Welcome to the City of Seaside!

The expertise and guidance that Boards, Commissions & Committees provide the City Council as the final decision-making body is very important and relied upon heavily by the Council when issues are discussed. These Commissions were created for the purpose of overseeing distinct issues and subjects affecting a city. Although commissions are unique to themselves, there are procedures, protocols and policies that are common to all of them. This handbook has been developed to assist members in becoming familiar with standard procedures and protocol. Use this guide as a road map for your term in office.

For more information about your responsibilities as a Commissioner, please contact the City staff person supporting your board, or contact our City Clerk at cityclerk@ci.seaside.ca.us.

ROLES & RESPONSIBILITIES

The credibility of a commission is very important. Public employees, elected officials and volunteers for public organizations have a responsibility to uphold the public trust. This responsibility demands the highest standards of conduct and education to our individual work assignments.

Preserving The Public Trust

We have an obligation to remain objective and to render impartial services. The acceptance of any gift, gratuity, favor or special treatment from any business or individual or member of the City could reflect poorly on the integrity of the City and should be avoided at all times.

In order to maintain a high level of credibility throughout the community and to strengthen public trust, the following suggestions are offered:

- Understand that you are in a visible position and represent the City and its citizens.
- Information received in the performance of commission duties should not be used as a means for making private profit or advancing the financial interests of others.
- Official actions should be disassociated from personal affiliations.
- No special favors or privileges can be given to individuals or accepted by a commissioner whether for remuneration or not.
- Do not accept gifts or benefits which could be construed as having influence over the performance of your official duties.
- Do not attempt in any way to gain special treatment, favors or gifts from anyone inside or outside of the city because of your position.

CODE OF ETHICS

ADOPTED JULY 5, 1979

Ethical behavior is the cornerstone for all aspects of city government. The Seaside City Council reinforces the City's commitment to ethical government by adopting the letter and spirit of this Code of Ethics. The Code's aim is to affirm an identity of excellence and integrity for our City's government through our citizens, our employees and our dealings with other communities and build public trust.

The Code applies to all who represent our City's government. It includes all elected and appointed officials, citizens campaigning for elective office, City employees and others who participate in City government. As representatives of the City, all are required to subscribe to and understand how the Code applies to them. All must agree to practice the values expressed in the Code in day to day service to the City.

"The ethical person should do more than he is required to do and less than he is allowed to do."

**- Michael Josephson;
Founder of the
Josephson Institute of
Ethics**

ANY PERSON IN GOVERNMENT SERVICE SHOULD:

- **LOYALTY:** Put loyalty to the highest moral principles and to country above loyalty to persons, party, or Government department.
- **RULE OF LAW:** Uphold the Constitution, laws, and legal regulations of the United States and all governments therein and never be party to their evasion.
- **EFFORT:** Give a full day's labor for a full day's pay; giving to the performance of his/her duties his/her earnest effort and best thought.
- **EFFICIENCY:** Seek to find and employ more efficient and economical ways of getting tasks accomplished.
- **INCLUSION:** Never discriminate unfairly by dispensing special favors or privileges to anyone, whether for remuneration or not; and never accept, for himself or his family, favors or benefits under circumstances which might be construed by reasonable persons as influencing the performance of his governmental duties.
- **PROMISES:** Make no private promises of any kind binding upon the duties of office, since a Government employee has no private work which can be binding upon public duty.
- **CONSISTENCY:** Engage in no business with the Government, either directly or indirectly, which is inconsistent with the ideals and ethics which the public perceives as a faith and trust in public officials.
- **CONFIDENTIAL:** Never use any information confidentially in the performance of governmental duties as a means for making private profit.
- **INTEGRITY:** Expose corruption wherever discovered.
- **PUBLIC TRUST:** Uphold these principles, ever conscious that public office is a public trust.

Ethics Training

Assembly Bill No. 1234 requires that all members of a legislative body must undergo public service ethics training every 2 years. The requirement applies to the governing body of local agency as well as boards, commissions, and committees, or other local agency bodies, whether permanent or temporary, decision-making or advisory. Therefore, you are required to complete this training.

The Institute for Local Government and the Fair Political Practices Commission (<http://www.fppc.ca.gov>) developed an online ethics course (<http://www.fppc.ca.gov/learn/public-officials-and-employees-rules-/ethics-training.html>) to help local officials meet their ethics training requirements. Upon completion of the ethics training, members are required to print their certificate, sign it, and return the original hard copy document to the Clerk's Office.

Conflict of Interest

The State of California, by statute, follows the common law rule prohibiting a representative of a municipality to vote in its legislative body on any issue that affects them individually, or for any public officer to participate in a matter in which there is a personal or private interest. The Seaside Municipal Code also provides against conflict of interest.

To best serve the community, the City Council appoints persons with knowledge of the issues that face the City to serve on boards, commissions, and committees. Consequently, it is inevitable that matters will occasionally come before boards, commissions, or committees in which individual members have a direct or indirect financial interest. When this happens, the member must disqualify him/herself from participating in the discussion and abstain from voting. The law also requires appointed members and certain other City officials to report various financial interests including income, interest in real property, and business interests.

The City of Seaside has adopted a local conflict of interest code as required by the Political Reform Act. This Act requires the financial disclosure of interests by certain individuals who are in decision-making positions within state and local government

As an appointed member, You are required to complete and file the appropriate conflict of interest forms within 10 days of your first meeting and annually thereafter. Forms and assistance will be provided by the City Clerk's Office, including an annual notification regarding Form 700 thirty days in advance of the due date. Financial disclosure forms are filed with the City Clerk, as a matter of public record. The Fair Political Practices Commission (<http://www.fppc.ca.gov>) is available for questions concerning conflicts of interest and disqualifications.

Conflict of Interest (continued)

Potential conflicts of interest should not be taken lightly. The City Council has placed a special trust in you that should not be abused. It is also important to note that it is a violation of the City Code to vote on a matter knowing that you have a conflict, and that this can result in forfeiture of your position.

If a Commissioner has any doubt as to the propriety or the legality of any proposed action on their part, they are urged to seek the advice of the City Attorney.

When a matter comes before a Commission in which a Commissioner has a direct or indirect financial interest, the Commissioner must disqualify him/herself from participating in the deliberation and must abstain from voting. An explanation for the abstention should be given to the Commission and that reason will be recorded in the minutes. Once the Commissioner has made a statement of disqualification, the Commissioner should leave the room and return only upon conclusion of the matter. The City Attorney may be consulted should it be unclear as to whether or not to abstain.

Public Records Act

The California Public Records Act (the PRA) was enacted in 1968 to: (1) safeguard the accountability of government to the public; (2) promote maximum disclosure of the conduct of governmental operations; and (3) explicitly acknowledge the principle that secrecy is antithetical to a democratic system of “government of the people, by the people and for the people.”

What does this mean for you as a Commissioner? It means that the public’s business is always supposed to be public. Any records that are created as part of your participation on a Commission, is accountable to the Public Records Act. Emails, voice mails or hard copy records included. If any member of the public requests to see any record, they have the right to request and we have the obligation to provide it, unless it is exempt from disclosure. Here’s a guide to the public records act if you want to know more, or you can contact the City Clerk:

Process For Filling Vacancies

Application Process

Qualified candidates come from many sources. Individuals who are interested in any commission purpose should submit applications for appointment to the City Clerk. Applications are accepted at any time and are valid for two years. Active recruitment efforts are always occurring, as well.

Recruitment

In the event of a vacancy, the City Clerk advertises to the community for interested and qualified participants through a variety of methods which can include, but is not limited to the following: newsletters, emails, the agenda, newspaper publication, publication at public posting locations, the City website and social media.

Applicant Screening

If a vacancy occurs, all current applications are reviewed to ensure all qualifications are met then forwarded to the Council Subcommittee, which consists of the Mayor and the Mayor Pro Tem. The Council Subcommittee will then schedule a time to make contact with applicants to discuss their background, community history, aspirations or interest in serving. Every reasonable effort will be made to interview all applicants. After contacting each applicant, the Council Subcommittee will make recommendations to the City Council for appointment to fill a vacancy. Appointments and reappointments are made by the full City Council at a publicly noticed City Council meeting (SMC 2.14.040). The Council Member representative will rotate after every appointment recommendation.

Appointment Limitations

By policy, Commissioners are not permitted to sit on more than one City Board, Commission, or Committee. This does not preclude a member from participating in an "outside" agency such as the Water Management District or Regional Park District. (SMC 2.14.130)

Holding Incompatible Offices

Under existing California law, no Commissioner may hold another public office where the two offices are incompatible. When two such offices are incompatible, the member of the board or commission shall be deemed to have forfeited the first office upon acceding to the second. (California Gov. Code Section 1099).

Getting Started:

You've Been Appointed! Now What?

Responsibilities

One of the first duties of a new commissioner is to become familiar with the laws governing the faithful performance of duties. This information may be obtained by referring to City Municipal Code sections governing Boards & Commissions (Seaside Municipal Code Chapter 2.14). Copies of City's Code are available online <http://www.codepublishing.com/CA/Seaside> or can be obtained from the office of the City Clerk. In addition, Members may consult with their Commission's Staff Liaison.

Be Prepared

The role of the Commissioner is to represent the public and the public's best interest. Commissioners are responsible for reviewing meeting materials in advance, attending meetings regularly and on time, notifying the Staff Liaison and their Chairperson in advance if they cannot attend a meeting, and volunteering for committees (if the Commission has any). Commissioners are expected to have knowledge about City goals and the goals and priorities of the City Council. In order to be an effective Commissioner, you are expected to read this handbook to understand how to comply with all State and local laws and rules regarding meetings.

Staff Liaison & Committee Administration

Each Board or Commission is appointed a staff liaison, who works to facilitate the agenda, work-plan and resources needed for your board or committee. Your staff liaison is a vital resource as they are aware of the City Council priorities as well as the City resources and rules. Commissioners and staff are expected to work courteously and professionally with each other at all times. Any questions, issues or concerns about the commission, the work plan or other city business can be directed to your staff liaison or the Chair of your Board or Commission. Commissioners are encouraged to use their staff liaison as a resource and contact them directly if they require additional material or clarification of data. Commissioners are not allowed to direct staff for individual projects. Working through the Chair or staff liaison, any ideas or projects can be agendaized for action by the entire commission.

Getting Started:

You've Been Appointed! Now What? (continued)

Adherence to Policy

Appointed Commissioners should not approve projects that violate adopted City Council policies. Members can make recommendations to the City Council about exceptions to a City policy, and can also recommend policy changes when appropriate.

Resignations

A member of an advisory commission who intends to resign shall first file written notice thereof with the City Clerk, addressed to the City Council, with a copy provided to the chairperson of the advisory commission. (SMC 2.14.100). When a resignation occurs, staff will immediately initiate the appreciation process to thank the volunteer for their service to the City of Seaside. This is in addition to invitation to the annual appreciation event.

Removal from Office

The City of Seaside appreciates all commission volunteers and acknowledges the effort it takes to participate on a board, commission or committee. However, there may be circumstances that necessitate removing a commissioner from their position. A member of a commission may be removed from office by a vote of the majority of all members of the City Council. (SMC 2.14.090) Attendance is critical for effective operations of commissions, as quorums are required to conduct business. Failure to adhere to the attendance policy can result in removal from a position. In the event an individual is unable to perform as a commissioner due to health, business or personal reasons, a formal letter of resignation should be submitted to the City Council for action.

Getting Started:

You've Been Appointed! Now What? (continued)

Business Cards

Commissioners may request business cards from the Office of the City Clerk. This is on a request only basis. Business cards must contain only information concerning the Commission, not personal business information. Business cards will include the name of the Commissioner, the name of the Commission, the regular meeting dates and times and the City's website information. Commissioners are allowed one set of business cards (250) produced by the city within a twelve month period. If more cards are requested, they are to be produced by the City, at the expense of the Commissioner.

Annual Work Plan

Each Commission is required to provide an update to the City Council about its past and future activities through an Annual Work Plan. The Annual Work Plan includes a list of prior year accomplishments. Work Plans are updated each Fiscal Year in accordance with a template and instructions provided by the City Clerk. The Work Plans are to be completed by each Commission and provided to the City Council at a Regular meeting no later than April 15th of each year (SMC 2.14).

Commissioner Appreciation

You have chosen to take on a big role as a volunteer Commissioner, and you deserve a large "Thanks You" for your service. The City would like to thank each of you for your service. During the Fiscal Year 2017-18 (date is to be determined) the City intends to hold a Commissioner Appreciation event to say thank you for volunteering your time, effort. Keep an eye out for the date but in the mean time, please know you are appreciated.

Meetings

Meeting Types

There are three types of meetings: regular meetings, special meetings, and emergency meetings. All meetings must be open session meetings, with limited exceptions for specified items that may be discussed in a closed session. A commission may want to use a meeting as a retreat or a planning session, but such a meeting would still have to be noticed and open to the public. These meetings are subject to Brown Act requirements, and the public may attend all meetings other than Closed Sessions. All meetings require a quorum to proceed with the meeting.

The Seaside Municipal Code requires that commissions meet at least once a month. If a regular meeting falls on a holiday, the meeting is canceled.

A quorum is a majority (half+1) of the entire Commission membership seats, not just those members present or those seats that are filled. When a quorum is not present for a scheduled meeting, the Commission cannot hold the meeting. If there is a chance that additional members needed to comprise a quorum will arrive within a reasonable time, the Chairperson or Deputy Clerk may orally announce that they will wait for a specified time (e.g., 15 minutes) to make a determination on whether the meeting will proceed or need to be declared cancelled due to lack of a quorum.

Brown Act - What is it and how does it affect the agenda?

The law which guarantees the public's right to attend and participate in Commission meetings is the Ralph M. Brown Act. The purpose of the Brown Act is to facilitate public participation in local government decisions and to curb misuse of the democratic process by secret legislation by public bodies. Commissions exist to aid in the conduct of the people's business, and the meetings must be open to the public. The agenda must be posted in an area that is accessible to the public at least 72 hours before the meeting and on the County's webpage for meeting agendas. The agenda must include all items which will be discussed or acted upon by the Commission. The Commission cannot discuss, deliberate, or take action on any item not included on the agenda. Every agenda must allow any member of the public to directly address the Commission on any agenda item before or during consideration of that item.

Every regular meeting agenda must also include time for any member of the public to address the Commission on any item not on the agenda which is within the subject matter jurisdiction of the Commission. The agendas will include a statement that such items cannot be acted upon or discussed in depth until they are included on a subsequent agenda for consideration and possible action.

Process for Developing the Meeting Agenda

The Chairperson works with the Staff Liaison to coordinate the meeting agenda; however, the method by which the agenda is developed varies according to the procedures of the individual Commissions. The Liaison advises the Chairperson of items to be carried forward from prior meetings, as necessary. Any Commissioner can request that an item be placed on a future agenda during a public meeting, or directly to the Chair.

Meetings

Meeting Process

The meetings are called to order by the Chairperson, or Vice Chairperson in the absence of the Chairperson. If neither is in attendance, the Commission selects a Chairperson Pro Tempore to conduct the meeting. The Clerk calls the roll to determine the presence of a quorum, and the Chairperson announces the agenda items for discussion or action. The Chairperson may call for an agenda item out of the order listed on the agenda. Several things may happen with regard to each item on the agenda:

- **The item can be deleted from the agenda.**
- **The Commission may discuss the matter without taking any action.**
- **The Commission can hold the matter to a future meeting.**
- **The Commission can refer the matter to staff or a committee for consideration and a subsequent report to the Commission.**
- **The Commission can vote in support of a motion or in opposition to the motion on the matter.**

Public Comment

Pursuant to the Brown Act, members of the public have a right to comment on any agenda item. The Chairperson establishes the amount of time public speakers are authorized to speak on each item, typically limiting comments to three minutes.

Meetings

Election of Officers

The commission chair and vice chair are elected by the commission members and serve a one-year term. The election process is conducted at the beginning of the new calendar year and during the first commission meeting of that year.

Role of the Chair

At the first meeting of every calendar year, the members of a commission are to elect a chairperson and vice chairperson from their members. The chair shall hold office for one year until a successor is appointed.

The principal role of the Chair is to manage the board, commission, or committee meeting. This includes helping to set meeting agendas, maintaining the order of business during the meeting, focusing discussion on the issues at hand, and ensuring that the public appearing before the body are treated courteously.

The Chairperson should take a back seat during discussions while all members of the governing body should know and understand the rules of procedure; it is the Chair who is charged with applying the rules of conduct. The Chair should be well versed in those rules, because the chair for all intents and purposes makes the final ruling on the rules. In fact, all decisions by the chair are final unless overruled by the governing body itself. Because the Chair conducts the meeting, it is common courtesy for the chair to take a less active role than other members of the body in debates and discussions. The chair should strive to be the last to speak at the discussion and debate state, and should not make or second a motion unless he or she is convinced that no other member of the body will do so.

Meetings

Attendance & Responsiveness

Regular attendance at meetings is critical to the effective operation of City boards, commissions, and committees as a quorum is required to be able to conduct business. Therefore, all Commissioners are expected to attend all of their appointed board, commission, or committee meetings, including study sessions. A majority of Commissioners currently appointed to a commission, half plus one, shall constitute a quorum for the purpose of transacting business. If a quorum of commission members are not present, staff must adjourn the meeting.

If a Commissioner misses more than twenty-five percent of all regular or special meetings in any four consecutive calendar quarters, unless excused in advance by the Chair or the Staff Liaison, the member shall be automatically terminated as a commissioner.

Commissioners will be deemed absent from a meeting if they are not present for two-thirds (2/3) of the entire meeting.

Many items that come before commissions and committees have time requirements to be completed; otherwise it causes a liability for the city and frustration for residents and businesses that are trying to complete projects. If you are unable to attend a meeting, please communicate with your Chair or staff liaison prior to the meeting. If you know in advance that you will be unavailable for a meeting in the future, please communicate that too. This will protect the City, your commission and provide better, more responsive services to our community. If a Commissioner misses more than twenty-five percent of all regular or special meetings in any four consecutive calendar quarters, unless excused in advance by the Chair or the Staff Liaison, the member shall be automatically terminated as a commissioner. Commissioners will be deemed absent from a meeting if they are not present for two-thirds (2/3) of the entire meeting. If a problem with absenteeism arises, it should be handled between the appointed member and the Staff Liaison or the City Clerk.

BASIC CITY ORGANIZATION

IT IS IMPORTANT FOR COMMISSIONERS
TO BE FAMILIAR WITH THE CITY
ORGANIZATION, DEPARTMENTS AND
THEIR OPERATIONS

Basic City Organization

City Council

The five-member City Council is the legislative and policy-making body that is elected on a nonpartisan basis to represent the residents of Seaside. The Mayor is elected every two years in a general election held in November of even-numbered years. Serving with the Mayor, are four members of the City Council who have overlapping terms; every two years, two members of the City Council are also elected by the voters through a general election. Each member of the City Council, including the Mayor, is not subject to term limits.

Policy decisions are made at City Council meetings, which are held on the first and third Thursdays of each month at 7:00 p.m. in the City Council Chambers at City Hall, with special meetings as needed. At these public meetings, the City Council makes policy determinations; approves agreements and contracts; adopts ordinances (local laws) and regulations; and authorizes the expenditure of City funds.

The City Council meetings are held on the first and third Thursday of each month, with special meetings as needed.

City Budget

The City budget document is an important document because the preparation of the budget by the City staff, and its review and adoption by the City Council, determines how resources available to the City are to be utilized by the City in the forthcoming fiscal year.

The City has two fundamental functions, the provision of local governance, with decision making to address the issues before the City, and the provision of services to our residents and businesses. Both of these functions, in order to be effective, must have adequate resources devoted to them; conversely, often City officials desire to do more in certain areas, but are limited by what the City can afford.

If you, as a Board or Commission member, have questions about the City's goals/objectives, or about the City's budget, please ask your staff liaison for further explanation.

The City Budgets are all available on our City website:
