STAFF REPORT**

Item No.: 6.A.

TO: Successor Agency to the Redevelopment Agency of the City of Seaside

FROM: Craig Malin, City Manager

BY: Brian Dempsey, Fire Chief

DATE: August 20, 2020

**SUBJECT: RECEIVE PRESENTATION BY MONTEREY COUNTY OFFICE OF
EMERGENCY SERVICES REQUESTING PUBLIC INPUT FOR THE
MONTEREY COUNTY MULTI-JURISDICTIONAL HAZARD
MITIGATION PLAN.**

PURPOSE & RECOMMENDATION

Receive report, provide input.

BACKGROUND

Hazard mitigation is the effort to reduce loss of life and property by lessening the impact of disasters. It is most effective when implemented under a comprehensive, long-term mitigation plan. State, tribal, and local governments engage in hazard mitigation planning to identify risks and vulnerabilities associated with natural disasters, and develop long-term strategies for protecting people and property from future hazard events. Mitigation plans are key to breaking the cycle of disaster damage, reconstruction, and repeated damage.

The general purpose of this Monterey County Multi-Jurisdictional Hazard Mitigation Plan (MJHMP) is:

- To protect life and property by reducing the potential for future damages and economic losses that result from known hazards;

- To qualify for additional grant funding, in both the pre-disaster and post-disaster environment;
- To speed recovery and redevelopment following future disaster events;
- To sustain and enhance existing governmental coordination throughout Monterey County and demonstrate a firm local commitment to hazard mitigation principles; and
- To comply with federal and state requirements for local hazard mitigation plans.

Structural related measures include activities such as strengthening or protecting buildings and infrastructure from the destructive forces of potential hazards, or in some cases, such as flood control, physically altering the natural course of the potential hazard itself to attempt to minimize the potential impact.

Non-structural related measures include activities such as the adoption of sound land use or floodplain management policies and the implementation of public awareness programs.
