \$210,728.53.

RECOMMENDATION: Approve the expenditures for April 2020 and a drawdown of \$210,728.53. The total expenditure for April 2020 were \$302,305.47.

D. REVIEW AND APPROVE PROPOSED CHANGES TO THE FISCAL YEAR 2019-2020 SEASIDE COUNTY SANITATION DISTRICT ANNUAL OPERATING BUDGET.

PURPOSE: Review and approve the proposed changes to the Fiscal Year 2019-2020 Seaside County Sanitation District Annual Operating Budget.

E. INTRODUCTION OF AN ORDINANCE AMENDING SEASIDE COUNTY SANITATION CODE CHAPTER 4.15 – PERMITS AND INSPECTIONS TO AMEND THE CONNECTION CAPACITY FEES (FIRST READING - ROLL CALL VOTE)

PURPOSE: The purpose of this item is to consider adoption of an Ordinance to amend the Seaside County Sanitation District (SCSD) Code Chapter 4.15 – Permits and Inspections, to adjust the sewer connection capacity fees.

RECOMMENDATION: It is recommended the Board introduce and conduct a public hearing to adjust the sewer connection fees and to amend SCSD Code Chapter 4.15 – Permits and Inspections.

6. NEW BUSINESS

A. CONSIDER, TAKE PUBLIC COMMENT AND ADOPT THE FISCAL YEAR 2020 - 2021 PROPOSED SEASIDE COUNTY SANITATION DISTRICT ANNUAL OPERATING BUDGET.

PURPOSE: The purpose of this item is to give the District Board the opportunity to consider, take public comment and take action on the Proposed Fiscal Year 2020-2021 Operating Budget for the Seaside County Sanitation District (SCSD).

RECOMMENDATION: It is recommended that the District Board consider the attached Proposed Budget, take public input and approve the attached resolution approving the Proposed FY 2020-2021 Budget.

7. STAFF REPORTS

Staff reports include items for which verbal reports/presentations will be provided. If a specific Seaside County Sanitation District presentation is planned, it will be listed and information included with the Agenda. Brief oral reports may be provided for items arising after the Agenda was prepared. The Board may wish to ask questions or discuss a staff report, but no action is appropriate other than referral to staff, or request that a matter be set as a future Agenda item.

8. BOARD MEMBERS COMMENTS

9. ADJOURNMENT

Next Regularly Scheduled Meeting:
July 14, 2020
Seaside City Hall
9:30 AM

In compliance with the Americans with Disabilities Act (ADA), the Seaside County Sanitation District (SCSD) does not discriminate against persons with disabilities. Any person with a disability who requires a modification or accommodation to be able to participate in this meeting is asked to contact the office of the District Clerk at cityclerk@ci.seaside.ca.us 831-899-6707, no fewer than two business days prior to the meeting to allow for reasonable arrangements. This agenda is posted in compliance with Pursuant to Governor Newsom's Executive Orders [N-29-20](#) and [N-33-20](#). Agenda related writings or documents provided to the Board are available for public inspection during the meeting or may be requested from the office of the District Clerk.

DRAFT MINUTES
SEASIDE COUNTY SANITATION DISTRICT
Tuesday, May 12, 2020 9:30 AM
REGULAR MEETING
Seaside Conference Room

1. CALL TO ORDER

The meeting was called to order at 9:32 AM.

2. ROLL CALL

PRESENT: Blackwerlder, Lintell, Kispersky

ABSENT: None

3. REVIEW OF AGENDA

No changes requested.

4. PUBLIC COMMENT

None.

5. CONSENT AGENDA

On motion by Second Vice Chair Alissa Kispersky and seconded by First Vice Chair Pat Lintell and passed by the following vote the Seaside County Sanitation District Board approved the Consent Agenda with the exception of Item B which was pulled by First Vice Chair Lintell.

RESULT:

Approved

AYES:

Jerry Blackwelder, Pat Lintell, Alissa Kispersky

NOES:

None

A. APPROVAL OF MINUTES FROM THE APRIL 14, 2020 REGULAR MEETING.

Action: Approved

B. RECEIVE SEASIDE COUNTY SANITATION DISTRICT OPERATIONS REPORT FOR APRIL 2020.

First Vice Chair Lintell and Second Vice Chair Kispersky had questions that were answered by Acting District Engineer, Scott Ottmar.

On motion by Second Vice Chair Alissa Kispersky and seconded by First Vice Chair Pat Lintell and passed by the following vote the Seaside County Sanitation District Approved the Operations Report for April 2020.

RESULT: **Approved**
AYES: Jerry Blackwelder, Pat Lintell, Alissa Kispersky
NOES: None

C. APPROVAL OF MARCH 2020 EXPENDITURE REPORT FOR SEASIDE COUNTY SANITATION DISTRICT.

Action: Approved

6. NEW BUSINESS

A. APPROVE AN AMENDMENT TO A PROFESSIONAL SERVICES AGREEMENT WITH HARRIS & ASSOCIATES FOR AN AMOUNT NOT TO EXCEED FORTY-NINE THOUSAND NINE HUNDRED EIGHTY DOLLARS (\$49,980) FOR THE FREMONT, BROADWAY, & ORTIZ SEWER MAIN UPGRADES PROJECT

Item was presented by Acting District Engineer, Scott Ottmar. He explained the additional work that was needed and presented Harris & Associates proposal to provide the CEQA analysis and project management on behalf of the District. There were questions by the Board that were answered by Mr. Ottmar. Michael Whilden, District Attorney, spoke on the way the agreement was written and assured the Board that it is legally correct.

On motion by First Vice Chair Pat Lintell and seconded by Second Vice Chair Alissa Kispersky and passed by the following roll-call vote the Seaside County Sanitation District Approved the Amendment to a Professional Services Agreement with Harris & Associates for an amount not to exceed \$49,980 for the Fremont, Broadway, & Ortiz sewer main upgrades project.

RESULT: **Approved**
AYES: Jerry Blackwelder, Pat Lintell, Alissa Kispersky
NOES: None

7. STAFF REPORTS

Acting District Engineer, Scott Ottmar, informed the Board that there is good progress on Canyon Del Rey with no problems and that the Del Monte sewer project has kicked off; the lift station project - still waiting on PG&E approval for the power, but by mid-June, late-June the lift station project would be starting up again. Second Vice Chair Kispersky requested a presentation or quick update on construction scheduled at a City Council meeting so that Seaside residents

can see what is being done and why.

8. BOARD MEMBERS COMMENTS

None.

9. ADJOURNMENT

On motion, the meeting was adjourned at 9:44 AM.

Respectfully Submitted,

Lesley Milton, District Clerk

Jerry Blackwelder, Chair

**SEASIDE COUNTY SANITATION DISTRICT
STAFF REPORT**

Item No.: 5.D.

TO: Seaside County Sanitation District

FROM: Craig Malin, District Manager

BY: Kimberly Drabner, Finance Director

DATE: June 9, 2020

**SUBJECT: REVIEW AND APPROVE PROPOSED CHANGES TO THE FISCAL
YEAR 2019-2020 SEASIDE COUNTY SANITATION DISTRICT
ANNUAL OPERATING BUDGET.**

PURPOSE

Review and approve the proposed changes to the Fiscal Year 2019-2020 Seaside County Sanitation District Annual Operating Budget.

RECOMMENDATION

BACKGROUND

The Seaside County Sanitation District Fiscal Year 2019-2020 Budget was adopted on June 19, 2020 per Resolution 19-08. The adopting resolution allowed for modifications to the budget in response to approved changes in the Capital Improvement Program. Over the course of the fiscal year, changes in the Capital Improvement Program have occurred that impacted staff assignments, project timelines, and associated expenditures. The attached proposed budget changes address the modified expenditures of the District. The net impact of the proposed changes is a decrease in appropriations of \$237,697.00.

FISCAL IMPACT

The proposed changes will result in a net decrease in appropriations for the FY2019-2020 budget of \$237,697.00.

RESOLUTION NO. 19-08

**A RESOLUTION OF THE SEASIDE COUNTY SANTITATION DISTRICT
ADOPTING THE ANNUAL OPERATING BUDGET FOR THE FISCAL YEAR
2019-2020**

WHEREAS, the proposed 2019-2020 fiscal year budget has been prepared for consideration by the Seaside County Sanitation District Board and the Board has received public comment and reviewed the budget; and

WHEREAS, the proposed budget covers revenue and expenditures for the operating fund, the capital outlay fund, the capital improvement fund, and the insurance fund; and

WHEREAS, the proposed 2019-2020 fiscal year budget provides for a balanced budget as prescribed by law; and

WHEREAS, the Seaside County Sanitation District Board has received public comment this date on the proposed 2019-2020 budget.

NOW, THEREFORE BE IT RESOLVED that the Seaside County Sanitation District hereby adopts the proposed operating budget for fiscal year 2019-2020, a copy of which is attached hereto and by reference made a part hereof. The District Manager is authorized to adjust the 2019-2020 Adopted Budget in accordance with modifications made to the Capital Improvement Program by the Board.

PASSED AND ADOPTED at a special meeting of the Seaside County Sanitation District duly held this 19th day of June 2019 by the following vote:

AYES:	3	BOARD MEMBERS:	Blackwelder, Lintell, Wizard
NOES:	0	BOARD MEMBERS:	None
ABSENT:	0	BOARD MEMBERS:	None
ABSTAIN:	0	BOARD MEMBERS:	None

**SEASIDE COUNTY SANITATION DISTRICT
STAFF REPORT**

Item No.: 5.E.

TO: Seaside County Sanitation District

FROM: Craig Malin, District Manager

BY: Scott Ottmar, Senior Engineer
Misty Bradshaw, Associate Engineer

DATE: June 9, 2020

**SUBJECT: INTRODUCTION OF AN ORDINANCE AMENDING SEASIDE
COUNTY SANITATION CODE CHAPTER 4.15 – PERMITS AND
INSPECTIONS TO AMEND THE CONNECTION CAPACITY FEES
(FIRST READING - ROLL CALL VOTE)**

PURPOSE

The purpose of this item is to consider adoption of an Ordinance to amend the Seaside County Sanitation District (SCSD) Code Chapter 4.15 – Permits and Inspections, to adjust the sewer connection capacity fees.

RECOMMENDATION

It is recommended the Board introduce and conduct a public hearing to adjust the sewer connection fees and to amend SCSD Code Chapter 4.15 – Permits and Inspections.

BACKGROUND

The proposed connection fee is a one-time charge by the District on new development, redevelopment, and expansions, to recover the estimated reasonable cost of sewer infrastructure to the property being charged for new service connections within the existing service area. The fee will provide a source of revenue needed to mitigate the sewer related impacts of new development and redevelopment.

Currently the District levies wastewater capacity fees on new or expanded connections to the wastewater system based on the 2013 Connection Fee Study developed by David Taussig & Associates, Inc. The fees outlined in this report should be updated to

reflect the latest costs of infrastructure and assets. The 2013 calculation methodology used the average cost approach.

The District retained Bartle Wells Associates (Bartle Wells) to provide professional services to conduct a Sewer Connection Fee Study as identified in the SCSD's Capital Improvement Program. Bartle Wells conducted the study and prepared the 2020 Wastewater Capacity Fee Study Draft Report, dated May 13, 2020.

The Seaside County Sanitation Code Chapter 4.15 – Permits and Inspections, outlines the current capacity fee for the Equivalent Dwelling Units (EDU) by land use category within the table of Exhibit A. This Ordinance proposes to delete and replace Exhibit A with the new proposed fee schedule summary, attached hereto. In addition, this Ordinance proposes to delete Section 4.15.010 – Application and Fees, Paragraph B, Item 2, second sentence; *"As shown in Exhibit A, the connection fee for an equivalent single-family dwelling unit (EDU Connection Fee) is \$2,101."* from the code as it is antiquated and contradictory to the information listed in the new proposed Exhibit A.

In order to arrive at the revised capacity fees, Bartle Wells proposed a Hybrid Buy-In plus Marginal Future Cost Methodology. This methodology would more comprehensibly recover the development share of existing facilities and CIPs benefiting future users.

The report proposes an increase in the wastewater capacity fee from \$2,382 per EDU to \$5,338 per EDU. It should also be noted that Monterey One Water charges a Capacity Fee of \$3,507 per EDU on top of the SCSD capacity fee to recover costs associated with impacts to the wastewater treatment facilities that service the District area, making a total fee per EDU of \$8,845, increased from the current combined fee \$5,889. As part of their efforts in preparing the report, Bartle Wells conducted a survey of the surrounding wastewater agencies to compare. The average current fee of seven of the surrounding Agencies was \$5,320 per EDU. Three out of seven of the surveyed agencies also include a Monterey One Water Capacity Fee of \$3,507 on top of their local capacity fees.

NEXT STEPS:

The District will hold a second reading for the new Wastewater Capacity Fee at a following regularly scheduled District Board Meeting. If adopted, the report will be finalized and the fees will become effective not less than 30 days after adoption.

CEQA Requirements:

Per Title 14 of the California Code of Regulations, Section 15060 "Preliminary Review" an activity is not subject to CEQA if: "... (3) The activity is not a project as defined in Section 15378."

Evidence:

CEQA Guidelines Section 15378, states:

(b) Project does not include:

(4) The creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.

This adjustment to the sewer connection fee is not a commitment to a project, but rather solely a mechanism to provide a source of revenue needed to mitigate the sewer related impacts of new development and redevelopment.

FISCAL IMPACT

There is no fiscal impact to the SCSD in adopting an amendment to the SCSD Code for the sewer connection capacity fees. The proposed ordinance provides the mechanism to allow SCSD to collect actual costs to the system imparted by new connections.

ORDINANCE NO. XX

AN ORDINANCE AMENDING SEASIDE COUNTY SANITATION DISTRICT CODE CHAPTER 4.15 – PERMITS AND INSPECTIONS TO AMEND THE SEWER CONNECTION CAPACITY FEES

THE BOARD OF DIRECTORS OF THE SEASIDE COUNTY SANITATION DISTRICT DO ORDAIN AS FOLLOWS:

SECTION 1. GENERAL PURPOSE AND FINDINGS.

The purpose of this Ordinance is to consider the following text amendments to the Seaside County Sanitation Code:

SECTION 2. ENVIRONMENTAL COMPLIANCE

The proposed changes to the Ordinance will not result in direct or indirect changes to the environment and do not meet the definition of project under CEQA. (14 CCR 15378(b))

SECTION 3. DELETE AND REPLACE

This ordinance incorporates the attached Exhibit A to replace in entirety the existing Seaside County Sanitation Code, Section 4.15.010 – Application and Fees, Exhibit A: Connection Fee per Land Use Category.

SECTION 4. DELETE

This ordinance deletes Section 4.15.010 – Application and Fees, Paragraph B, Item 2, second sentence; "As shown in Exhibit A, the connect fee for an equivalent single-family dwelling unit (EDU Connection Fee) is \$2,101."

SECTION 5. EFFECTIVE DATE

This Ordinance shall become effective thirty (30) days after its final passage and adoption at a duly noticed public hearing for the second reading of the proposed text revisions.

INTRODUCED AND PASSED TO PRINT at a regular meeting of the Board of Directors of the Seaside County Sanitation District, State of California, on the 12th day of May, 2020.

PASSED AND ADOPTED at a regular meeting of the Board of the Seaside County Sanitation District, on the 9th day of June, 2020, by the following vote:

Chapter 4.15**PERMITS AND INSPECTIONS****Sections:**

4.15.010 Applications and fees.

4.15.020 Inspections, revocations, transfers.

4.15.010 Applications and fees.

A. Applications to the district for permits to construct lateral sewers, house sewers or otherwise connect to any portion of the district's sewer system shall be made in writing on the form provided by the district. The application shall contain (1) location of the property to be sewered, (2) name of owner, (3) name of plumber, contracting firm or individual to construct sewer, (4) portion of public street, alley or sidewalk to be disturbed by the work, (5) date on which proposed work will be started.

B. Sewer Connection Fee. There is hereby established and levied upon all persons, firms, entities, or corporations making connection to the Seaside County Sanitation District (SCSD) a sewer connection fee as follows:

1. Specified Users. Upon adoption of the ordinance codified in this section, the connection fee shall be as shown in Exhibit A, "Connection Fee per Land Use Category." ~~As shown in Exhibit A, the connect fee for an equivalent single-family dwelling unit (EDU connection fee) is \$2,101.~~ The EDU connection fee shall be adjusted on an annual basis as described in subsection (B)(4) of this section.

2. Other Uses. For all other uses not listed in subsection (B)(1) of this section, the district engineer shall determine the sewer connection fee as follows:

Connection Fee = (gallons per day) / 189 x (EDU connection fee).

3. Other Determination. Whenever in the opinion of the district engineer the estimated sewer flow used in determining sewer connection fees is unreasonable, he may either use an appropriate sewer flow rate to calculate the connection fee, or assess an additional fee taking into account actual wastewater flows for the 12-month period that was demonstrably higher than given on the application for the building in question.

4. Annual Increase in Connection Fee. The sewer connection fee as determined clean-out for a single-family dwelling unit (EDU) shall increase on the first day of each fiscal year, that is, on July 1st of each year, by the amount equal to the San Francisco Construction Cost Index as published by Engineering News-Record for the prior year ending June 30th, and the sewer connection fees for other than single-family dwelling units shall increase at the same time in the same proportion as the increase in sewer connection fees for an EDU.

5. Demolished Premises. Whenever enclosed building space is demolished, any construction of enclosed building space which takes place on the same parcel within five years of that demolition shall be exempt from sewer connection fees to the extent that either the usage has not changed or the units removed from the parcel as a result of said demolition work had higher flows to the sewer collection system than the new units.

Whenever enclosed building space is demolished, any construction of enclosed building space which takes place on the same parcel within five years of that demolition shall be required to pay a sewer connection fee as calculated as the difference in flow between the units that were demolished or removed and the units installed.

6. Existing Premises. Buildings or occupied mobile home pads which are connected to the Seaside County Sanitation District sewer system at the time the ordinance codified in this section goes into effect shall be exempt from these sewer connection fees. Any proposed building for which a building permit application had been accepted by the entity having building permit issuance authority prior to the date that the ordinance codified in this section takes effect shall pay the connection fee in effect at that time.

7. Payment of Fees. All connection fees must be paid prior to issuance of the building permit. The connection fee shall be collected for the Seaside County Sanitation District by the Monterey Regional Water Pollution Control Agency.

Attn: Scott Ottmar, Acting District Engineer

Re: 2020 Wastewater Capacity Fee Study

Bartle Wells Associates (BWA) is pleased to submit to the Seaside County Sanitation District the attached Wastewater Capacity Fee Study. The results of the study are a product of extensive review of public information and input from Staff.

This study presents BWA's analysis of the costs of the District's wastewater infrastructure, assets and projects benefiting new development. The enclosed report recommends updating capacity fees to recover the benefit associated with new wastewater development within the District given the latest changes in wastewater assets, expected growth, and capital improvement plans. BWA finds that the proposed fees follow generally accepted fee design criteria and adhere to the substantive requirements of California government code.

We have enjoyed working with the District on this study. Please contact us with any future questions about this study and the recommended capacity fees.

Sincerely,

BARTLE WELLS ASSOCIATES

1 Introduction, Objectives, and Government Code

1.1 Introduction and Objectives

Bartle Wells Associates (BWA) has been retained by Seaside County Sanitation District to evaluate the District's capacity fees. Key objectives of the study include (1) evaluating the District's current value of wastewater assets, (2) assessing the marginal benefit of wastewater assets and short-term capital improvement projects on new development, and (3) developing a capacity fee that equitably recovers the cost of infrastructure and assets benefitting new development. BWA's recommended capacity fees align with industry standards and regional trends and were developed with extensive input from Staff.

The District levies wastewater capacity fees on new or expanded connections to the wastewater system based on a 2013 Connection Fee Study developed by David Taussig & Associates Inc. Fees are levied according to an assessment of sewer impact in terms of Equivalent Dwelling Units (EDUs). The current fees were designed to recover the cost of capacity in infrastructure and assets benefitting new development but should be updated to reflect the latest costs. This report refers to the District's wastewater connection fees as "capacity fees", in line with terminology used in California Government Code.

Capacity fees are one-time fees, paid up-front as a condition of new development or expansion. Capacity charges are separate from the District's rates for wastewater service. New connections begin paying the District's wastewater rates after they have paid their capacity fee and become ongoing customers.

1.2 Government Code

Development impact fees are governed by California Government Code Section 66000 et. seq. This section of the Code was initially established by Assembly Bill 1600 (AB 1600) and is commonly referred to as the Mitigation Fee Act. Pursuant to the Code, a development impact fee is not a tax or special assessment but is instead a voluntary fee levied to defray the cost of public facilities needed to serve a new development.

Section 66013 of the Code specifically governs water and wastewater capacity fees. This section of the Code defines a “capacity charge” to mean “a charge for public facilities in existence at the time a charge is imposed or charges for new public facilities to be acquired or constructed in the future that are of proportional benefit to the person or property being charged.” The Code distinguishes “capacity charges” from “connection fees” which are defined as fees for the physical facilities necessary to make a water or wastewater connection, such as costs related to installation of meters and pipelines from a new building to a water or wastewater main.

According to the Section 66013, a water or wastewater capacity fee “shall not exceed the estimated reasonable cost of providing the service for which the fee or charge is imposed” unless approved by a two-thirds vote. As such, the capacity fees calculated in this report represent the maximum fees that the District can levy. Section 66013 does not detail any specific methodology for calculating capacity fees.

Section 66016 of the Code identifies the procedural requirements for adopting or increasing water and wastewater capacity fees and Section 66022 summarizes the general process by which the fees can be legally challenged. The full text of Sections 66013, 66016 and 66022 are attached in Appendix B.

2 Capacity Fee Methodology

2.1 Current Wastewater Capacity Fees

The District's current capacity fees were last evaluated by David Taussig & Associates Inc in a December 2013 report which calculated fees using a combined marginal buy-in + growth cost approach. Fees have been increased according to the average annual percentage change in the Engineering News Record Construction Cost Index (ENR CCI) for San Francisco. Current fees are shown in Table 1.

Table 1
Current Capacity Fees

<i>Fees established July 1, 2020</i>	
Sewer Capacity Fee - \$/EDU	\$2,382
<u>Does not include regional wastewater fees</u>	

In addition to the District's fee, new development is required to pay a sewer capacity fee to Monterey One Water of \$3,507 per EDU. This charge helps to cover costs related to providing and maintaining excess capacity currently available within the Regional System.

2.1.1 Current EDUs

The District's current capacity fees are charged based on an Equivalent Dwelling Unit (EDU) Evaluation of each customer per the Exhibit A land use table (Appendix A, Table 1). Each residential connection including single family, multiple dwelling, condominium, trailer spaces and mobile homes is equal to one EDU. Non-residential wastewater customers are assigned an EDU based on the average volume of sewer flow in gallons per day by land use category.

A summary of current EDUs are listed in Table 2.

Table 2
Current EDUs

Category	# EDUs
Residential	9,019
Commercial	1366
Schools	53
Other [1]	414
Total	10,852

[1] Special Users, EDUs evaluated on individual determination
Detail provided in Appendix Table 1

2.2 Capacity Fee Calculation Overview

While the current fee calculation methodology is a widely used and generally appropriate way to recover the future share of the District's utility system assets and development costs, BWA proposes that the District adopt a more comprehensive cost recovery approach as summarized below.

Current Methodology: Marginal Future Buy-In + Growth

$$\frac{\text{Future Share Existing Assets}}{\text{Future Units}} + \frac{\text{Future User Share of CIP}}{\text{Future Units}}$$

Proposed Methodology: Hybrid Buy-In + Marginal Future Cost

$$\frac{\text{Existing Asset Value}}{\text{Total Units}} + \frac{\text{Future User Share of CIP}}{\text{Future Units}}$$

2.2.1 Current Methodology: Marginal Future Buy-In + Growth

BWA can confirm that the *average cost approach* from the District's prior report is an appropriate way to calculate capacity fees given the District's existing system, future projects and buildout projections. Under this approach, new connections pay their marginal share of existing assets and capital improvement plan. This is a widely used and accepted approach for calculating capacity fees but may not recover an adequate share of the system's existing assets, or buy-in portion.

2.2.2 Proposed Methodology: Hybrid Buy-In + Marginal Future Cost Methodology

Under the proposed approach, new connections buy in to the District's current system based on an average share of the total system, calculated using total estimated asset value divided by total units (current + future EDUs). New connections also pay for the future cost of expansion, calculated using the future share of Capital Improvement Plan costs divided by future EDUs to buildout as defined by the 2011 Master Plan. This fee would comprehensively recover the development share of existing facilities and CIP benefiting future users.

3 Wastewater Capacity Fee Calculation

3.1 System Buy-In Component – Existing Assets

Under the methodology described in Section 2, updated wastewater capacity fees are designed to recover the cost of existing wastewater system facilities and assets (in current dollars) as well as the cost of system upgrades and expansion needed to serve the District through system buildout. Since detailed asset value information was not available, BWA estimated the value of all wastewater system assets using 2011 Master Plan asset listings, estimated replacement costs, and estimated depreciation as summarized on Table 3 and provided in detail in Appendix Table 2. This is the buy-in portion of the capacity fee calculation.

Table 3
Estimated Asset Value

Category	2020 Asset Value [1]
Pipelines (386,350 total ft)	\$9,262,114
Lift Stations (4)	\$630,000
Rod Holes (560)	\$900,000
Man Holes (740)	\$2,000,000
Total Buy-In Cost - Existing Asset Value	\$12,792,114

[1] Replacement Cost: 2011 Master Plan Table 9-4
Less Depreciation: BWA, SCSD Staff Estimate

3.2 System Expansion Component – Capital Improvement Plan

The District's 2011 Master Plan outlines the capital improvements needed through 2030 system buildout. These projects include upgrades, expansions, regular maintenance, and new facilities. The Master Plan divides project costs into two benefit groups: current customers and future customers. The present value of capital improvements benefiting future customers is included in the capacity fee calculation. The District's Capital Improvement Plan is summarized in Table 4 and provided in detail in Appendix Table 2. This is the expansion portion of the capacity fee.

Table 4
Capital Improvement Plan

Total Capital Improvement Plan 2020-2030	\$26,407,000
% Existing User Benefit	84%
% Future User Benefit	16%
Total Expansion Cost - Future Share of CIP	\$4,259,140

[1] CIP Source: 2011 Master Plan projections adjusted by SCSD Staff

3.3 Buildout Growth Projection

Seaside County Sanitation District anticipates a small amount of growth through the buildout period according to 2011 Master Plan estimates and Staff projections of future development. As shown on Table 5, the District can anticipate 1,000 new EDUs through 2030 buildout, representing a growth rate of about 1% per year.

Table 5
Buildout Growth Projection

2020 EDUs	10,852
Future Growth EDUs [1]	1,000
2030 Total Buildout EDUs	11,852
Annual Growth Rate	0.89%

[1] 2011 Master Plan, SPCSD Staff Estimate

3.4 Wastewater Capacity Fee Calculation

Table 6 shows the detailed calculation of the District's updated capacity fees using the methodology described in Section 2.2.2 and cost components described in Section 3.

Table 6
Proposed Fee Calculation

1 Total Buy-In Cost - Existing Asset Value	\$12,792,114
2 Total EDUs to Buildout	11,852
3 Buy-In Portion of Capacity Fee \$/EDU (1/2)	\$1,079
4 Total Expansion Cost - Future Share of CIP	\$4,259,140
5 Future EDUs to Buildout	1,000
6 Marginal Future Cost Portion of Capacity Fee \$/EDU (4/5)	\$4,259
7 Proposed Capacity Fee - Buy In + Marginal Future \$/EDU (3+6)	\$5,338

The fee is designed to recover costs for:

- **System Buy-In Portion - Existing Facilities & Assets:** To be reasonable and conservative, capacity fee recovery accounts for the depreciated value of the District's wastewater facilities escalated to current dollars using Master Plan replacement cost estimates
- **Marginal Future Cost Component - Capital Projects:** The fee recovers capital improvement project costs according to the District's 10-year Capital Improvement Plan

3.5 Proposed Wastewater Capacity Fee Summary

Table 7 provides a summary of findings per the methodology and District information detailed in this report. BWA has calculated fees on a \$/EDU basis using the proposed methodology described in Section 2.2.2 and calculated in Table 6.

Table 7
Proposed Fee Summary

	Current 2019/20	Proposed 2020/21
Sewer Capacity Fee - \$/EDU	\$2,382	\$5,338
Does not include regional wastewater fees		

2020-21 proposed capacity fees listed by land use category are provided in Appendix Table 3.

3.6 Capacity Fee Survey of Surrounding Agencies

BWA conducted a capacity fee survey of surrounding wastewater agencies to compare with the District's proposed fees. The results are shown below.

Figure 1
2019/20 Wastewater Capacity Fee Survey

4 Conclusion and Recommendations

4.1 Conclusion

BWA finds that the proposed fees follow generally accepted fee design criteria and adhere to the substantive requirements of government code. The above proposed capacity fees, including a revised capacity fee calculation methodology and an increase in the wastewater capacity fee per Equivalent Dwelling Unit, represent the most up to date and equitable distribution of cost for new development for the wastewater enterprise. The revised fee structure will align the District's capacity fee structure with regional standards and equitably recover new development's share of costs for the wastewater enterprise. BWA recommends that the District adopt the proposed FY 2020/21 fees enclosed in this report by following the procedure to increase capacity fees as follows:

1. Create a nexus study to determine equitable capacity fees (Done by BWA)
2. Set notice the date of a public hearing as required in Government Code
3. Send notice of hearing to developers if specifically requested in writing
4. Hold public hearing and adopt new capacity fees via Resolution
5. Fees may become effective not less than 30 days after adoption

4.2 Future Fee Adjustments

In future years, BWA recommends that the District update its capacity fees annually by adjusting the fees by the change in the Engineering News-Record Construction Cost Index (San Francisco) to account for future construction cost inflation. Additionally, the District should review and consider updating its capacity fees when substantial revisions are made to anticipated capital improvement costs or to substantial changes in projected demand. In general, BWA recommends that capacity fees be independently reviewed and/or updated approximately once every five years.

Appendix B – Government Code Pertaining to Capacity Fees

California Government Code
Key Sections Pertaining to Water & Wastewater Capacity Fees
Sections 66013, 66016, & 66022

66013

(a) Notwithstanding any other provision of law, when a local agency imposes fees for water connections or sewer connections, or imposes capacity charges, those fees or charges shall not exceed the estimated reasonable cost of providing the service for which the fee or charge is imposed, unless a question regarding the amount of the fee or charge imposed in excess of the estimated reasonable cost of providing the services or materials is submitted to, and approved by, a popular vote of two-thirds of those electors voting on the issue.

(b) As used in this section:

(1) "Sewer connection" means the connection of a structure or project to a public sewer system.

(2) "Water connection" means the connection of a structure or project to a public water system, as defined in subdivision (f) of Section 116275 of the Health and Safety Code.

(3) "Capacity charge" means a charge for public facilities in existence at the time a charge is imposed or charges for new public facilities to be acquired or constructed in the future that are of proportional benefit to the person or property being charged, including supply or capacity contracts for rights or entitlements, real property interests, and entitlements and other rights of the local agency involving capital expense relating to its use of existing or new public facilities. A "capacity charge" does not include a commodity charge.

(4) "Local agency" means a local agency as defined in Section 66000.

(5) "Fee" means a fee for the physical facilities necessary to make a water connection or sewer connection, including, but not limited to, meters, meter boxes, and pipelines from the structure or project to a water distribution line or sewer main, and that does not exceed the estimated reasonable cost of labor and materials for installation of those facilities.

(6) "Public facilities" means public facilities as defined in Section 66000.

(c) A local agency receiving payment of a charge as specified in paragraph (3) of subdivision (b) shall deposit it in a separate capital facilities fund with other charges received, and account for the charges in a manner to avoid any commingling with other moneys of the local agency, except for investments, and shall expend those charges solely for the purposes for which the

charges were collected. Any interest income earned from the investment of moneys in the capital facilities fund shall be deposited in that fund.

(d) For a fund established pursuant to subdivision (c), a local agency shall make available to the public, within 180 days after the last day of each fiscal year, the following information for that fiscal year:

(1) A description of the charges deposited in the fund.

(2) The beginning and ending balance of the fund and the interest earned from investment of moneys in the fund.

(3) The amount of charges collected in that fiscal year.

(4) An identification of all of the following:

(A) Each public improvement on which charges were expended and the amount of the expenditure for each improvement, including the percentage of the total cost of the public improvement that was funded with those charges if more than one source of funding was used.

(B) Each public improvement on which charges were expended that was completed during that fiscal year.

(C) Each public improvement that is anticipated to be undertaken in the following fiscal year.

(5) A description of each interfund transfer or loan made from the capital facilities fund. The information provided, in the case of an interfund transfer, shall identify the public improvements on which the transferred moneys are, or will be, expended. The information, in the case of an interfund loan, shall include the date on which the loan will be repaid, and the rate of interest that the fund will receive on the loan.

(e) The information required pursuant to subdivision (d) may be included in the local agency's annual financial report.

(f) The provisions of subdivisions (c) and (d) shall not apply to any of the following:

(1) Moneys received to construct public facilities pursuant to a contract between a local agency and a person or entity, including, but not limited to, a reimbursement agreement pursuant to Section 66003.

(2) Charges that are used to pay existing debt service or which are subject to a contract with a trustee for bondholders that requires a different accounting of the charges, or charges that are used to reimburse the local agency or to reimburse a person or entity who advanced funds under a reimbursement agreement or contract for facilities in existence at the time the charges are collected.

(3) Charges collected on or before December 31, 1998.

(g) Any judicial action or proceeding to attack, review, set aside, void, or annul the ordinance, resolution, or motion imposing a fee or capacity charge subject to this section shall be brought pursuant to Section 66022.

(h) Fees and charges subject to this section are not subject to the provisions of Chapter 5 (commencing with Section 66000), but are subject to the provisions of Sections 66016, 66022, and 66023.

(i) The provisions of subdivisions (c) and (d) shall only apply to capacity charges levied pursuant to this section.

(Amended by Stats. 2007, Ch. 94, Sec. 1. Effective January 1, 2008.)

66016

(a) Prior to levying a new fee or service charge, or prior to approving an increase in an existing fee or service charge, a local agency shall hold at least one open and public meeting, at which oral or written presentations can be made, as part of a regularly scheduled meeting. Notice of the time and place of the meeting, including a general explanation of the matter to be considered, and a statement that the data required by this section is available, shall be mailed at least 14 days prior to the meeting to any interested party who files a written request with the local agency for mailed notice of the meeting on new or increased fees or service charges. Any written request for mailed notices shall be valid for one year from the date on which it is filed unless a renewal request is filed. Renewal requests for mailed notices shall be filed on or before April 1 of each year. The legislative body may establish a reasonable annual charge for sending notices based on the estimated cost of providing the service. At least 10 days prior to the meeting, the local agency shall make available to the public data indicating the amount of cost, or estimated cost, required to provide the service for which the fee or service charge is levied, and the revenue sources anticipated to provide the service, including General Fund revenues. Unless there has been voter approval, as prescribed by Section 66013 or 66014, no local agency shall levy a new fee or service charge or increase an existing fee or service charge to an amount which exceeds the estimated amount required to provide the service for which

the fee or service charge is levied. If, however, the fees or service charges create revenues in excess of actual cost, those revenues shall be used to reduce the fee or service charge creating the excess.

(b) Any action by a local agency to levy a new fee or service charge or to approve an increase in an existing fee or service charge shall be taken only by ordinance or resolution. The legislative body of a local agency shall not delegate the authority to adopt a new fee or service charge, or to increase a fee or service charge.

(c) Any costs incurred by a local agency in conducting the meeting or meetings required pursuant to subdivision (a) may be recovered from fees charged for the services which were the subject of the meeting.

(d) This section shall apply only to fees and charges as described in Sections 51287, 56383, 65104, 65456, 65584.1, 65863.7, 65909.5, 66013, 66014, and 66451.2 of this code, Sections 17951, 19132.3, and 19852 of the Health and Safety Code, Section 41901 of the Public Resources Code, and Section 21671.5 of the Public Utilities Code.

(e) Any judicial action or proceeding to attack, review, set aside, void, or annul the ordinance, resolution, or motion levying a fee or service charge subject to this section shall be brought pursuant to Section 66022.

(Amended by Stats. 2006, Ch. 643, Sec. 19. Effective January 1, 2007.)

66022

(a) Any judicial action or proceeding to attack, review, set aside, void, or annul an ordinance, resolution, or motion adopting a new fee or service charge, or modifying or amending an existing fee or service charge, adopted by a local agency, as defined in Section 66000, shall be commenced within 120 days of the effective date of the ordinance, resolution, or motion.

If an ordinance, resolution, or motion provides for an automatic adjustment in a fee or service charge, and the automatic adjustment results in an increase in the amount of a fee or service charge, any action or proceeding to attack, review, set aside, void, or annul the increase shall be commenced within 120 days of the effective date of the increase.

(b) Any action by a local agency or interested person under this section shall be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure.

(c) This section shall apply only to fees, capacity charges, and service charges described in and subject to Sections 66013, 66014, and 66016.

(Amended by Stats. 2006, Ch. 643, Sec. 20. Effective January 1, 2007.)

**SEASIDE COUNTY SANITATION DISTRICT
STAFF REPORT**

Item No.: 6.A.

TO: Seaside County Sanitation District

FROM: Craig Malin, District Manager

BY: Kimberly Drabner, Finance Director

DATE: June 9, 2020

SUBJECT: CONSIDER, TAKE PUBLIC COMMENT AND ADOPT THE FISCAL YEAR 2020 - 2021 PROPOSED SEASIDE COUNTY SANITATION DISTRICT ANNUAL OPERATING BUDGET.

PURPOSE

The purpose of this item is to give the District Board the opportunity to consider, take public comment and take action on the Proposed Fiscal Year 2020-2021 Operating Budget for the Seaside County Sanitation District (SCSD).

RECOMMENDATION

It is recommended that the District Board consider the attached Proposed Budget, take public input and approve the attached resolution approving the Proposed FY 2020-2021 Budget.

BACKGROUND

The budget year begins on July 1, 2020. At this time, the SCSD 2020-2021 Proposed Operating Budget is ready for the Board to consider. The 2020-2021 Proposed Operating Budget can be adopted as presented, or modified and adopted.

The Proposed Operating Budget of the Seaside County Sanitation District for fiscal year 2020-2021 includes estimated operating revenues of \$2,538,829. The proposed operating expenditures are \$1,232,216 plus \$1,306,613 of transfers to the District's Capital Improvement, Capital Outlay and Insurance Funds. The Proposed Operating Budget is balanced with no net surplus or deficit on operations. Also included in the

Proposed Operating Budget is a one-time transfer out to the Capital Improvement Fund of Unrestricted Net Position in the amount of \$1,234,919 to support the Proposed Capital Improvement Plan.

Operating transfers out totaling \$2,541,532, inclusive of one-time transfers, are being transferred to fund the Capital Improvement Fund in the amount of \$2,351,412, the Capital Outlay Fund in the amount of \$122,179, and the Insurance Fund in the amount of \$67,941.

The 2020-2021 Capital Improvement Program is based on the SCSD Master Plan. The balance of project funding provided in FY 2019-2020 that has been awarded and encumbered as of June 30, 2020 will be carried forward into the FY 2020-2021 budget. This is part of the year-end process and is not reflected in the FY 2020-2021 budget as presented.

FISCAL IMPACT

Fiscal Year 2020-2021 Budget for operations of the Seaside County Sanitation District presents a balanced budget through the use of projected revenues and available unrestricted funds.

RESOLUTION NO. 20-XX

A RESOLUTION OF THE SEASIDE COUNTY SANITATION DISTRICT ADOPTING THE ANNUAL OPERATING BUDGET FOR THE FISCAL YEAR 2020-2021

WHEREAS, the proposed 2020-2021 fiscal year budget has been prepared for consideration by the Seaside County Sanitation District Board and the Board has received public comment and reviewed the budget; and

WHEREAS, the proposed budget covers revenue and expenditures for the operating fund, the capital outlay fund, the capital improvement fund, and the insurance fund; and

WHEREAS, the proposed 2020-2021 fiscal year budget provides for a balanced budget as prescribed by law; and

WHEREAS, the Seaside County Sanitation District Board has received public comment this date on the proposed 2020-2021 budget.

NOW, THEREFORE BE IT RESOLVED that the Seaside County Sanitation District hereby adopts the proposed operating budget for fiscal year 2020-2021, a copy of which is attached hereto and by reference made a part hereof. The District Manager is authorized to adjust the 2020-2021 Adopted Budget in accordance with modifications made to the Capital Improvement Program by the Board.

PASSED AND ADOPTED at a regular meeting of the Board of Directors of the Seaside County Sanitation District duly held this 9th day of June 2020 by the following vote:

AYES:	BOARD MEMBERS:
NOES:	BOARD MEMBERS:
ABSENT:	BOARD MEMBERS:
