CITY OF SEASIDE STAFF REPORT

Item No.: 5.A.

TO: City Council

FROM: Jaime M. Fontes, City Manager

BY: Sheri Damon, City Attorney

DATE: December 1, 2022

**SUBJECT: APPROVE ACQUISITION OF 1271 CANYON DEL REY, SEASIDE
IN THE AMOUNT OF \$1,590,000.00 AND INCIDENTAL CLOSING
COSTS AND AUTHORIZE THE CITY MANAGER TO TAKE ALL
STEPS NECESSARY TO COMPLETE THE TRANSACTION**

RECOMMENDATION

Approve the acquisition of 1271 Canyon Del Rey for \$1,590,000.00 and authorize the City Manager to take all actions to complete the sale and direct the Finance Director to make corresponding budget amendments.

BACKGROUND

This property was previously Successor Agency property that was required to be sold pursuant to a Long Range Property Management Plan (LRPMP) that was approved by the State of California's Department of Finance when the state abolished redevelopment agencies. The property was sold in 2017, without water, for \$250,000.00. A non-potable well was developed on the property and the property resold in 2020 for approximately \$1,000,000.00. The person who bought the property has since passed away and the property is currently held in a trust. The property site is adjacent to Laguna Grande Park and to the Chili's and is partially located within the coastal zone. It is currently zoned for commercial development. The Laguna Grande bicycle and pedestrian trail crosses over this property. The property is a little over one acre in size.

The property includes a non-potable well which is likely to produce approximately 600 gallons per minute (gpm) or approximately forty acre feet of water per year. Non-potable water can be used for multiple purposes, from watering parks, non-potable water development (such as car washes or plant nursery operations) or for conversion by injection or treatment into the Seaside Basin for potable water credits.

It is anticipated that a standard form Real Estate contract, in the draft form attached, would be utilized. The action requested today is to authorize the acquisition and empower the City Manager to execute an acquisition contract, in such form as approved by the City Attorney, and direct the finance director to make such budgetary amendments necessary to implement the purchase.

FISCAL IMPACT

The acquisition will reduce the General Fund unassigned fund balance by \$1,590,000.00.

This transaction is a one-time capital purchase and will not be considered when calculating the City's operating budget surplus/deficit.

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIP

(As required by the Civil Code)
(C.A.R. Form AD, Revised 12/21)

☐ (If checked) This form is being provided in connection with a transaction for a leasehold interest exceeding one year as per Civil Code section 2079.13(j), (k), and (l).

When you enter into a discussion with a real estate agent regarding a real estate transaction, you should from the outset understand what type of agency relationship or representation you wish to have with the agent in the transaction.

SELLER'S AGENT

A Seller's agent under a listing agreement with the Seller acts as the agent for the Seller only. A Seller's agent or a subagent of that agent has the following affirmative obligations:

To the Seller: A Fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Seller.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

BUYER'S AGENT

A Buyer's agent can, with a Buyer's consent, agree to act as agent for the Buyer only. In these situations, the agent is not the Seller's agent, even if by agreement the agent may receive compensation for services rendered, either in full or in part from the Seller. An agent acting only for a Buyer has the following affirmative obligations:

To the Buyer: A fiduciary duty of utmost care, integrity, honesty and loyalty in dealings with the Buyer.

To the Buyer and the Seller:

- (a) Diligent exercise of reasonable skill and care in performance of the agent's duties.
- (b) A duty of honest and fair dealing and good faith.
- (c) A duty to disclose all facts known to the agent materially affecting the value or desirability of the property that are not known to, or within the diligent attention and observation of, the parties. An agent is not obligated to reveal to either party any confidential information obtained from the other party that does not involve the affirmative duties set forth above.

AGENT REPRESENTING BOTH SELLER AND BUYER

A real estate agent, either acting directly or through one or more salespersons and broker associates, can legally be the agent of both the Seller and the Buyer in a transaction, but only with the knowledge and consent of both the Seller and the Buyer.

In a dual agency situation, the agent has the following affirmative obligations to both the Seller and the Buyer:

- (a) A fiduciary duty of utmost care, integrity, honesty and loyalty in the dealings with either the Seller or the Buyer.
- (b) Other duties to the Seller and the Buyer as stated above in their respective sections.

In representing both Seller and Buyer, a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the Buyer's or Seller's financial position, motivations, bargaining position, or other personal information that may impact price, including the Seller's willingness to accept a price less than the listing price or the Buyer's willingness to pay a price greater than the price offered.

SELLER AND BUYER RESPONSIBILITIES

Either the purchase agreement or a separate document will contain a confirmation of which agent is representing you and whether that agent is representing you exclusively in the transaction or acting as a dual agent. Please pay attention to that confirmation to make sure it accurately reflects your understanding of your agent's role.

The above duties of the agent in a real estate transaction do not relieve a Seller or Buyer from the responsibility to protect his or her own interests. You should carefully read all agreements to assure that they adequately express your understanding of the transaction. A real estate agent is a person qualified to advise about real estate. If legal or tax advice is desired, consult a competent professional.

If you are a Buyer, you have the duty to exercise reasonable care to protect yourself, including as to those facts about the property which are known to you or within your diligent attention and observation.

Both Sellers and Buyers should strongly consider obtaining tax advice from a competent professional because the federal and state tax consequences of a transaction can be complex and subject to change.

Throughout your real property transaction you may receive more than one disclosure form, depending upon the number of agents assisting in the transaction. The law requires each agent with whom you have more than a casual relationship to present you with this disclosure form. You should read its contents each time it is presented to you, considering the relationship between you and the real estate agent in your specific transaction. **This disclosure form includes the provisions of Sections 2079.13 to 2079.24, inclusive, of the Civil Code set forth on page 2. Read it carefully. I/WE ACKNOWLEDGE RECEIPT OF A COPY OF THIS DISCLOSURE AND THE PORTIONS OF THE CIVIL CODE PRINTED ON THE SECOND PAGE.**

CIVIL CODE SECTIONS 2079.13 – 2079.24 (2079.16 APPEARS ON THE FRONT)

2079.13. As used in Sections 2079.7 and 2079.14 to 2079.24, inclusive, the following terms have the following meanings:

(a) "Agent" means a person acting under provisions of Title 9 (commencing with Section 2295) in a real property transaction, and includes a person who is licensed as a real estate broker under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4 of the Business and Professions Code, and under whose license a listing is executed or an offer to purchase is obtained. The agent in the real property transaction bears responsibility for that agent's salespersons or broker associates who perform as agents of the agent. When a salesperson or broker associate owes a duty to any principal, or to any buyer or seller who is not a principal, in a real property transaction, that duty is equivalent to the duty owed to that party by the broker for whom the salesperson or broker associate functions. (b) "Buyer" means a transferee in a real property transaction, and includes a person who executes an offer to purchase real property from a seller through an agent, or who seeks the services of an agent in more than a casual, transitory, or preliminary manner, with the object of entering into a real property transaction. "Buyer" includes vendee or lessee of real property. (c) "Commercial real property" means all real property in the state, except (1) single-family residential real property, (2) dwelling units made subject to Chapter 2 (commencing with Section 1940) of Title 5, (3) a mobilehome, as defined in Section 798.3, (4) vacant land, or (5) a recreational vehicle, as defined in Section 799.29. (d) "Dual agent" means an agent acting, either directly or through a salesperson or broker associate, as agent for both the seller and the buyer in a real property transaction. (e) "Listing agreement" means a written contract between a seller of real property and an agent, by which the agent has been authorized to sell the real property or to find or obtain a buyer, including rendering other services for which a real estate license is required to the seller pursuant to the terms of the agreement. (f) "Seller's agent" means a person who has obtained a listing of real property to act as an agent for compensation. (g) "Listing price" is the amount expressed in dollars specified in the listing for which the seller is willing to sell the real property through the seller's agent. (h) "Offering price" is the amount expressed in dollars specified in an offer to purchase for which the buyer is willing to buy the real property. (i) "Offer to purchase" means a written contract executed by a buyer acting through a buyer's agent that becomes the contract for the sale of the real property upon acceptance by the seller. (j) "Real property" means any estate specified by subdivision (1) or (2) of Section 761 in property, and includes (1) single-family residential property, (2) multiunit residential property with more than four dwelling units, (3) commercial real property, (4) vacant land, (5) a ground lease coupled with improvements, or (6) a manufactured home as defined in Section 18007 of the Health and Safety Code, or a mobilehome as defined in Section 18008 of the Health and Safety Code, when offered for sale or sold through an agent pursuant to the authority contained in Section 10131.6 of the Business and Professions Code. (k) "Real property transaction" means a transaction for the sale of real property in which an agent is retained by a buyer, seller, or both a buyer and seller to act in that transaction, and includes a listing or an offer to purchase. (l) "Sell," "sale," or "sold" refers to a transaction for the transfer of real property from the seller to the buyer and includes exchanges of real property between the seller and buyer, transactions for the creation of a real property sales contract within the meaning of Section 2985, and transactions for the creation of a leasehold exceeding one year's duration. (m) "Seller" means the transferor in a real property transaction and includes an owner who lists real property with an agent, whether or not a transfer results, or who receives an offer to purchase real property of which he or she is the owner from an agent on behalf of another. "Seller" includes both a vendor and a lessor of real property. (n) "Buyer's agent" means an agent who represents a buyer in a real property transaction.

2079.14. A seller's agent and buyer's agent shall provide the seller and buyer in a real property transaction with a copy of the disclosure form specified in Section 2079.16, and shall obtain a signed acknowledgment of receipt from that seller and buyer, except as provided in Section 2079.15, as follows: (a) The seller's agent, if any, shall provide the disclosure form to the seller prior to entering into the listing agreement. (b) The buyer's agent shall provide the disclosure form to the buyer as soon as practicable prior to execution of the buyer's offer to purchase. If the offer to purchase is not prepared by the buyer's agent, the buyer's agent shall present the disclosure form to the buyer not later than the next business day after receiving the offer to purchase from the buyer.

2079.15. In any circumstance in which the seller or buyer refuses to sign an acknowledgment of receipt pursuant to Section 2079.14, the agent shall set forth, sign, and date a written declaration of the facts of the refusal.

2079.16 Reproduced on Page 1 of this AD form.

2079.17(a) As soon as practicable, the buyer's agent shall disclose to the buyer and seller whether the agent is acting in the real property transaction as the buyer's agent, or as a dual agent representing both the buyer and the seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller, the buyer, and the buyer's agent prior to or coincident with execution of that contract by the buyer and the seller, respectively. (b) As soon as practicable, the seller's agent shall disclose to the seller whether the seller's agent is acting in the real property transaction as the seller's agent, or as a dual agent representing both the buyer and seller. This relationship shall be confirmed in the contract to purchase and sell real property or in a separate writing executed or acknowledged by the seller and the seller's agent prior to or coincident with the execution of that contract by the seller.

CONFIRMATION: (c) The confirmation required by subdivisions (a) and (b) shall be in the following form:

(d) The disclosures and confirmation required by this section shall be in addition to the disclosure required by Section 2079.14. An agent's duty to provide disclosure and confirmation of representation in this section may be performed by a real estate salesperson or broker associate affiliated with that broker.

2079.18 (Repealed pursuant to AB-1289)

2079.19 The payment of compensation or the obligation to pay compensation to an agent by the seller or buyer is not necessarily determinative of a particular agency relationship between an agent and the seller or buyer. A listing agent and a selling agent may agree to share any compensation or commission paid, or any right to any compensation or commission for which an obligation arises as the result of a real estate transaction, and the terms of any such agreement shall not necessarily be determinative of a particular relationship.

2079.20 Nothing in this article prevents an agent from selecting, as a condition of the agent's employment, a specific form of agency relationship not specifically prohibited by this article if the requirements of Section 2079.14 and Section 2079.17 are complied with.

2079.21 (a) A dual agent may not, without the express permission of the seller, disclose to the buyer any confidential information obtained from the seller. (b) A dual agent may not, without the express permission of the buyer, disclose to the seller any confidential information obtained from the buyer. (c) "Confidential information" means facts relating to the client's financial position, motivations, bargaining position, or other personal information that may impact price, such as the seller is willing to accept a price less than the listing price or the buyer is willing to pay a price greater than the price offered. (d) This section does not alter in any way the duty or responsibility of a dual agent to any principal with respect to confidential information other than price.

2079.22 Nothing in this article precludes a seller's agent from also being a buyer's agent. If a seller or buyer in a transaction chooses to not be represented by an agent, that does not, of itself, make that agent a dual agent.

2079.23 A contract between the principal and agent may be modified or altered to change the agency relationship at any time before the performance of the act which is the object of the agency with the written consent of the parties to the agency relationship.

2079.24 Nothing in this article shall be construed to either diminish the duty of disclosure owed buyers and sellers by agents and their associate licensees, subagents, and employees or to relieve agents and their associate licensees, subagents, and employees from liability for their conduct in connection with acts governed by this article or for any breach of a fiduciary duty or a duty of disclosure.

- E. Inquiring about protected characteristics (such as asking tenant applicants if they are married, or prospective purchasers if they have children or are planning to start a family);
 - F. Using criminal history information before otherwise affirming eligibility, and without a legally sufficient justification;
 - G. Failing to assess financial standards based on the portion of the income responsible by a tenant who receives government subsidies (such as basing an otherwise neutral rent to income ratio on the whole rent rather than just the part of rent that is the tenant's responsibility);
 - H. Denying a home loan or homeowner's insurance;
 - I. Offering inferior terms, conditions, privileges, facilities or services;
 - J. Using different qualification criteria or procedures for sale or rental of housing such as income standards, application requirements, application fees, credit analyses, sale or rental approval procedures or other requirements;
 - K. Harassing a person;
 - L. Taking an adverse action based on protected characteristics;
 - M. Refusing to permit a reasonable modification to the premises, as requested by a person with a disability (such as refusing to allow a wheelchair bound tenant to install, at their expense, a ramp over front or rear steps, or refusing to allow a physically disabled tenant from installing, at their own expense, grab bars in a shower or bathtub);
 - N. Refusing to make reasonable accommodation in policies, rules, practices, or services for a person with a disability (such as the following, if an actual or prospective tenant with a disability has a service animal or support animal):
 - (i) Failing to allow that person to keep the service animal or emotional support animal in rental property,
 - (ii) Charging that person higher rent or increased security deposit, or
 - (iii) Failing to show rental or sale property to that person who is accompanied by the service animal or support animal, and;
 - O. Retaliating for asserting rights under fair housing laws.
- 10. EXAMPLES OF POSITIVE PRACTICES:**
- A. Real estate licensees working with buyers or tenants should apply the same objective property selection criteria, such as location/neighborhood, property features, and price range and other considerations, to all prospects.
 - B. Real estate licensees should provide complete and objective information to all clients based on the client's selection criteria.
 - C. Real estate licensees should provide the same professional courtesy in responding to inquiries, sharing of information and offers of assistance to all clients and prospects.
 - D. Housing providers should not make any statement or advertisement that directly or indirectly implies preference, limitation, or discrimination regarding any protected characteristic (such as "no children" or "English-speakers only").
 - E. Housing providers should use a selection process relying on objective information about a prospective buyer's offer or tenant's application and not seek any information that may disclose any protected characteristics (such as using a summary document, e.g. C.A.R. Form SUM-MO, to compare multiple offers on objective terms).
- 11. FAIR HOUSING RESOURCES:** If you have questions about your obligations or rights under the Fair Housing laws, or you think you have been discriminated against, you may want to contact one or more of the sources listed below to discuss what you can do about it, and whether the resource is able to assist you.

- 12. LIMITED EXCEPTIONS TO FAIR HOUSING REQUIREMENTS: No person should rely on any exception below without first seeking legal advice about whether the exception applies to their situation. Real estate licensees are not qualified to provide advice on the application of these exceptions.**
- A. Legally compliant senior housing is exempt from FHA, FEHA and Unruh as related to age or familial status only;
 - B. An owner of a single-family residence who resides at the property with one lodger may be exempt from FEHA for rental purposes, PROVIDED **no real estate licensee is involved** in the rental;
 - C. An owner of a single-family residence may be exempt from FHA for sale or rental purposes, PROVIDED **(i) no real estate licensee is involved** in the sale or rental and **(ii) no discriminatory advertising is used**, and **(iii) the owner owns no more than three single-family residences**. Other restrictions apply;
 - D. An owner of residential property with one to four units who resides at the property, may be exempt from FHA for rental purposes, PROVIDED **no real estate licensee is involved** in the rental; and
 - E. Both FHA and FEHA do not apply to roommate situations. See, *Fair Housing Council v Roommate.com LLC*, 666 F.3d 1216 (2019).

POSSIBLE REPRESENTATION OF MORE THAN ONE BUYER OR SELLER - DISCLOSURE AND CONSENT

(C.A.R. Form PRBS, Revised 12/21)

A real estate broker (Broker), whether a corporation, partnership or sole proprietorship, may represent more than one buyer or seller. This multiple representation can occur through an individual licensed as a broker or salesperson or through different individual broker's or salespersons (associate licensees) acting under the Broker's license. The associate licensees may be working out of the same or different office locations.

Multiple Buyers: Broker (individually or through its associate licensees) may be working with many prospective buyers at the same time. These prospective buyers may have an interest in, and make offers on, the same properties. Some of these properties may be listed with Broker and some may not. Broker will not limit or restrict any particular buyer from making an offer on any particular property whether or not Broker represents other buyers interested in the same property.

Multiple Sellers: Broker (individually or through its associate licensees) may have listings on many properties at the same time. As a result, Broker will attempt to find buyers for each of those listed properties. Some listed properties may appeal to the same prospective buyers. Some properties may attract more prospective buyers than others. Some of these prospective buyers may be represented by Broker and some may not. Broker will market all listed properties to all prospective buyers whether or not Broker has another or other listed properties that may appeal to the same prospective buyers.

Dual Agency: If Seller is represented by Broker, Seller acknowledges that broker may represent prospective buyers of Seller's property and consents to Broker acting as a dual agent for both seller and buyer in that transaction. If Buyer is represented by Broker, buyer acknowledges that Broker may represent sellers of property that Buyer is interested in acquiring and consents to Broker acting as a dual agent for both buyer and seller with regard to that property.

In the event of dual agency, seller and buyer agree that: a dual agent may not, without the express permission of the respective party, disclose to the other party confidential information, including, but not limited to, facts relating to either the buyer's or seller's financial position, motivations, bargaining position, or other personal information that may impact price, including the seller's willingness to accept a price less than the listing price or the buyer's willingness to pay a price greater than the price offered; and except as set forth above, a dual agent is obligated to disclose known facts materially affecting the value or desirability of the Property to both parties.

Offers not necessarily confidential: Buyer is advised that seller or listing agent may disclose the existence, terms, or conditions of buyer's offer unless all parties and their agent have signed a written confidentiality agreement. Whether any such information is actually disclosed depends on many factors, such as current market conditions, the prevailing practice in the real estate community, the listing agent's marketing strategy and the instructions of the seller.

Buyer and seller understand that Broker may represent more than one buyer or more than one seller and even both buyer and seller on the same transaction and consents to such relationships.

Seller and/or Buyer acknowledges reading and understanding this Possible Representation of More Than One Buyer or Seller - Disclosure and Consent and agrees to the agency possibilities disclosed.

WIRE FRAUD AND ELECTRONIC FUNDS TRANSFER ADVISORY

(C.A.R. Form WFA, Revised 12/21)

Property Address: 1271 Canyon Del Rey Blvd, Seaside, 93950 ("Property").

WIRE FRAUD AND ELECTRONIC FUNDS TRANSFERS ADVISORY:

The ability to communicate and conduct business electronically is a convenience and reality in nearly all parts of our lives. At the same time, it has provided hackers and scammers new opportunities for their criminal activity. Many businesses have been victimized and the real estate business is no exception.

While wiring or electronically transferring funds is a welcome convenience, we all need to exercise extreme caution. Emails attempting to induce fraudulent wire transfers have been received and have appeared to be legitimate. Reports indicate that some hackers have been able to intercept emailed transfer instructions, obtain account information and, by altering some of the data, redirect the funds to a different account. It also appears that some hackers were able to provide false phone numbers for verifying the wiring or funds transfer instructions. In those cases, the victim called the number provided to confirm the instructions, and then unwittingly authorized a transfer to somewhere or someone other than the intended recipient.

ACCORDINGLY, YOU ARE ADVISED:

1. Obtain phone numbers and account numbers only from Escrow Officers, Property Managers, or Landlords at the beginning of the transaction.
2. DO NOT EVER WIRE OR ELECTRONICALLY TRANSFER FUNDS PRIOR TO CALLING TO CONFIRM THE TRANSFER INSTRUCTIONS. ONLY USE A PHONE NUMBER YOU WERE PROVIDED PREVIOUSLY. Do not use any different phone number or account number included in any emailed transfer instructions.
3. Orally confirm the transfer instruction is legitimate and confirm the bank routing number, account numbers and other codes before taking steps to transfer the funds.
4. Avoid sending personal information in emails or texts. Provide such information in person or over the telephone directly to the Escrow Officer, Property Manager, or Landlord.
5. Take steps to secure the system you are using with your email account. These steps include creating strong passwords, using secure WiFi, and not using free services.

If you believe you have received questionable or suspicious wire or funds transfer instructions, immediately notify your bank, and the other party, and the Escrow Office, Landlord, or Property Manager. The sources below, as well as others, can also provide information:

NOTE: There are existing alternatives to electronic and wired fund transfers such as cashier's checks. By signing below, the undersigned acknowledge that each has read, understands and has received a copy of this Wire Fraud and Electronic Funds Transfer Advisory.

- C. **LOAN(S):**
- (1) **FIRST LOAN:** This loan will provide for conventional financing **UNLESS** FHA, VA, Seller Financing (C.A.R. Form SFA), Assumed Financing, Subject To Financing, or Other is checked in **paragraph 3E(1)**.
 - (2) **ADDITIONAL FINANCED AMOUNT:** If an additional financed amount is specified in **paragraph 3E(2)**, that amount will provide for conventional financing **UNLESS** Seller Financing (C.A.R. Form SFA), Assumed Financing, Subject To Financing, or Other is checked in **paragraph 3E(2)**.
 - (3) **BUYER'S LOAN STATUS:** Buyer authorizes Seller and Seller's Authorized Agent to contact Buyer's lender(s) to determine the status of any Buyer's loan specified in **paragraph 3E**, or any alternate loan Buyer pursues, whether or not a contingency of this Agreement. If the contact information for Buyer's lender(s) is different from that provided under the terms of **paragraph 6B**, Buyer shall Deliver the updated contact information within 1 Day of Seller's request.
 - (4) **ASSUMED OR SUBJECT TO FINANCING:** Seller represents that Seller is not delinquent on any payments due on any loans. If the Property is acquired subject to an existing loan, Buyer and Seller are advised to consult with legal counsel regarding the ability of an existing lender to call the loan due, and the consequences thereof.
- D. **BALANCE OF PURCHASE PRICE (DOWN PAYMENT) (including all-cash funds)** to be deposited with Escrow Holder pursuant to Escrow Holder instructions.
- E. **LIMITS ON CREDITS TO BUYER:** Any credit to Buyer, from any source, for closing or other costs that is agreed to by the Parties ("Contractual Credit") shall be disclosed to Buyer's lender, if any, and made at Close Of Escrow. If the total credit allowed by Buyer's lender ("Lender Allowable Credit") is less than the Contractual Credit, then (i) the Contractual Credit from Seller shall be reduced to the Lender Allowable Credit, and (ii) in the absence of a separate written agreement between the Parties, there shall be no automatic adjustment to the purchase price to make up for the difference between the Contractual Credit and the Lender Allowable Credit.
6. **ADDITIONAL FINANCING TERMS:**
- A. **VERIFICATION OF DOWN PAYMENT AND CLOSING COSTS:** Written verification of Buyer's down payment and closing costs may be made by Buyer or Buyer's lender or loan broker pursuant to **paragraph 6B**.
- B. **VERIFICATION OF LOAN APPLICATIONS:** Buyer shall Deliver to Seller, within the time specified in **paragraph 3H(3)** a letter from Buyer's lender or loan broker stating that, based on a review of Buyer's written application and credit report, Buyer is prequalified or preapproved for any NEW loan specified in **paragraph 3E**. If any loan specified in **paragraph 3E** is an adjustable rate loan, the prequalification or preapproval letter shall be based on the qualifying rate, not the initial loan rate.
- C. **BUYER STATED FINANCING:** Seller is relying on Buyer's representation of the type of financing specified (including, but not limited to, as applicable, all cash, amount of down payment, or contingent or non-contingent loan). Seller has agreed to a specific closing date, purchase price, and to sell to Buyer in reliance on Buyer's specified financing. Buyer shall pursue the financing specified in this Agreement, even if Buyer also elects to pursue an alternative form of financing. Seller has no obligation to cooperate with Buyer's efforts to obtain any financing other than that specified in this Agreement but shall not interfere with closing at the purchase price on the COE date (**paragraph 3B**) even if based upon alternate financing. Buyer's inability to obtain alternate financing does not excuse Buyer from the obligation to purchase the Property and close escrow as specified in this Agreement.
7. **CLOSING AND POSSESSION:**
- A. **OCCUPANCY:** Buyer intends to occupy the Property as indicated in **paragraph 3E(3)**. Occupancy may impact available financing.
- B. **CONDITION OF PROPERTY ON CLOSING:**
- (1) Unless Otherwise Agreed: (i) the Property shall be delivered "**As-Is**" in its PRESENT physical condition as of the date of Acceptance; (ii) the Property, including pool, spa, landscaping and grounds, is to be maintained in substantially the same condition as on the date of Acceptance; and (iii) all debris and personal property not included in the sale shall be removed by Close Of Escrow or at the time possession is delivered to Buyer, if not on the same date. If items are not removed when possession is delivered to Buyer, all items shall be deemed abandoned. Buyer, after first Delivering to Seller written notice to remove the items within **3 Days**, may pay to have such items removed or disposed of and may bring legal action, as per this Agreement, to receive reasonable costs from Seller.
 - (2) **Buyer is strongly advised to conduct investigations of the entire Property in order to determine its present condition. Seller and Agents may not be aware of all defects affecting the Property or other factors that Buyer considers important. Property improvements may not be built according to code, in compliance with current Law, or have had all required permits issued and/or finalized.**
- C. Seller shall, on Close Of Escrow unless Otherwise Agreed and even if Seller remains in possession, provide keys, passwords, codes and/or means to operate all locks, mailboxes, and all items included in either **paragraph 3P** or **paragraph 9**. If the Property is a condominium or located in a common interest development, Seller shall be responsible for securing or providing any such items for Association amenities, facilities, and access. Buyer may be required to pay a deposit to the Owners' Association ("OA") to obtain keys to accessible OA facilities.

8. CONTINGENCIES AND REMOVAL OF CONTINGENCIES:

A. LOAN(S):

- (1) This Agreement is, **unless otherwise specified in paragraph 3L(1) or an attached CR form**, contingent upon Buyer obtaining the loan(s) specified. If contingent, Buyer shall act diligently and in good faith to obtain the designated loan(s). **If there is no appraisal contingency or the appraisal contingency has been waived or removed, then failure of the Property to appraise at the purchase price does not entitle Buyer to exercise the cancellation right pursuant to the loan contingency if Buyer is otherwise qualified for the specified loan and Buyer is able to satisfy lender's non-appraisal conditions for closing the loan.**
- (2) Buyer is advised to investigate the insurability of the Property as early as possible, as this may be a requirement for lending. Buyer's ability to obtain insurance for the Property, including fire insurance, is part of Buyer's Investigation of Property contingency. Failure of Buyer to obtain insurance may justify cancellation based on the Investigation contingency but not the loan contingency.
- (3) Buyer's contractual obligations regarding deposit, balance of down payment and closing costs **are not contingencies** of this Agreement, unless Otherwise Agreed.
- (4) If there is an appraisal contingency, removal of the loan contingency shall not be deemed removal of the appraisal contingency.
- (5) **NO LOAN CONTINGENCY:** If "No loan contingency" is checked in **paragraph 3L(1)**, obtaining any loan specified is NOT a contingency of this Agreement. If Buyer does not obtain the loan specified, and as a result is unable to purchase the Property, Seller may be entitled to Buyer's deposit or other legal remedies.

B. APPRAISAL:

- (1) This Agreement is, **unless otherwise specified in paragraph 3L(2) or an attached CR form**, contingent upon a written appraisal of the Property by a licensed or certified appraiser at no less than the amount specified in **paragraph 3L(2)**, without requiring repairs or improvements to the Property. Appraisals are often a reliable source to verify square footage of the subject Property. However, the ability to cancel based on the measurements provided in an appraisal falls within the Investigation of Property contingency. The appraisal contingency is solely limited to the value determined by the appraisal. For any cancellation based upon this appraisal contingency, Buyer shall Deliver a Copy of the written appraisal to Seller, upon request by Seller.
- (2) **NO APPRAISAL CONTINGENCY:** If "No appraisal contingency" is checked in **paragraph 3L(2)**, then Buyer may not use the loan contingency specified in **paragraph 3L(1)** to cancel this Agreement if the sole reason for not obtaining the loan is that the appraisal relied upon by Buyer's lender values the property at an amount less than that specified in **paragraph 3L(2)**. If Buyer is unable to obtain the loan specified solely for this reason, Seller may be entitled to Buyer's deposit or other legal remedies.

- (3) ☒ **Fair Appraisal Act:** The Parties acknowledge receipt of the attached Fair Appraisal Act Addendum (C.A.R. Form FAAA).

C. MANUFACTURED HOME PURCHASE: If checked in **paragraph 3L(3)**, this Agreement is contingent upon Buyer acquiring a personal property manufactured home to be placed on the Property after Close Of Escrow.

D. CONSTRUCTION LOAN FINANCING: If checked in **paragraph 3L(4)**, this Agreement is contingent upon Buyer obtaining a construction loan.

E. INVESTIGATION OF PROPERTY: This Agreement is, as specified in **paragraph 3L(5)**, contingent upon Buyer's acceptance of the condition of, and any other matter affecting, the Property.

F. REVIEW OF SELLER DOCUMENTS: This Agreement is, as specified in **paragraph 3L(6)**, contingent upon Buyer's review of Seller's documents required in **paragraph 17A**.

G. TITLE:

- (1) This Agreement is, as specified in **paragraph 3L(7)**, contingent upon Buyer's ability to obtain the title policy provided for in **paragraph 16G** and on Buyer's review of a current Preliminary Report and items that are disclosed or observable even if not on record or not specified in the Preliminary Report, and satisfying Buyer regarding the current status of title. Buyer is advised to review all underlying documents and other matters affecting title, including, but not limited to, any documents or deeds referenced in the Preliminary Report and any plotted easements.
- (2) Buyer has **5 Days** after receipt to review a revised Preliminary Report, if any, furnished by the Title Company and cancel the transaction if the revised Preliminary Report reveals material or substantial deviations from a previously provided Preliminary Report.

H. CONDOMINIUM/PLANNED DEVELOPMENT DISCLOSURES (IF APPLICABLE): This Agreement is, as specified in **paragraph 3L(8)**, contingent upon Buyer's review of Common Interest Disclosures required by Civil Code § 4525 and under **paragraph 11D** ("CI Disclosures").

I. BUYER REVIEW OF LEASED OR LIENED ITEMS CONTINGENCY: Buyer's review of and ability and willingness to assume any lease, maintenance agreement or other ongoing financial obligation, or to accept the Property subject to any lien, disclosed pursuant to **paragraph 9B(2)**, is, as specified in **paragraph 3L(9)**, a contingency of this Agreement. Any assumption of the lease shall not require any financial obligation or contribution by Seller. Seller, after first Delivering a Notice to Buyer to Perform, may cancel this Agreement if Buyer, by the time specified in **paragraph 3L(9)**, refuses to enter into any necessary written agreements to accept responsibility for all obligations of Seller-disclosed leased or lienied items.

J. REMOVAL OR WAIVER OF CONTINGENCIES WITH OFFER: Buyer shall have no obligation to remove a contractual contingency unless Seller has provided all required documents, reports, disclosures, and information pertaining to that contingency. If Buyer does remove a contingency without first receiving all required information from Seller, Buyer is relinquishing any contractual rights that apply to that contingency. **If Buyer removes or waives any contingencies without an adequate understanding of the Property's condition or Buyer's ability to purchase, Buyer is acting against the advice of Agent.**

K. REMOVAL OF CONTINGENCY OR CANCELLATION:

- (1) **For any contingency specified in paragraph 3L or 8, Buyer shall, within the applicable period specified, remove the contingency or cancel this Agreement.**
- (2) For the contingencies for review of Seller Documents, Preliminary Report, and Condominium/Planned Development Disclosures, Buyer shall, within the time specified in **paragraph 3L** or **5 Days** after receipt of the applicable Seller Documents, Preliminary Report, or CI Disclosures, whichever occurs later, remove the applicable contingency in writing or cancel this Agreement.
- (3) If Buyer does not remove a contingency within the time specified, Seller, after first giving Buyer a Notice to Buyer to Perform (C.A.R. Form NBP), shall have the right to cancel this Agreement.

L. SALE OF BUYER'S PROPERTY: This Agreement and Buyer's ability to obtain financing are NOT contingent upon the sale of any property owned by Buyer unless the Sale of Buyer's Property (C.A.R. Form COP) is checked as a contingency of this Agreement in **paragraph 3L(10)**.

9. ITEMS INCLUDED IN AND EXCLUDED FROM SALE:

A. - (3) Seller represents that all items included in the purchase price, unless Otherwise Agreed, (i) are owned by Seller and shall be transferred free and clear of liens and encumbrances, except the items and systems identified pursuant to **paragraph 9B(2)**, and (ii) are transferred without Seller warranty regardless of value. Seller shall cooperate with the identification of any software or applications and Buyer's efforts to transfer any services needed to operate any Smart Home Features or other items included in this Agreement, including, but not limited to, utilities or security systems.

- (6) As additional security for any note in favor of Seller for any part of the purchase price, Buyer shall execute a UCC-1 Financing Statement to be filed with the Secretary of State, covering the personal property included in the purchase, replacement thereof, and insurance proceeds.

C. ITEMS EXCLUDED FROM SALE: Unless Otherwise Agreed, all items specified in **paragraph 3P(2)** are excluded from the sale.

10. ALLOCATION OF COSTS FOR INSPECTIONS, REPORTS AND CERTIFICATES: Paragraphs 3Q(1-3) and (5) only determines who is to pay for the inspection, test, certificate or service ("Report") mentioned; it does not determine who is to pay for any work recommended or identified in the Report. Agreements for payment of required work should be specified elsewhere in paragraph 3Q, or 3S, or in a separate agreement (such as C.A.R. Forms RR, RRRR, ADM or AEA).

11. SELLER DISCLOSURES:

A. - (2) **REMOVAL OF SELLER CONTINGENCIES:** If Seller removes any contingency or cancellation rights, unless Otherwise Agreed, Seller shall conclusively be deemed to have: (i) satisfied themselves regarding such contingency, (ii) elected to proceed with the transaction; and (iii) given up any right to cancel this Agreement based on such contingency.
- G. DEMAND TO CLOSE ESCROW:** Before Buyer or Seller may cancel this Agreement for failure of the other Party to close escrow pursuant to this Agreement, Buyer or Seller must first Deliver to the other Party a Demand to Close Escrow (C.A.R. A DCE may not be Delivered any earlier than **3 Days** prior to the Scheduled Performance Day for the Close Of Escrow. If a DCE is incorrectly Delivered or specifies a time less than the agreed time, the DCE shall be deemed invalid and void and Seller or Buyer shall be required to Deliver a new DCE.

Buyer and Seller are advised to seek the advice of a qualified California real estate attorney regarding this matter.**
- 18. REPAIRS:** Repairs shall be completed prior to final verification of condition unless Otherwise Agreed. Repairs to be performed at Seller's expense may be performed by Seller or through others, provided that the work complies with applicable Law, including governmental permit, inspection and approval requirements. - D. Agents are not a party to the escrow except for the sole purpose of receiving compensation pursuant to **paragraph 21A and paragraph 3 of the Real Estate Brokers Section**. If a Copy of the separate compensation agreement(s) provided for in either of those paragraphs is deposited with Escrow Holder by Agent, Escrow Holder shall accept such agreement(s) and pay out from Buyer's or Seller's funds, or both, as applicable, the Broker's compensation provided for in such agreement(s). Buyer and Seller irrevocably assign to Brokers compensation specified in **paragraph 21A**, and irrevocably instruct Escrow Holder to disburse those funds to Brokers at Close Of Escrow or pursuant to any other mutually executed cancellation agreement. Compensation instructions can be amended or revoked only with the written consent of Brokers. Buyer and Seller shall release and hold harmless Escrow Holder from any liability resulting from Escrow Holder's payment to Broker(s) of compensation pursuant to this Agreement.

ASSIGNMENT:** Buyer shall have the right to assign all of Buyer's interest in this Agreement to Buyer's own trust or to any wholly owned entity of Buyer that is in existence at the time of such assignment. Otherwise, Buyer shall not assign all or any part of Buyer's interest in this Agreement without first having obtained the separate written consent of Seller to a specified assignee. Such consent shall not be unreasonably withheld. Prior to any assignment, Buyer shall disclose to Seller the name of the assignee and the amount of any monetary consideration between Buyer and assignee. Buyer shall provide assignee with all documents related to this Agreement including, but not limited to, the Agreement and any disclosures. If assignee is a wholly owned entity or trust of Buyer, that assignee does not need to re-sign or initial all documents provided. Whether or not an assignment requires seller's consent, at the time of assignment, assignee shall deliver a letter from assignee's lender that assignee is prequalified or preapproved as specified in **paragraph 6B**. Should assignee fail to deliver such a letter, Seller, after first giving Assignee an Notice to Buyer to Perform, shall have the right to terminate the assignment. - 29. AMERICANS WITH DISABILITIES ACT:** The Americans With Disabilities Act ("ADA") prohibits discrimination against individuals with disabilities. The ADA affects almost all commercial facilities and public accommodations. Residential properties are not typically covered by the ADA, but may be governed by its provisions if used for certain purposes. The ADA can require, among other things, that building be made readily accessible to the disabled. Different requirements apply to new construction, alterations to existing buildings, and removal of barriers in existing buildings. Compliance with the ADA may require significant costs. Monetary and injunctive remedies may be incurred if the Property is not in compliance. A real estate broker or agent does not have the technical expertise to determine whether a building is in compliance with ADA requirements, or to advise a principal on those requirements. Buyer and Seller are advised to contact a qualified California real estate attorney, contractor, architect, engineer, or other qualified professional of Buyer or Seller's own choosing to determine to what degree, if any, the ADA impacts that principal or this transaction.

For example, if a Notice to Buyer to Perform (C.A.R. form NBP) is Delivered at 3 pm on the 7th calendar day of the month, or Acceptance of a counter offer is personally received at 12 noon on the 7th calendar day of the month, then the 7th is Day "0" for purposes of counting days to respond to the NBP or calculating the Close Of Escrow date or contingency removal dates and the 8th of the month is Day 1 for those same purposes. (2) All calendar days are counted in establishing the first Day after an event. (3) All calendar days are counted in determining the date upon which performance must be completed, ending at 11:59 pm on the last day for performance ("Scheduled Performance Day"). (4) After Acceptance, if the Scheduled Performance Day for any act required by this Agreement, including Close Of Escrow, lands on a Saturday, Sunday, or legal holiday, the performing party shall be allowed to perform on the next day that is not a Saturday, Sunday or legal holiday ("Allowable Performance Day"), and ending at 11:59 pm. (5) For the purposes of COE, any day that the Recorder's office in the County where the Property is located is closed, the COE shall occur on the next day the Recorder's office in that County is open. (6) COE is considered Day 0 for purposes of counting days Seller is allowed to remain in possession, if permitted by this Agreement.

BUYER'S VACANT LAND ADDITIONAL INSPECTION ADVISORY

(C.A.R. Form BVLIA, 11/13)

Property Address: 1271 Canyon Del Rey Blvd, Seaside, 93950 ("Property").

A. IMPORTANCE OF PROPERTY INVESTIGATION: The physical condition of the land and improvements being purchased is not guaranteed by either Seller or Brokers. For this reason, you should conduct thorough investigations of the Property personally and with professionals who should provide written reports of their investigations. A general physical inspection typically does not cover all aspects of the Property nor items affecting the Property that are not physically located on the Property. If the professionals recommend further investigations, including a recommendation by a pest control operator to inspect inaccessible areas of the Property, you should contact qualified experts to conduct such additional investigations. Additionally, some inspections, such as those listed below, may be of particular importance when purchasing vacant land.

B. BUYER RIGHTS AND DUTIES: You have an affirmative duty to exercise reasonable care to protect yourself, including discovery of the legal, practical and technical implications of disclosed facts, and the investigation and verification of information and facts that you know or that are within your diligent attention and observation. The purchase agreement gives you the right to investigate the Property. If you exercise this right, and you should, you must do so in accordance with the terms of that agreement. This is the best way for you to protect yourself. It is extremely important for you to read all written reports provided by professionals and to discuss the results of inspections with the professional who conducted the inspection. You have the right to request that Seller make repairs, corrections or take other action based upon items discovered in your investigations or disclosed by Seller. If Seller is unwilling or unable to satisfy your requests, or you do not want to purchase the Property in its disclosed and discovered condition, you have the right to cancel the agreement if you act within specific time periods. If you do not cancel the agreement in a timely and proper manner, you may be in breach of contract.

C. SELLER RIGHTS AND DUTIES: Seller is required to disclose to you material facts known to him/her that affect the value or desirability of the Property. However, Seller may not be aware of some Property defects or conditions. Seller does not have an obligation to inspect the Property for your benefit nor is Seller obligated to repair, correct or otherwise cure known defects that are disclosed to you or previously unknown defects that are discovered by you or your inspectors during escrow. The purchase agreement obligates Seller to make the Property available to you for investigations.

D. BROKER OBLIGATIONS: Brokers do not have expertise in all areas and therefore cannot advise you on many items, such as soil stability, geologic or environmental conditions, hazardous or illegal controlled substances, structural conditions of the foundation or other improvements, or the condition of the roof, plumbing, heating, air conditioning, electrical, sewer, septic, waste disposal, or other system. The only way to accurately determine the condition of the Property is through an inspection by an appropriate professional selected by you. If Broker gives you referrals to such professionals, Broker does not guarantee their performance. You may select any professional of your choosing. If you have entered into a written agreement with a Broker, the specific terms of that agreement will determine the nature and extent of that Broker's duty to you. **YOU ARE STRONGLY ADVISED TO INVESTIGATE THE CONDITION AND SUITABILITY OF ALL ASPECTS OF THE PROPERTY. IF YOU DO NOT DO SO, YOU ARE ACTING AGAINST THE ADVICE OF BROKERS.**

E. YOU ARE ADVISED TO CONDUCT INVESTIGATIONS OF THE ENTIRE PROPERTY, INCLUDING, BUT NOT LIMITED TO THE FOLLOWING:

- 1. FINANCE:** Financing the purchase of vacant land finance and especially financing construction loans for the improvement of vacant land can provide particular challenges, including subordination agreements and insurance requirements. Buyer is advised to seek the assistance of reputable lenders in assistance with their decisions regarding financing of the property.
- 2. CONSTRUCTION COSTS:** If Buyer is contemplating building improvements on the property, Buyer is advised that they will have to contact directly any contractors, service providers, suppliers, architects, utility companies regarding the costs of improvements. Buyer is advised to get written bids from all such persons regarding their decision to develop the property.
- 3. UTILITIES:** Unimproved property may or may not have utilities available to the property. Buyer(s) is advised to obtain information from the public or private utility provider about the availability and cost of providing utilities to the property and whether necessary easements are in place to allow such utilities to the property.
- 4. ENVIRONMENTAL SURVEY:** Unimproved land may have had or may have hazardous materials stored upon or under the land or been used by persons engaged in activities exposing the land to hazardous materials. The land may also be host to protected vegetation or animal life. Buyer(s) is advised to satisfy themselves as what hazards or protected plant or animal life are on the property and what impact they may have on Buyer's future plans for the property by seeking the help of a qualified professional.

**CALIFORNIA CONSUMER PRIVACY ACT ADVISORY,
DISCLOSURE AND NOTICE**
(C.A.R. Form CCPA, Revised 12/21)

The California Consumer Privacy Act (commencing with Civil Code § 1798.100) ("CCPA") grants to California residents certain rights in their private, personal information ("PI") that is collected by companies with whom they do business. Under the CCPA, PI is defined broadly to encompass non-public records information that could reasonably be linked directly or indirectly to you. PI could potentially include photographs of, or sales information about, your property.

During the process of buying and selling real estate your PI will be collected and likely shared with others, including real estate licensees, a Multiple Listing Service, real estate internet websites, service providers, lenders, and title and escrow companies, to name several possibilities. Businesses that are covered by the CCPA are required to grant you various rights in your PI, including the right to know what PI is collected, "opt out" or stop the transfer of your PI to others, and the right to request that the business delete your PI entirely. You may get one or more notices regarding your CCPA rights from businesses you interact with in a real estate transaction. However, not all businesses that receive or share your PI are obligated to comply with the CCPA. MONTEREY COUNTY SUPPLEMENTAL DISCLOSURE

PROPERTY ADDRESS: _____

FUTURE DEVELOPMENT/REDEVELOPMENT

Buyer is advised to investigate and satisfy himself/herself of future development in the surrounding area that may affect the property.

CONSTRUCTION RESTRICTIONS

Seller and Buyer understand that the property may be subject to limitations and restrictions regarding house size, lot coverage, configuration, design, materials, environmental issues, future undergrounding of utilities, mandatory fire sprinklers, on-site water treatment systems (septic systems), sewer laterals, and other matters affecting home construction and/or modifications. Buyer is advised to confer with a local architect, contractor and planning officials regarding such restrictions and the present and future availability of permits for new construction, contemplated additions, or other remodeling projects.

VOLUME STANDARDS

The City of Carmel-by-the-Sea has a method of measuring the space in buildings using a volume calculation. A Buyer should consult the applicable sections of the Carmel City Code to determine how the calculation would apply to any changes or future development of the property.

CITY/COUNTY INSPECTIONS AND REPORTS

Prior to change of ownership, most cities within Monterey County require a city inspection and/or issuance of a city report (fees vary). For properties located in the unincorporated areas of Monterey County, a written report of permit history and violations is available for a fee.

CITY INSPECTIONS OF PROPERTIES/ERRORS AND OMISSION WARRANTIES

Several jurisdictions require point-of-sale inspections prior to closing of escrow. However, the jurisdictions do not warrant the results of the inspection. Subsequent inspections of a property previously cleared of code or permit issues may be required to abate newly noticed violations. The disclaimer received from a jurisdiction may contain language such as: “*Prior inspection errors or omissions shall not prevent the City from abating any noted violations on the property against the seller, buyer or any subsequent owner.*”

COASTAL ZONE POLICIES Several cities and areas of Monterey County are under the jurisdiction of the California State Coastal Commission which may have authority to

MONTEREY COUNTY SUPPLEMENTAL DISCLOSURE

approve or disapprove remodeling, building and development projects. The Buyer is therefore advised that they should satisfy themselves concerning a property's current zoning and if located in the Coastal Zone, any potential impacts Coastal Zone policies may have on the property.

PROPERTY RENTALS

Several cities and the County of Monterey have ordinances concerning short-term rentals. Generally, these ordinances are strictly enforced and **prohibit rentals of less than 30 days**. Home Owner Association ("HOA") and other local policies may impact the ability to rent condominiums or other residential structures.

Buyers should satisfy themselves regarding any and all local ordinances and policies, including if applicable, any HOA restrictions or policies, which may impact or restrict the renting of property.

HISTORICAL ASSESSMENT

Some jurisdictions in Monterey County may require a historical assessment regardless of the property's date of construction. Buyer is advised to consult with planning officials regarding a property's current or potential historical identification, and all regulations affecting such properties.

TREE HEALTH/PROTECTION/PRESERVATION

Most areas of Monterey County have tree protection/preservation regulations. Buyers should investigate those regulations before any tree is removed. The Buyer is advised that they should consult with a qualified arborist and satisfy themselves concerning any trees on the property and their health.

PRIVATE ROADS

Some properties may have access by a private road shared by two or more property owners. If applicable, the Buyer should determine if there is a recorded private road maintenance agreement and compliance. Buyer is also encouraged to investigate and assess the potential financial liability concerning the maintenance, improvement, replacement, and other costs and liabilities associated with private roads.

AIRPORTS/LAGUNA SECA RACEWAY

Monterey County is home to three airports currently in use. Those municipalities are Marina, Monterey and Salinas. Buyer should be aware of potential air traffic noise in these areas. Laguna Seca Raceway is the site of periodic major events, which may produce increased noise and/or traffic.

HIGHWAY AND LOCAL ROAD RELATED IMPROVEMENTS

Various local road and highway projects are undertaken periodically by local and state agencies. Buyer is encouraged to consult with appropriate agencies to determine any and all impacts those improvements may have on the subject property.

MONTEREY COUNTY SUPPLEMENTAL DISCLOSURE

NON-DOMESTICATED ANIMALS

Certain areas of Monterey County have experienced occasional intrusions of non-domesticated animals. Buyer is advised to consult with the city or county and/or an animal control professional for further information.

FORMER FEDERAL/STATE ORDNANCE LOCATIONS

Anyone purchasing property within one mile of a known former military training ground, such as Fort Ord, is advised of the potential presence of live ammunition/explosives.

AGRICULTURAL USES

Agriculture and related activities are a major industry in Monterey County. Buyer is advised that agricultural activities may take place that could affect adjoining areas.

BUFFER ZONES

Monterey County is proposing to establish buffer zones around active and closed landfills that would prohibit residential development within those zones, and limit residential building within buffer zones. Buyers should satisfy themselves of the potential for a property inside any buffer zones. Information can be obtained by phoning the Environmental Health Department at (831) 755-4542, or visiting the County website regarding this issue.

MOBILE PHONE/INTERNET SERVICE

Buyer understands that in some localities in Monterey County, cellular and internet service may be intermittent or unavailable.

FIRE SPRINKLERS

There is a history of recalled residential fire sprinklers in Monterey County. Buyers should satisfy themselves that any fire sprinklers installed on the property are in proper operating condition.

ONSITE WATER TREATMENT SYSTEMS (OWTS – SEPTIC SYSTEMS)

The Monterey County regulations regarding OWTS were changed in 2018. The new regulations could substantially increase the cost for repair or replacement of any septic system. Contact the Department of Environmental Health for details.

SEWER LATERAL INSPECTIONS

The Cities of Monterey, Pacific Grove and Carmel-by-the-Sea as well as other structures connected to the Carmel Area Wastewater District (CAWD) require point-of-sale sewer lateral inspections prior to the closing of escrow. Buyers are encouraged to check the local jurisdiction for sewer lateral inspection and replacement requirements.

PRIVATE WELLS

Depending on property location, certain governmental agencies have requirements for private wells. Buyer is advised to determine from the appropriate agency that all requirements for private wells on the property have been met. The buyer is strongly advised

MONTEREY COUNTY SUPPLEMENTAL DISCLOSURE

to satisfy themselves concerning the availability of water as well as the quality and quantity of water sourced from any domestic private well, whether planned or existing within Monterey County.

WATER RETROFIT REQUIREMENT

Every property (residential or commercial) in Monterey County that changes ownership is subject to the water retrofit requirements and a retrofit certification form must be completed and submitted to the proper water agency. Each of the three water districts has similar retrofit requirements (aimed at reducing household water consumption) and each district has its own water certification form. If the property is in the unincorporated area of the county (not within city limits) and you are unsure of which agency has jurisdiction, contact the Monterey Peninsula Water Management District at 831-658-5601 with the property's parcel number.

WATER AVAILABILITY

Water utilities and mutual water companies may periodically impose mandatory or voluntary cutbacks in service and/or increased fees, restrictions or moratoriums on building, remodeling or increased water use. Buyer is advised to contact the water company which serves the property, any appropriate governing water or planning agency, and/or the Department of Environmental Health for more information concerning the nature and extent of any current or anticipated water policies which may have an effect on the Buyer's general use, development and enjoyment of the property.

Buyer is advised that the California State Water Resources Control Board ("SWRCB") has adopted a Cease and Desist Order ("CDO") which includes enforcement action against California American Water ("Cal-Am") for failure to comply with Water Order 95-10 and Water Code section 1052. The Buyer is therefore advised that they should satisfy themselves concerning the CDO and other water related issues and how they may impact the property.

The Agents, Brokers and representatives for Buyers and Sellers are not responsible for actions taken by federal, state or local governing bodies and/or water suppliers that may result in restrictions to the availability of water to a property. Buyer and/or Seller should contact the appropriate governing or managing authority for current water availability.

SALT WATER INTRUSION Buyer is also advised that measurable amounts of salt-water intrusion have been

found in some of the County's underground water supply.

A. Investigation of Physical Conditions

- EASEMENTS, ACCESS AND ENCROACHMENTS:** Buyer and Seller are advised that confirming the exact location of easements, shared or private driveways or roadways, and encroachments on or to the Property may be possible only by conducting a survey. There may be unrecorded easements, access rights, encroachments and other agreements affecting the Property that may not be disclosed by a survey. Representations regarding these items that are made in a Multiple Listing Service or advertisements, or plotted by a title company are often approximations, or based upon inaccurate or incomplete records. Unless otherwise specified by Broker in writing, Brokers have not verified any such matters or any representations made by Seller(s) or others. If Buyer wants further information, Buyer is advised and Broker(s) recommend that Buyer hire a licensed surveyor during Buyer's inspection contingency period. Brokers do not have expertise in this area.
- ENVIRONMENTAL HAZARDS:** Buyer and Seller are advised that the presence of certain kinds of organisms, toxins and contaminants, including, but not limited to, mold (airborne, toxic or otherwise), fungi, mildew, lead-based paint and other lead contamination, asbestos, formaldehyde, radon, pcb's, methane, other gases, fuel oil or chemical storage

tanks, contaminated soil or water, hazardous waste, waste disposal sites, electromagnetic fields, nuclear sources, urea formaldehyde, or other materials may adversely affect the Property and the health of individuals who live on or work at the property as well as pets. Some municipalities may impose additional requirements regarding underground storage tanks, which may be more common in certain areas and cities throughout the State, especially where there are larger, older homes built before 1935. It is possible that these tanks, either now or in the future, may require inspections or abatement. If Buyer wants further information, Buyer is advised, and Broker(s) recommends, that Buyer have the Property inspected for the existence of such conditions and organisms, and conditions that may lead to their formation. Not all inspectors are licensed and licenses are not available for all types of inspection activities. Buyer is also advised to consult with appropriate experts regarding this topic during Buyer's inspection contingency period. Broker recommends that Buyer and Seller read the booklets titled, "Residential Environmental Hazards: A Guide for Homeowners, Homebuyers, Landlords and Tenants," and "Protect Your Family From Lead In Your Home." Brokers do not have expertise in this area.

3. **FORMALDEHYDE:** Formaldehyde is a substance known to the State of California to cause cancer. Exposure to formaldehyde may be caused by materials used in the construction of homes. The United States Environmental Protection Agency, the California Air Resources Board, and other agencies have measured the presence of formaldehyde in the indoor air of select homes in California. Levels of formaldehyde that present a significant cancer risk have been measured in most homes that were tested. Formaldehyde is present in the air because it is emitted by a variety of building materials and home products used in construction. The materials include carpeting, pressed wood products, insulation, plastics, and glues. Most homes that have been tested elsewhere do contain formaldehyde, although the concentrations vary from home to home with no obvious explanation for the differences. One of the problems is that many suppliers of building materials and home products do not provide information on chemical ingredients to builders. Buyers may have further questions about these issues. Buyer is advised to consult with appropriate experts regarding this topic during Buyer's inspection contingency period. Broker(s) recommend that Buyer and Seller read the booklet titled "Residential Environmental Hazards: A Guide for Homeowners, Homebuyers, Landlords and Tenants." Brokers do not have expertise in this area.
4. **GEOLOGIC HAZARDS:** Buyer and Seller are advised that California has experienced earthquakes in the past, and there is always a potential of future earthquakes. Damage caused by an earthquake may not be discoverable by a visual inspection of Buyer(s) or Broker(s). Inspection by a licensed, qualified professional is strongly recommended to determine the structural integrity and safety of all structures and improvements on the Property. If the Property is a condominium, or located in a planned unit development or in a common interest subdivision, Buyer is advised to contact the homeowners association about earthquake repairs and retrofit work and the possibility of an increased or special assessment to defray the costs of earthquake repairs or retrofit work. Buyer is encouraged to obtain and read the booklet entitled, "The Homeowner's Guide to Earthquake Safety." In most cases a questionnaire within the booklet must be completed by Seller and the entire booklet given to the Buyer if the Property was built prior to 1960. If the Property was built before 1975, and contains structures constructed of masonry or precast (tilt up) concrete walls, with wood frame floors or roof, or if the building has unreinforced masonry walls, then Seller must provide Buyer a pamphlet entitled "The Commercial Property Owner's Guide to Earthquake Safety." Many areas have a wide range of geologic problems and numerous studies have been made of these conditions. Some of this information is available for public review at city and county planning departments. Buyer is encouraged to review the public maps and reports and/or obtain a geologist's inspection report. Buyer may be able to obtain earthquake insurance to protect their interest in the Property. Sellers who agree to provide financing should also consider requiring Buyers to obtain such insurance naming Seller(s) as insured lien holder(s). Brokers do not have expertise in this area.
5. **INSPECTIONS:** Buyer and Seller are advised that Buyer has the right to obtain various inspections of the Property under most residential purchase agreements. Buyer is advised to have the Property inspected by a professional property inspection service within Buyer's inspection contingency period. A licensed building contractor or other professional may perform these services. The inspector generally does not look behind walls or under carpets, or take equipment apart. Certain items on the Property, such as chimneys and spark arresters, plumbing, heating, air conditioning, electrical wiring, pool and spa, septic system, well, roof, foundation and structural items may need to be inspected by another professional, such as a chimney sweep, plumber, electrician, pool and spa service, septic or well company or roofer. A general physical inspection typically will not test for mold, wood destroying pests, lead-based paint, radon, asbestos and other environmental hazards, geologic conditions, age, remaining useful life or water-tightness of roof, cracks, leaks or operational problems associated with a pool or spa or connection of the Property to a sewer system. If Buyer wants further information on any aspect of the Property, Broker recommends that Buyer have a discussion with the professional property inspector and that Buyer hire an appropriate professional for the area of concern to Buyer. Brokers do not verify the results of any such inspection or guarantee the performance of any such inspector or service. Any election by Buyer to waive the right to a physical inspection of the Property or to rely on somebody other than an appropriate professional is against the advice of Brokers. Not all inspectors are licensed and licenses are not available for all types of inspection activities. Brokers do not have expertise in these area.
6. **MOLD:** Buyer and Seller are advised that the presence of certain kinds of mold, fungi, mildew and other organisms, sometimes referred to as "toxic mold" (collectively "Mold"), may adversely affect the Property and the health of individuals who live on or work at the Property as well as pets. Mold does not affect all people the same way, and may not affect some people at all. Mold may be caused by water leaks or other sources of moisture such as, but not limited to, flooding, and leaks in windows, pipes and roof. Seller is advised to disclose the existence of any such conditions of which he or she is aware. Buyer should carefully review all of Seller's disclosures for any indication that any of these conditions exist. It is, however, possible that Mold may be hidden and that Seller is completely unaware of its

existence. In addition, Mold is often undetectable from a visual inspection, a professional general property inspection and even a structural pest control inspection. Brokers do not have expertise in this area. If Buyer wants further information, Broker recommends that Buyer have the Property tested for Mold by an environmental hygienist or other appropriate professional during Buyer's inspection contingency period. Not all inspectors are licensed and licenses are not available for all types of inspection activities. Brokers do not have expertise in this area.

- 7. PETS AND ANIMALS:** Buyer and Seller are advised that the current or previous owner(s) may have had domesticated or other pets and animals at the Property. Odors from animal urine or other contamination may be dormant for long periods of time and then become active because of heat, humidity or other factors and might not be eliminated by cleaning or replacing carpets or other cleaning methods. Pet urine and feces can also damage hardwood floors and other floor coverings. Additionally, an animal may have had fleas, ticks and other pests that remain on the Property after the animal has been removed. If Buyer wants further information, Broker(s) recommend that Buyer discuss the issue with an appropriate professional during Buyer's inspection contingency period. Brokers do not have expertise in this area.
- 8. SEPTIC SYSTEMS:** Buyer and Seller are advised that a property may be served by one or more septic systems even though adjoining properties are connected to a sewer line. Buyer and Seller are also advised that some septic tanks and systems may have been abandoned or have leaked into ground water sources. Buyer is advised to contact the appropriate government agency to verify that the Property is connected to a sewer or served by a septic system. If the Property is served by a septic system, it may consist of a septic tank, cesspool, pits, leach lines or a combination of such mechanisms ("collectively, System"). No representation or warranty is made by Seller or Broker concerning the condition, operability, size, capacity or future expansion of a System, nor whether a System is adequate for use by the intended occupants of the Property. A change in the number of occupants or the quantity, composition or methods of depositing waste may affect the efficiency of the System. In addition, the amount of rainfall and ground water table may also affect the efficiency of the System. Many factors including, but not limited to, natural forces, age, deterioration of materials and the load imposed on a System can cause the System to fail at any time. Broker recommends that Buyer obtain an independent evaluation of any System by a qualified sanitation professional during Buyer's inspection contingency period. Buyer should consult with their sanitation professional to determine if their report includes the tank only, or other additional components of the System such as pits and leach fields. Not all inspectors are licensed and licenses are not available for all types of inspection activities. In some cases, Buyer's lender as well as local government agencies may require System inspection. System-related maintenance costs may include, but not be limited to, locating, pumping or providing outlets to ground level. Brokers are unable to advise Buyer or Seller regarding System-related issues or associated costs, which may be significant. If Buyer and Seller agree to obtain a System inspection, Buyer and Seller are cautioned that the inspection cost may include, but not be limited to, the costs of locating, pumping or providing outlets to ground level. Brokers do not have expertise in this area.
- 9. SOIL AND GEOLOGIC CONDITIONS:** Buyer and Seller are advised that real estate in California is subject to settling, slippage, contraction, expansion erosion, subsidence, earthquakes and other land movement. The Property may be constructed on fill or improperly compacted soil and may have inadequate drainage capability. Any of these matters can cause structural problems to improvements on the Property. Civil or geo-technical engineers are best suited to evaluate soil stability, grading, drainage and other soil conditions. Additionally, the Property may contain known or unknown mines, mills, caves or wells. If Buyer wants further information, Broker recommends that Buyer hire an appropriate professional. Not all inspectors are licensed and licenses are not available for all types of inspections. Brokers do not have expertise in this area.
- 10. SQUARE FOOTAGE, LOT SIZE, BOUNDARIES AND SURVEYS:** Buyer and Seller are advised that only an appraiser or land surveyor, as applicable, can reliably confirm square footage, lot size, Property corners and exact boundaries of the Property. Representations regarding these items that are made in a Multiple Listing Service, advertisements, and from property tax assessor records are often approximations, or based upon inaccurate or incomplete records. Fences, hedges, walls or other barriers may not represent actual boundary lines. Unless otherwise specified by Broker in writing, Brokers have not verified any such boundary lines or any representations made by Seller or others concerning square footage, lot size, Property corners or exact boundaries. Standard title insurance does not insure the boundaries of the Property. If the exact square footage or lot size or location of Property corners or boundaries is an important consideration in Buyer's decision to purchase the Property and/or how much Buyer is willing to pay for the Property, then Buyer must independently conduct Buyer's own investigation through appropriate professionals, appraisers, or licensed surveyors and rely solely on their data, recognizing that all measurements may not be consistent and that different sources may have different size assessments. Brokers do not have expertise in this area.
- 11. WATER INTRUSION:** Buyer and Seller are advised that many homes suffer from water intrusion or leakage. The causes of water intrusion are varied, and can include defective construction, faulty grading, deterioration of building materials and absence of waterproof barriers. Water intrusion can cause serious damage to the Property. This damage can consist of wood rot, mold, mildew and even damage to the structural integrity of the Property. The cost of repairing and remediating water intrusion damage and its causes can be very significant. The existence and cause of water intrusion is often difficult to detect. Because you, your Broker or a general home inspector cannot visually observe any effects of water intrusion, Buyer and Seller should not assume that such intrusion does not exist. Broker recommends that Buyer have the Property inspected for water intrusion by an appropriate professional. Brokers do not have expertise in this area.
- 12. WELL AND WATER SYSTEM(S):** Buyer and Seller are advised that the Property may be served by one or more water wells, springs, or private community or public water systems. Any of these private or public water systems may contain

bacteria, chemicals, minerals and metals, such as chromium. Well(s) may have been abandoned on the Property. Buyer is advised to have both the quality and the quantity of water evaluated, and to obtain an analysis of the quality of any domestic and agricultural water in use, or to be used at the Property, from whatever source. Water quality tests can include not only tests for bacteria, such as coliform, but also tests for organic and inorganic chemicals, metals, mineral content and gross alpha testing for radioactivity. Broker recommends that Buyer consult with a licensed, qualified well and pump company and local government agency to determine whether any well/spring or water system will adequately serve Buyer's intended use and that Buyer have a well consultant perform an extended well output test for this purpose. Water well or spring capacity, quantity output and quality may change at any time. There are no guarantees as to the future water quality, quantity or duration of any well or spring. If Buyer wants further information, Broker(s) recommend that Buyer obtain an inspection of the condition, age, adequacy and performance of all components of the well/spring and any water system during Buyer's inspection contingency period. Brokers do not have expertise in this area.

- 13. WOOD DESTROYING PESTS:** Buyer and Seller are advised that the presence of, or conditions likely to lead to the presence of infestation or infection of wood destroying pests and organisms may adversely affect the Property. Inspection reports covering these items can be separated into two sections: Section 1 identifies areas where infestation or infection is evident. Section 2 identifies areas where there are conditions likely to lead to infestation or infection. If Buyer wants further information, Buyer is advised and Broker recommends that Buyer have the Property inspected for the existence of such conditions and organisms, and conditions that may lead to their formation, by a registered structural pest control company during Buyer's inspection contingency period. Brokers do not have expertise in this area.
- 14. FIRE HARDENING, DEFENSIBLE SPACE, AND WILDFIRE DISASTERS:** California is subject to wildfires which have resulted in damage and destruction of many properties located in the state. Several recent state laws have mandated disclosures by sellers when selling properties in certain identified zones, such as "high" or "very high" fire severity zones. Additionally, state law mandates that sellers provide buyers with statements of compliance with local mandates if adopted by local agencies. The Property may be located in a high or very high fire severity zone. This may impact the availability of insurance and the ability to build or rebuild structures on the Property. Additionally, there may be requirements that certain fire prevention steps may be mandated. Information on fire hardening, including current building standards and information on minimum annual vegetation management standards to protect homes from wildfires, can be obtained on the internet website <http://www.readyforwildfire.org>. Cal Fire has made available a "Fire Hazard Severity Zone Viewer" where you can input the Property address to determine which fire hazard zone, if any, that the Property is located in. The viewer is available at <https://egis.fire.ca.gov/FHSZ/>. Below is a partial list of potential resources provided as a starting point for Buyer/Lessee investigations and not as an endorsement or guarantee that any federal, state, county, city or other resource will provide complete advice.
- A. California Department of Insurance ("Wildfire Resource") <http://insurance.ca.gov/01-consumers/140-catastrophes/WildfireResources.cfm>; 1-800-927-4357
 - B. Governor's Office of Emergency Services "Cal OES" California Wildfires Statewide Recovery Resources <http://wildfirerecovery.org/>
 - C. California Department of Forestry and Fire "Cal Fire" <http://fire.ca.gov/> and <https://www.readyforwildfire.org/>
 - D. California Department of Transportation <https://calsta.ca.gov/>
 - E. California Attorney General <https://oag.ca.gov/consumers/pricegougingduringdisasters#8C1>

Brokers do not have expertise in this area.

B. Property Use and Ownership

- 1. ACCESSORY DWELLING UNITS:** Accessory Dwelling Units (ADUs) are known by many names: granny flats, in-law units, backyard cottages, secondary units and more. California has passed laws to promote the development of ADUs. Additional information about ADUs can be found at <http://hcd.ca.gov/policy-research/AccessoryDwellingUnits.shtml>. Buyer is advised to check with appropriate government agencies or third party professionals to verify permits and legal requirements and the effect of such requirements on current and future use and rentability of the Property, its development and size. Brokers do not have expertise in this area.
- 2. BUILDING PERMITS, ZONING AND CODE COMPLIANCE:** Buyer and Seller are advised that any structure on the Property, including the original structure and any addition, modification, remodel or improvement may have been built without permits, not according to building codes, or in violation of zoning laws. Further, even if such structure was built according to the then-existing code or zoning requirement, it may not be in compliance with current building standards or local zoning. It is also possible that local law may not permit structures that now exist to be rebuilt in the event of damage or destruction. Certain governmental agencies may require periodic inspections to occur in the future. If Buyer wants further information, Broker(s) recommend that Buyer discuss the issue with an appropriate professional during Buyer's inspection contingency period. Brokers do not have expertise in this area.
- 3. BUYER INTENDED FUTURE USE OF, AND MODIFICATIONS TO, THE PROPERTY:** Buyer and Seller are advised that Seller's existing use of the property may not be consistent with Buyer's intended use or any future use that Buyer makes of the property, whether or not Buyer has any current plans to change the use. Buyer is advised to check with appropriate government agencies or third party professionals to verify what legal requirements are needed to accommodate any change in use. In addition, neither Seller nor Broker make any representations as to what modifications Buyer can make to the Property after close of escrow as well as any cost factors associated with any such modifications. Buyer is advised to check with his own licensed contractor and other such professionals as well as with the appropriate government agencies to determine what modifications Buyer will be allowed to make after close of escrow. Brokers do not have expertise in this area.

4. **CALIFORNIA FAIR PLAN:** Buyer and Seller are advised that insurance for certain hillside, oceanfront and brush properties may be available only from the California Fair Plan. This may increase the cost of insurance for such properties and coverage may be limited. Broker(s) recommend that Buyer consult with Buyer's own insurance agent during Buyer's inspection contingency period regarding the availability of coverage under the California Fair Plan and the length of time it may take for processing of a California Fair Plan application. Brokers do not have expertise in this area.
5. **FUTURE REPAIRS, REPLACEMENTS AND REMODELS:** Buyer and Seller are advised that replacement or repairs of certain systems or rebuilding or remodeling of all or a portion of the Property may trigger requirements that homeowners comply with laws and regulations that either come into effect after Close of Escrow or are not required to be complied with until the replacement, repair, rebuild or remodel has occurred. Permit or code requirements or building standards may change after Close of Escrow, resulting in increasing costs to repair existing features. If Buyer wants further information, Broker recommends that Buyer discuss the issue with an appropriate professional during Buyer's inspection contingency period. Brokers do not have expertise in this area.
6. **HEATING VENTILATING AND AIR CONDITIONING SYSTEMS:** Changes to state and federal energy efficiency regulations impact the installation, replacement and some repairs of heating and air conditioning units (HVAC): (i) Federal regulations now require manufacturers of HVAC units to produce only units meeting a new higher Seasonal Energy Efficiency Rating (SEER). This will likely impact repairs and replacements of existing HVAC units. State regulations now require that when installing or replacing HVAC units, with some exceptions, duct work must be tested for leaks. Duct work leaking more than 15 percent must be repaired to reduce leaks. The average existing duct work typically leaks 30 percent. More information is available at the California Energy Commission's website <https://www.energy.ca.gov/programs-and-topics/programs/home-energy-rating-system-hers-program>. Home warranty policies may not cover such inspections or repairs, (ii) the phase out of the use of HCFC-22 (R-22 Freon) will have an impact on repairs and replacement of existing air conditioning units and heat pumps. The production and import of HCFC-22 ended January 1, 2020. Existing systems may continue to be used and HCFC-22 recovered and reclaimed or that was produced prior to 2020 can help meet the needs of existing systems, however, costs may rise. More information is available from the Environmental Protection Agency at https://www.epa.gov/sites/production/files/2018-08/documents/residential_air_conditioning_and_the_phaseout_of_hcfc-22_what_you_need_to_know.pdf and <http://www.epa.gov/ozone/title6/phaseout/22phaseout.html>, and (iii) New efficiency standards are also in place for water heaters. As a consequence, replacement water heaters will generally be larger than existing units and may not fit in the existing space. Additional venting and other modifications may be required as well. More information is available from the U.S. Department of Energy at http://www.eere.energy.gov/buildings/appliance_standards/product.aspx/productid/27. If Buyer wants further information, Broker recommends that Buyer discuss the issue with an appropriate professional during Buyer's inspection contingency period. Brokers do not have expertise in this area.
7. **HISTORICAL DESIGNATION, COASTAL COMMISSION, ARCHITECTURAL, LANDSCAPE, AGRICULTURAL OR OPEN SPACE AND OTHER RESTRICTIONS ON BUILDINGS OR IMPROVEMENTS:** Buyer and Seller are advised that the Property may be: (i) designated as a historical landmark, (ii) protected by a historical conservancy, (iii) subject to an architectural or landscaping review process, (iv) within the jurisdiction of the California Coastal Commission or other government agency, or (v) subject to a contract preserving use of all or part of the Property for agriculture or open space. If the Property is so designated or within the jurisdiction of any such, or similar, government agency, then there may be restrictions or requirements regarding Buyer's ability to develop, remove or trim trees or other landscaping, remodel, make improvements to and build on or rebuild the Property. Broker(s) recommend that Buyer satisfy him/herself during Buyer's inspection contingency period if any of these issues are of concern to Buyer. Brokers do not have expertise in this area.
8. **INSURANCE, TITLE INSURANCE AND TITLE INSURANCE AFTER FORECLOSURE:** Buyer and Seller are advised that Buyer may have difficulty obtaining insurance regarding the Property if there has been a prior insurance claim affecting the Property or made by Buyer but unrelated to the Property. Seller is required by C.A.R. Form RPA to disclose known insurance claims made during the past five years (C.A.R. Form SPQ or ESD). Sellers may not be aware of claims prior to their ownership. If Buyer wants further information, Broker(s) recommend that, during Buyer's inspection contingency period, Buyer conduct his or her own investigation for past claims. Buyer may need to obtain Seller's consent in order to have access to certain investigation reports. If the Property is a condominium, or is located in a planned unit development or other common interest subdivision, Buyer and Seller are advised to determine if the individual unit is covered by the Homeowner's Association Insurance and the type of insurance coverage that Buyer may purchase. Broker(s) recommend that Buyer consult Buyer's insurance agents during Buyer's inspection contingency period to determine the need, availability and possibility of securing any and all forms of other insurance or coverage or any conditions imposed by insurer as a requirement of issuing insurance. If Buyer does any repairs to the property during the escrow period or Buyer takes possession prior to Close of Escrow or Seller remains in possession after Close of Escrow, whether for a limited or extended period of time, Broker(s) recommend that Buyer and Seller each consult with their own insurance agent regarding insurance or coverage that could protect them in the transaction (including but not limited to: personal property, flood, earthquake, umbrella and renter's). Buyer and Seller are advised that traditional title insurance generally protects Buyer's title acquired through the sale of the property. While all title insurance policies, as do all insurance policies, contain some exclusions, some title insurance policies contain exclusions for any liability arising from a previous foreclosure. This can occur when a short sale has occurred but the lender mistakenly has also proceeded with a foreclosure. Buyer is strongly advised to consult with a title insurer to satisfy themselves that the policy to be provided adequately protects their title to the property against other possible claimants. Brokers do not have expertise in this area.
9. **LAND LEASE:** Buyer and Seller are advised that certain developments are built on leased land. This means that: (i) Buyer does not own the land, (ii) the right to occupy the land will terminate at some point in time, (iii) the cost to lease

the land may increase at some point in the future, and (iv) Buyer may not be able to obtain title insurance or may have to obtain a different type of title insurance. If Buyer wants further information, Broker recommends that Buyer discuss the issue with an attorney or other appropriate professional. Brokers do not have expertise in this area.

10. MARIJUANA, CANNABIS, AND METHAMPHETAMINE LABS: Buyer and Seller are advised that California law permits individual patients to cultivate, possess and use marijuana for medical purposes. Furthermore, California law permits primary caregivers, lawfully organized cooperatives, and collectives to cultivate, distribute and possess marijuana for medicinal purposes. California law also allows recreational use of marijuana for adults, as well as limited rights for individuals to grow and cultivate marijuana, and rights of others, subject to a licensing process, to grow, cultivate and distribute marijuana for recreational use. California's medical and recreational marijuana laws are in direct conflict with federal law which recognizes no lawful use for marijuana and has no exemptions for medical use. Federal criminal penalties, some of which mandate prison time, remain in effect for the possession, cultivation and distribution of marijuana. Buyer and Seller are strongly advised to seek legal counsel as to the legal risks and issues surrounding owning or purchasing a property where medical or any other marijuana activity is taking place. Marijuana storage, cultivation and processing carry the risk of causing mold, fungus or moisture damage to a property, additionally, some properties where marijuana has been cultivated have had alterations to the structure or the electrical system which may not have been done to code or with permits and may affect the safety of the structure or the safe operation of the electrical system. Buyer is strongly advised to retain an environmental hygienist contractor and other appropriate professionals to inspect a property where medical or any other marijuana activity has taken place. Broker recommends that Buyer and Seller involved with a property where there is medical marijuana activity or where it may take place review the California Attorney General's Guidelines for the "Security and Non-Diversion of Marijuana Grown for Medical Use" <https://oag.ca.gov/system/files/attachments/press-docs/MEDICINAL%20CANNABIS%20Guidelines.pdf> and the U.S. Department of Justice memo regarding marijuana prosecutions at <https://www.justice.gov/opa/press-release/file/1022196/download>. Brokers do not have expertise in this area. While no state law permits the private production of methamphetamine, some properties have been the site of an illegal methamphetamine laboratory. State law imposes an obligation to notify occupants, a ban on occupying the property and clean up requirements when authorities identify a property as being contaminated by methamphetamine. Buyer is advised that a property where methamphetamine has been produced may pose a very serious health risk to occupants. Buyer is strongly advised to retain an environmental hygienist contractor or other appropriate professionals to inspect the property if methamphetamine production is suspected to have taken place. Brokers do not have expertise in this area.

11. OWNER'S TITLE INSURANCE: The Truth in Lending/RESPA integrated disclosure (TRID) established by the Consumer Financial Protection Bureau (CFPB) requires that lenders must tell borrowers that title insurance is "optional." While obtaining an owner's policy of title insurance may be "optional", it may be a contractual requirement as between Buyer and Seller. Furthermore, California Civil Code § 1057.6 requires that Buyers be provided with the following notice: "IMPORTANT: IN A PURCHASE OR EXCHANGE OF REAL PROPERTY, IT MAY BE ADVISABLE TO OBTAIN TITLE INSURANCE IN CONNECTION WITH THE CLOSE OF ESCROW SINCE THERE MAY BE PRIOR RECORDED LIENS AND ENCUMBRANCES WHICH AFFECT YOUR INTEREST IN THE PROPERTY BEING ACQUIRED. A NEW POLICY OF TITLE INSURANCE SHOULD BE OBTAINED IN ORDER TO ENSURE YOUR INTEREST IN THE PROPERTY THAT YOU ARE ACQUIRING."

Additionally, even the CFPB on its "ask CFPB" "What is owner's title insurance?" page advises "You may want to buy an owner's title insurance policy, which can help protect your financial interest in the home." Moreover, not obtaining an owner's policy may increase the cost of the lender's policy (required by most lenders), possibly require the separate purchase of a preliminary title report, and may have an impact on the sale of the Property in the future.

Buyers who decide to opt out of obtaining an owner's title insurance policy are acting against the advice of Brokers as well as the advice provided in the California Civil Code § 1057.6 and by the CFPB. Brokers do not have expertise in this area.

12. RENT AND EVICTION CONTROL LAWS AND ORDINANCES: Buyer and Seller are advised that California and some cities and counties impose or may impose restrictions that limit the rent that can be charged to a tenant, the maximum number of tenants who can occupy the property, the right of a landlord to terminate a tenancy and the costs to do so. If Buyer wants further information, Broker(s) recommend that Buyer investigate the issue with an appropriate government authority or HOA during Buyer's inspection contingency period. Brokers do not have expertise in this area.

13. RETROFIT, BUILDING REQUIREMENTS, AND POINT OF SALE REQUIREMENTS: Buyer and Seller are advised that state and local Law may require (i) the installation of operable smoke detectors, (ii) bracing or strapping of water heaters, and (iii) upon sale completion of a corresponding written statement of compliance that is delivered to Buyer. Although not a point of sale or retrofit obligation, state law may require the property to have operable carbon monoxide detection devices. Additionally, some city and county governments may impose additional retrofit standards at time of sale including, but not limited to, installing or retrofitting low-flow toilets and showerheads, gas shut-off valves, fireplaces, and tempered glass. Further, there may be potential health impacts from air pollution caused from burning wood. Exposure to particulate matter from the smoke may cause short-term and long-term health effects. Buyers should consult with licensed professional to inspect, properly maintain, and operate a wood burning stove or fireplace. Broker(s) recommend that Buyer and Seller consult with the appropriate government agencies, inspectors, and other professionals to determine the retrofit standards for the Property, the extent to which the Property complies with such standards, and the costs, if any, of compliance. Brokers do not have expertise in this area.

14. SHORT TERM RENTALS AND RESTRICTIONS: Buyer and Seller are advised that some cities, counties and Homeowner Associations (HOAs) do impose or may impose restrictions that limit or prohibit the right of the owner or occupant to rent-out the Property for short periods of time (usually 30 Days or less). In short term rentals, as well as all rentals, Buyer and

Seller are advised to seek assistance to ensure compliance with all fair housing laws and regulations. If Buyer wants further information, Broker(s) recommend that Buyer investigate the issue with an appropriate government authority or HOA during Buyer's inspection contingency period. Brokers do not have expertise in this area.

- 15. VIEWS:** Buyer and Seller are advised that present views from the Property may be affected by future development or growth of trees and vegetation on adjacent properties and any other property within the line of sight of the Property. Brokers make no representation regarding the preservation of existing views. If Buyer wants further information, Broker(s) recommend that Buyer review covenants, conditions and restrictions, if any, and contact neighboring property owners, government agencies and homeowner associations, if any, during Buyer's inspection contingency period. Brokers do not have expertise in this area.
- 16. SWIMMING POOL, SECURITY AND SAFETY:** Buyer and Seller are advised that state and local Law may require the installation of barriers, anti-entrapment grates, access alarms, self-latching mechanisms, pool covers, exit alarms and/or other measures to decrease the risk to children and other persons of existing swimming pools and hot tubs, as well as various fire safety and other measures concerning other features of the Property. Compliance requirements differ from city to city and county to county. Unless specifically agreed, the Property may not be in compliance with these requirements. If Buyer wants further information, Broker(s) recommend that Buyer contact local government agencies about these restrictions and other requirements. State law requires that new pools and spas be equipped with at least two of seven specified drowning prevention safety features. Home inspectors have a statutory obligation to perform a non-invasive physical examination of the pool area to identify which safety features are present. Brokers do not have expertise in this area.
- 17. WATER SHORTAGES AND CONSERVATION:** Buyer and Seller are advised that the Property may be located in an area that could experience water shortages. The policies of local water districts and the city or county in which the Property is located can result in the occurrence of any or all of the following: (i) limitations on the amount of water available to the Property, (ii) restrictions on the use of water, and (iii) an increasingly graduated cost per unit of water use, including, but not limited to, penalties for excess usage. For further information, Broker recommends that Buyer contact the supplier of water to the Property regarding the supplier's current or anticipated policies on water usage and to determine the extent to which those policies may affect Buyer's intended use of the Property. If the Property is serviced by a private well, Buyer is advised that drought conditions and/or a low water table may make it necessary to arrange, through a private supplier, for delivery of water to the Property. Buyers should contact water truck companies for the costs involved. Brokers do not have expertise in this area.
- 18. 1915 IMPROVEMENT BOND MELLO-ROOS COMMUNITY DISTRICT, AND OTHER ASSESSMENT DISTRICTS:** Buyer and Seller are advised that the Property may be subject to an improvement bond assessment under the Improvement Bond Act of 1915, a levy of a special tax pursuant to a Mello-Roos Community Facilities district, and/or a contractual assessment as provided in § 5898.24 of the Streets And Highways Code or other assessment districts. Seller is generally required to make a good faith effort to obtain a disclosure notice from any local agency collecting such taxes and deliver such notice to Buyers. If there is a question as to whether an existing bond or assessment will be prorated as of the close of escrow, or whether Seller will pay off the bond or assessment at close of escrow, Buyers are advised to discuss the matter with the appropriate entity and address the responsibility for payment in negotiations for the purchase agreement or amendment prior to removing contingencies. Some cities and other localities have begun, or have the intention to begin, the process of requiring the replacement of utility poles by requiring that utility lines be buried underground. These projects can result in special tax assessments and set-up costs that are imposed on individual property owners. Brokers do not have expertise in this area.

C. Off-Site and Neighborhood Conditions

- 1. GOLF COURSE DISCLOSURES:** Buyer and Seller are advised that if the Property is located adjacent to or near a golf course the following may apply: (i) Stray golf balls – Any residence near a golf course may be affected by errant golf balls, resulting in personal injury or destruction to property. Golfers may attempt to trespass on adjacent property to retrieve golf balls even though the project restrictions may expressly prohibit such retrieval. (ii) Noise and lighting – The noise of lawn mowers irrigation systems and utility vehicles may create disturbances to homeowners. Maintenance operations may occur in the early morning hours. Residents living near the clubhouse may be affected by extra lighting, noise, and traffic. (iii) Pesticides and fertilizer use – A golf course may be heavily fertilized, as well as subjected to other chemicals during certain periods of the year. (iv) Irrigation system – Golf course sprinkler systems may cause water overspray upon adjacent property and structures. Also the irrigation system of a golf course may use reclaimed and retreated wastewater. (v) Golf carts – Certain lots may be affected more than others by the use of golf carts. Lots adjacent to a tee or putting green may be subject to noise disturbances and loss of privacy. (vi) Access to golf course from residences – It is likely that most residences will not have direct access from their lots to the golf course. The project restrictions may disclaim any right of access or other easements from a resident's lot onto the golf course. (vii) View obstruction – Residents living near a golf course may have their views over the golf course impacted by maturing trees and landscaping or by changes to the course's configuration. (viii) Water restrictions – As some municipalities face water shortages, the continued availability of water to the golf course may be restricted or otherwise reduced by the local water agency. If Buyer wants further information, Broker(s) recommend that Buyer contact the local water agency regarding this matter. Brokers do not have expertise in this area.
- 2. NEIGHBORHOOD, AREA, PERSONAL FACTORS, BUYER INTENDED USE, HIGH SPEED RAILS, AND SMOKING RESTRICTIONS:** Buyer and Seller are advised that the following may affect the Property or Buyer's intended use of it: neighborhood or area conditions, including schools, proximity and adequacy of law enforcement, crime, fire protection,

other government services, availability, adequacy and cost of any speed-wired, wireless internet connections or other telecommunications or other technology services and installations, proximity to medical marijuana growing or distribution locations, cell phone towers, manufacturing, commercial, industrial, airport or agricultural activities or military ordnance locations, existing and proposed transportation, construction, and development, any other source that may affect noise, view, traffic, or odor, wild and domestic animals, susceptibility to tsunami and adequacy of tsunami warnings, other nuisances, hazards, or circumstances, protected species, wetland properties, botanical diseases, historic or other governmentally-protected sites or improvements, cemeteries, conditions and influences of significance to certain cultures and/or religions, and personal needs, requirements and preferences of Buyer and FAA requirements for recreational and non-recreational use of Unmanned Aircraft Systems (UAS) (drones) (see UAS frequently asked questions <http://www.faa.gov/uas/faqs/>). California is potentially moving toward high speed rail service between Northern and Southern California. This rail line could have an impact on the Property if it is located nearby. More information on the timing of the project and routes is available from the California High-Speed Rail Authority at www.cahighspeedrail.ca.gov/. The State of California has long-standing no smoking laws in place restricting smoking in most business and some public spaces. Local jurisdictions may enact laws that are more restrictive than state law. Many California cities have enacted restrictions on smoking in parks, public sidewalks, beaches and shopping areas. Some jurisdictions have restrictions entirely banning smoking inside privately owned apartments and condominiums as well as in the common areas of such structures, or limiting smoking to certain designated areas. If Buyer wants further information, Broker(s) recommend that Buyer contact local government agencies about these restrictions. Brokers do not have expertise in this area.

3. **NEIGHBORHOOD NOISE SOURCES:** Buyer and Seller are advised that even if the Property is not in an identified airport noise influence area, the Property may still be subject to noise and air disturbances resulting from airplanes and other aircraft, commercial or military or both, flying overhead. Other common sources of noise include nearby commercial districts, schools, traffic on streets, highways and freeways, trains and general neighborhood noise from people, dogs and other animals. Noise levels and types of noise that bother one person may be acceptable to others. Buyer is advised to satisfy him/herself with regard to any sources of and amounts of noise at different times of day and night. Brokers do not have expertise in this area.
4. **SCHOOLS:** Buyer and Seller are advised that children living in the Property may not, for numerous reasons, be permitted to attend the school nearest the Property. Various factors including, but not limited to, open enrollment policies, busing, overcrowding and class size reductions may affect which public school serves the Property. School district boundaries are subject to change. Buyer is advised to verify whether the Property is now, and at the Close of Escrow will be, in the school district Buyer understands it to be in and whether residing in the Property entitles a person to attend any specific school in which that Buyer is interested. Broker(s) recommend that Buyer contact the local school or school district for additional information during Buyer's inspection contingency period. Brokers do not have expertise in this area.
5. **UNDERGROUND PIPELINES AND UTILITIES:** Throughout California underground pipelines transport natural gas, liquid fuel and other potentially hazardous materials. These pipelines may or may not provide utility services to the Property. Information about the location of some of the pipelines may be available from a company that also provides disclosures of natural and other hazards or from other sources of public maps or records. Proximity to underground pipelines, in and of itself, does not affirmatively establish the risk or safety of the property. If Buyer wants further information about these underground pipelines and utilities, Buyer is advised to consult with appropriate experts during Buyer's inspection contingency period. Brokers do not have expertise in this area.
6. **WILDLIFE:** California is the home to many species of wildlife. The location of homes in California continues to expand into areas that are the natural habitat of wildlife and the Property may be in such an area. Wildlife may become a nuisance especially if the availability of their natural sources of food or water is limited. Buyer should investigate the need to implement mitigation measures at the Property including but not limited to the use of animal-resistant garbage containers, and other appropriate measures depending on the species and habitat involved. Brokers do not have expertise in this area.
7. **SEA LEVEL RISE/COASTAL PROPERTIES:** Sea level rise has the potential to affect coastal residents, recreation, and development. Coastal communities may or may not have addressed the potential impact. The following is a non-exclusive list of issues that may be impacted by sea level rise: (i) Shoreline, beach and bluff erosion, and flooding; (ii) The effectiveness of seawalls and bulkheads, whether built with or without permits; (iii) Seaward construction, development or improvement to existing structures; (iv) The enactment of geological hazard abatement districts and assessments; and (v) The location of the "mean high tide line" which is used to delineate shoreline boundaries for some coastal properties.

Below is a non-exhaustive list of potential resources provided as a starting point for Buyer investigations into sea level rise, and not as an endorsement or guarantee that any federal, state, county, city or other resource will provide complete advice.

- A. California Coastal Commission contact information: <https://www.coastal.ca.gov/contact/#/>
- B. State Lands Commission contact information: <https://www.slc.ca.gov/contact-us/>
- C. National Oceanic and Atmospheric Administration (sea level rise page): <https://coast.noaa.gov/slr/>
- D. California Coastal Commission (sea level rise page): <https://www.coastal.ca.gov/climate/slr/>
- E. Federal Emergency Management Agency (FEMA): <https://www.fema.gov/flood-maps>; <https://msc.fema.gov>

If Buyer wants further information, Broker recommends that Buyer discuss the issue with an appropriate professional during Buyer's inspection contingency period. Brokers do not have expertise in this area.

D. Legal Requirements (Federal, State and Local)

1. **DEATH ON THE PROPERTY:** California Civil Code § 1710.2 protects a seller from: (i) failing to disclose a death on the property that occurred more than 3 years before a buyer has made an offer on a property; and (ii) failing to disclose if an occupant of a property was afflicted with HIV/AIDS, regardless of whether a death occurred or if so, when § 1710.2 does not protect a seller from making a misrepresentation in response to a direct inquiry. If the Buyer has any concerns about whether a death occurred on the Property or the manner, location, details or timing of a death, the buyer should direct any specific questions to the Seller in writing. Brokers do not have expertise in this area.
2. **EARTHQUAKE FAULT ZONES AND SEISMIC HAZARD ZONES:** Buyer and Seller are advised that California Public Resources Code §§ 2622 and 2696 require the delineation and mapping of "Earthquake Fault Zones" along known active faults and "Seismic Hazard Zones" in California. Affected cities and counties must regulate certain development projects within these zones. Construction or development on affected properties may be subject to the findings of a geological report prepared by a registered California geologist. Generally, Seller must disclose if the Property is in such a zone and can use a research company to aid in the process. If Buyer wants further information, Broker recommends that, during Buyer's inspection contingency period, Buyer make independent inquiries with such research companies or with appropriate government agencies concerning the use and improvement of the Property. Buyer is advised that there is a potential for earthquakes and seismic hazards even outside designated zones. Brokers do not have expertise in this area.
3. **EPA's LEAD-BASED PAINT RENOVATION, REPAIR AND PAINTING RULE:** The new rule requires that contractors and maintenance professionals working in pre-1978 housing, child care facilities, and schools with lead-based paint be certified; that their employees be trained; and that they follow protective work practice standards. The rule applies to renovation, repair, or painting activities affecting more than six square feet of lead-based paint in a room or more than 20 square feet of lead-based paint on the exterior. Enforcement of the rule begins October 1, 2010. See the EPA website at <http://www.epa.gov/lead> for more information. Buyer and Seller are advised to consult an appropriate professional. Brokers do not have expertise in this area.
4. **FIRE HAZARDS:** Buyer and Seller are advised that fires annually cause the destruction of thousands of homes. Due to varied climate and topography, certain areas have higher risks of fires than others. Certain types of materials used in home construction create a greater risk of fire than others. If the Property is located within a State Fire Responsibility Area or a Very High Fire Hazard Zone, generally Seller must disclose that fact to Buyer under California Public Resources Code § 4136 and California Government Code §§ 51178 and 51183.5, and may use a research company to aid in the process. Owners of property may be assessed a fire prevention fee on each structure on each parcel in such zones. The fee may be adjusted annually commencing July 1, 2013. If Buyer wants further information, Broker recommends that, during Buyer's inspection contingency period, Buyer contact the local fire department and Buyer's insurance agent regarding the risk of fire. Buyer is advised that there is a potential for fires even outside designated zones. Brokers do not have expertise in this area.
5. **FIRPTA/CALIFORNIA WITHHOLDING:** Buyer and Seller are advised that: (i) Internal Revenue Code § 1445, as of February 17, 2016, requires a Buyer to withhold and to remit to the Internal Revenue Service 15% of the purchase price of the property if the Seller is a non-resident alien, unless an express exemption applies. Only 10% needs to be withheld if the Buyer acquires the property as Buyer's residence and the price does not exceed \$1,000,000. Seller may avoid withholding by providing Buyer a statement of non-foreign status. The statement must be signed by Seller under penalty of perjury and must include Seller's tax identification number. Buyer can also avoid having to withhold Federal taxes from Seller's Proceeds if the property price is \$300,000 or less, and the Buyer signs an affidavit stating Buyer intends to occupy the property as a principal residence. (ii) California Revenue and Taxation Code § 18662 requires that a Buyer withhold and remit to the California Franchise Tax Board 3 1/3% of the purchase price of the property unless the Seller signs an affidavit that the property was the Seller's (or the decedent's, if a trust or probate sale) principal residence or that the sales price is \$100,000 or less or another express exemption applies. Exemptions from withholding also apply to legal entities such as corporations, LLCs, and partnerships. Brokers cannot give tax or legal advice. Broker recommends that Buyer and Seller seek advice from a CPA, attorney or taxing authority. Brokers do not have expertise in this area.
6. **FLOOD HAZARDS:** Buyer and Seller are advised that if the Property is located within a Special Flood Hazard Area, as designated by the Federal Emergency Management Agency (FEMA), or an area of Potential Flooding pursuant to California Government Code § 8589.3, generally Seller must disclose this fact to Buyer and may use a research company to aid in the process. The National Flood Insurance Program was established to identify all flood plain areas and establish flood-risk zones within those areas. The program mandates flood insurance for properties within high-risk zones if loans are obtained from a federally-regulated financial institution or are insured by any agency of the United States Government. The extent of coverage and costs may vary. If Buyer wants further information, Broker(s) recommend that Buyer consult his or her lender and/or insurance agent during Buyer's inspection contingency period. Buyer is advised that there is a potential for flooding even outside designated zones. Brokers do not have expertise in this area.
7. **MEGAN'S LAW DATABASE DISCLOSURE:** Notice: Pursuant to § 290.46 of the Penal Code, information about specific registered sex offenders is made available to the public via an Internet Web site maintained by the Department of Justice at <http://www.meganslaw.ca.gov/>. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the community of residence and ZIP Code in which he or she resides. (Neither Seller nor Brokers, in any, are required to check this website. If Buyer wants further information, Buyer should obtain information directly from this website.) Brokers do not have expertise in this area.

- 8. NOTICE OF YOUR SUPPLEMENTAL PROPERTY TAX BILL; ACCURATE SALES PRICE REPORTING:** Buyer and Seller are advised that pursuant to Civil Code § 1102.6(c), Seller, or his or her agent, is required to provide the following notice to the Buyer:

“California property tax law requires the Assessor to revalue real property at the time the ownership of property changes. Because of this law, you may receive one or two supplemental tax bills, depending on when your loan closes.

The supplemental tax bills are not mailed to your lender. Even if you have arranged for your property tax payments to be paid through an impound account, the supplemental tax bills will not be paid by your lender. It is your responsibility to pay these supplemental bills directly to the Tax Collector. If you have any questions concerning this matter, please call your Tax Collector's Office.”

Although the notice refers to loan closing as a trigger, it is actually the change of ownership which triggers this reassessment of property taxes. Therefore, the Property can be reassessed even if there is no loan involved in the purchase of the Property. The Purchase Agreement may allocate supplemental tax bills received after the Close of Escrow to the Buyer. A change (preliminary change) of ownership form is generally required to be filed by the Buyer with the local taxing agency. The form identifies the sales price of the Property. An assessor may value the Property at its fair market value regardless of the sales price declared by the Buyer. If Buyer wants further information concerning these matters, Broker(s) recommend that Buyer discuss the issue with the County Assessor or Tax Collector or their own tax or legal advisor. Brokers do not have expertise in this area.

- 9. ZONE MAPS MAY CHANGE:** Maps that designate, among other things, Earthquake Fault Zones, Seismic Hazard Zones, State Fire Responsibility Areas, Very High Fire Hazard Zones, Special Flood Hazard Areas, and Potential Flooding Areas are occasionally redrawn by the applicable Government Agency. Properties that are currently designated in a specified zone or area could be removed and properties that are not now designated in a specified zone or area could be placed in one or more such zones or areas in the future. A property owner may dispute a FEMA flood hazard location by submitting an application to FEMA. Brokers do not have expertise in this area.

E. Contract Related Issues and Terms

- 1. SIGNING DOCUMENTS ELECTRONICALLY:** The ability to use electronic signatures to sign legal documents is a great convenience, however Buyers and Sellers should understand they are signing a legally binding agreement. Read it carefully. Although electronic signature programs make it easy to skip from one signature or initial line to another, Buyers and Sellers are cautioned to only sign if they have taken the time necessary to read each document thoroughly, understand the entire document, and agree to all of its terms. Do not just scroll through or skip to the next signature or initial line, even if you have reviewed an earlier draft of the document. If you have questions or do not understand a provision, before you sign ask your Broker, Agent or legal advisor about the contract term and sign only if you agree to be bound by it. Some signature or initial lines are optional, such as for the liquidated damages and arbitration clauses. Consider your decision before signing or initialing. See below for more information on the liquidated damages and arbitration clauses. If there are more than one buyer or seller, each must sign or initial on their own. Do not sign or initial for anyone else unless you have a power of attorney for that person or are otherwise legally authorized, in writing, to sign or initial for another. Print or electronically store a copy of the document for your own records. Brokers do not have expertise in this area.
- 2. LIQUIDATED DAMAGES:** Buyer and Seller are advised that a liquidated damages clause is a provision Buyer and Seller can use to agree in advance to the amount of damages that a seller will receive if a buyer breaches the Agreement. The clause usually provides that a seller will retain a buyer's initial deposit paid if a buyer breaches the agreement, and generally must be separately initialed by both parties and meet other statutory requirements to be enforceable. For any additional deposits to be covered by the liquidated damages clause, there generally must be another separately signed or initialed agreement (see C.A.R. Form DID). However, if the Property contains from 1 to 4 units, one of which a buyer intends to occupy, California Civil Code Section 1675 limits the amount of the deposit subject to liquidated damages to 3% of the purchase price. Even though both parties have agreed to a liquidated damages clause, an escrow company will usually require either a judge's or arbitrator's decision or instructions signed by both parties in order to release a buyer's deposit to a seller. Buyers and Sellers must decide on their own, or with the advice of legal counsel, whether to agree to a liquidated damages clause. Brokers do not have expertise in this area.
- 3. MEDIATION:** Buyer and Seller are advised that mediation is a process by which the parties hire a neutral person to facilitate discussion and negotiation between the parties with the goal of helping them reach a settlement of their dispute. The parties generally share in the cost of this confidential, non-binding negotiation. If no agreement is reached, either party can pursue further legal action. Under C.A.R. Form RPA: (i) the parties must mediate any dispute arising out of their agreement (with a few limited exceptions, such as matters within the jurisdiction of a small claims court) before they resort to arbitration or court, and (ii) if a party proceeds to arbitration or court without having first attempted to mediate the dispute, that party risks losing the right to recover attorney fees and costs even if he or she prevails. Brokers do not have expertise in this area.
- 4. ARBITRATION:** Buyer and Seller are advised that arbitration is a process by which the disputing parties hire a neutral person to render a binding decision. Generally, arbitration is faster and less expensive than resolving disputes by litigating in court. The rules are usually less formal than in court, and it is a private process not a matter of public record. By agreeing to arbitration, the parties give up the right to a jury trial and to appeal the arbitrator's decision. Arbitration

decisions have been upheld even when arbitrators have made a mistake as to the law or the facts. If the parties agree to arbitration, then after first attempting to settle the dispute through mediation, any dispute arising out of their agreement (with a few limited exceptions) must be submitted to binding arbitration. Buyer and Seller must weigh the benefits of a potentially quicker and less expensive arbitration against giving up the right to a jury trial and the right to appeal. Brokers cannot give legal advice regarding these matters. Buyers and Sellers must decide on their own, or with the advice of legal counsel, whether to agree to arbitration. Brokers do not have expertise in this area.

5. **ESCROW FUNDS:** Buyer and Seller are advised that California Insurance Code § 12413.1 provides that escrow companies cannot disburse funds unless there are sufficient "good funds" to cover the disbursement. "Good funds" are defined as cash, wire transfers and cashiers' or certified checks drawn on California depositories. Escrow companies vary in their own definitions of "good funds." Broker(s) recommend that Buyer and Seller ask the escrow company regarding its treatment of "good funds." All samples and out-of-state checks are subject to waiting periods and do not constitute "good funds" until the money is physically transferred to and received by the escrow holder. Brokers do not have expertise in this area.
6. **HOME WARRANTY:** Buyer and Seller are advised that Buyer and Seller can purchase home warranty plans covering certain standard systems of the Property both before and after Close of Escrow. Seller can obtain coverage for the Property during the listing period. For an additional premium, an upgraded policy providing additional coverage for air conditioning, pool and spa and other features can be purchased. Home warranties do not cover every aspect of the Property and may not cover inspections or upgrades for repairs required by state or federal laws or pre-existing conditions. Broker(s) recommend that Buyer review the policy for details. Brokers do not have expertise in this area.
7. **IDENTIFICATION OF NATURAL PERSONS BEHIND SHELL COMPANIES IN ALL-CASH TRANSACTIONS:** The U.S. Treasury Department's Financial Crimes Enforcement Network (FinCEN) has issued Geographic Targeting Orders (GTOs) targeting alleged money laundering risk in the real estate sector. The GTOs will temporarily require U.S. title insurance companies to identify the natural persons behind shell companies used to pay "all cash" for high- end residential real estate in certain major metropolitan areas. FinCEN explained that it remains concerned that all- cash purchases (i.e., those without bank financing) may be conducted by individuals attempting to hide their assets and identity by purchasing residential properties through limited liability companies or other similar structures. Since the original issuance, the GTOs have been renewed and may continue to be renewed. The GTOs cover the following areas in California: Los Angeles, San Francisco, San Mateo, Santa Clara and San Diego Counties. The monetary thresholds for each county is \$300,000. GTOs have helped law enforcement identify possible illicit activity. FinCEN reported that a significant portion of covered transactions have dictated possible criminal activity associated with the individuals reported to be the beneficial owners behind shell company purchasers. Brokers do not have expertise in this area.
8. **NON CONFIDENTIALITY OF OFFERS:** Buyer is advised that Seller or Listing Agent may disclose the existence, terms, or conditions of Buyer's offer, unless all parties and their agent have signed a written confidentiality agreement (such as C.A.R. Form CND). Whether any such information is actually disclosed depends on many factors, such as current market conditions, the prevailing practice in the real estate community, the Listing Agent's marketing strategy and the instructions of the Seller. Brokers do not have expertise in this area.
9. **ONLINE OR WIRE FUNDS TRANSFERS:** Instructions for the online or wire transfer of escrow deposits have been known to be intercepted by hackers who alter them so that Buyer's funds are actually wired to accounts controlled by criminals rather than the escrow company. Buyers should exercise extreme caution in making electronic funds transfers, verifying that the organization they are transferring funds to is, in fact, the escrow company and that their own bank account information is not being exposed. See C.A.R. Form WFA for further information. Brokers do not have expertise in this area.

F. Other Factors Affecting Property

1. **COMMUNITY ENHANCEMENT AND PRIVATE TRANSFER FEES:** Buyer and Seller are advised that some areas or communities may have enhancement fees or user-type fees, or private transfer taxes and fees, over and above any stated fees. The Federal Housing Finance Agency has issued a rule that prohibits Fannie Mae and Freddie Mac from purchasing loans made on properties with private transfer fees if those fees were established on or after February 8, 2011. See title 12 Code of Federal Regulations § 1228 for more information and exceptions. Private transfer fees: (i) may last for a fixed period of time or in perpetuity, (ii) are typically calculated as a percentage of the sales price, and (iii) may have private parties, charitable organizations or interest-based groups as their recipients who may use the funds for social issues unrelated to the property. Brokers do not have expertise in this area.
2. **GENERAL RECALL/DEFECTIVE PRODUCT/CLASS ACTION INFORMATION:** Buyer and Seller are advised that government entities and manufacturers may at any time issue recall notices and/or warnings about products that may be present in the Property, and that these notices or warnings can change. The following nonexclusive, non-exhaustive list contains examples of recalled/defective products/class action information: horizontal furnaces, Whirlpool Microwave Hood Combination; RE-ConBuilding products roof tiles; Central Sprinkler Company Fire Sprinklers; Robert Shaw Water Heater Gas Control Valves; Trex Decking; water heaters; aluminum wiring; galvanized, abs, polybutylene PEX, KITEC® and copper pipe; and dry wall manufactured in China. There is no single, all-inclusive source of information on product recalls, defective products or class actions; however, the U.S. Consumer Product Safety Commission (CPSC) maintains a website that contains useful information. If Buyer wants further information regarding the items listed above, Broker(s) recommend that Buyer review the CPSC website at

<http://www.cpsc.gov/> during Buyer's inspection contingency period. Another source affiliated with the CPSC is <http://saferproducts.gov/> which allows a Buyer to search by product type or product name. Buyer may also search using the various search engines on the Internet for the specified product or products in question. Brokers recommend that Buyer satisfy themselves regarding recalled or defective products. Brokers will not determine if any aspect of the Property is subject to a recall or is affected by a class action lawsuit. Brokers do not have expertise in this area.

3. **HOMEOWNER ASSOCIATIONS AND COVENANTS, CONDITIONS AND RESTRICTIONS ("CC&Rs"); CHARGING STATIONS; FHA/VA APPROVAL:** Buyer and Seller are advised that if the Property is a condominium, or located in a planned unit development, or in a common interest subdivision, there are typically restrictions on use of the Property and rules that must be followed. Restrictions and rules are commonly found in Declarations and other governing documents. Further there is likely to be a homeowner association (HOA) that has the authority to affect the Property and its use. Whether or not there is a HOA, the Property may still be subject to CC&Rs restricting use of the Property. The HOA typically has the authority to enforce the rules of the association, assess monetary payments (both regular monthly dues and special assessments) to provide for the upkeep and maintenance of the common areas, and enforce the rules and assessment obligations. If you fail to abide by the rules or pay monies owed to the HOA, the HOA may put a lien against your Property. Additionally, if an electric vehicle charging station is installed in a common area or an exclusive use common area, each Seller whose parking space is on or near that charging station must disclose its existence and that the Buyer will have the responsibilities set forth in California Civil Code § 4745. The law requires the Seller to provide the Buyer with the CC&Rs and other governing documents, as well as a copy of the HOA's current financial statement and operating budget, among other documents. Effective July 1, 2016, a Common Interest Development (CID) will be required to include in its annual budget report a separate statement describing the status of the CID as a Federal Housing Administration or Department of Veterans Affairs approved Development. While the purchase agreement and the law require that the annual budget be provided by Seller to Buyer, Brokers will not and cannot verify the accuracy of information provided by the CID. Buyer is advised to carefully review all HOA documents provided by Seller and the CC&Rs, if any, and satisfy him/herself regarding the use and restrictions of the Property, the amount of monthly dues and/or assessments, the adequacy of reserves, current and past insurance coverage and claims, and the possibility of any legal action that may be taken by or against the HOA. The HOA may not have insurance or may not cover personal property belonging to the owner of the unit in the condominium, common interest or planned unit development. For more information Buyer may request from Broker the C.A.R. Legal Q&A titled: "Homeowners' Associations: A Guide for REALTORS®". Brokers do not have expertise in this area.
4. **LEGAL ACTION:** Buyer and Seller are advised that if Seller or a previous owner was involved in a legal action (litigation or arbitration) affecting the Property, Buyer should obtain and review public and other available records regarding the legal action to determine: (i) whether the legal action or any resolution of it affects Buyer and the Property, (ii) if any rights against any parties involved in the legal action survive the legal action or have been terminated or waived as a result of the legal action, whether or not involving the same issue as in the legal action, and (iii) if any recommendations or requirements resulting from the legal action have been fulfilled and, if so, that Buyer is satisfied with any such action. Buyer should seek legal advice regarding these matters. Brokers do not have expertise in this area.
5. **MARKETING; INTERNET ADVERTISING; INTERNET BLOGS; SOCIAL MEDIA:** Buyer and Seller are advised that Broker may employ a "staging" company to assist in the presentation of the Property. The furnishings and decorations in the staging are generally not included in the sale unless specifically noted in the Agreement. Statements and inclusion in the MLS entry, flyers, and other marketing materials are NOT part of the Agreement. In addition, Broker may employ a service to provide a "virtual tour" or "virtual staging" or Internet marketing of the Property, permitting potential buyers to view the Property over the Internet. While they are supposed to be an accurate representation of the property, the photos may be enhanced and not fully representative of the actual condition of the property. Further, neither the service provider nor Broker have total control over who will obtain access to materials placed on the internet or what action such persons might take. Additionally, some Internet sites and other social media provide formats for comments or opinions of value of properties that are for sale. Information on the Property, or its owner, neighborhood, or any homeowner association having governance over the Property may be found on the internet on individual or commercial web sites, blogs, Facebook pages, or other social media. Any such information may be accurate, speculative, truthful or lies, and it may or may not reflect the opinions or representations by the Broker. Broker will not investigate any such sites, blogs, social media or other internet sites or the representations contained therein. Buyer is advised to make an independent search of electronic media and online sources prior to removing any investigation contingency. Buyer and Seller are advised that Broker has no control over how long the information or photos concerning the Property will be available on the Internet or through social media, and Broker will not be responsible for removing any such content from the internet or MLS. Brokers do not have expertise in this area.
6. **PACE LOANS AND LIENS:** The acronym PACE stands for Property Assessed Clean Energy. PACE programs allow property owners to finance energy and water conservation improvements and pay for them through an assessment on the owner's property. PACE programs are available in most areas for both residential one to four unit properties and commercial properties. PACE programs may be referred to by different names such as HERO or SCEIP, among others. If a PACE project is approved, an assessment lien is placed on a property for the amount owed plus interest. A property owner repays the entity for the improvements as a special tax assessment on the property tax bill over

a period of years. A PACE lien is similar to a property tax lien in that it has "super priority." Sellers are obligated to disclose, pursuant to the C.A.R. Residential Purchase Agreement (C.A.R. Form RPA), whether any improvement is subject to a lien such as a PACE lien. Properties that are subject to PACE liens made on or after July 6, 2010 may not be eligible for financing. For more information, Buyer may request from Broker the C.A.R. Legal Q&A titled: "PACE Programs and Solar Leases". Brokers do not have expertise in this area.

7. **RE-KEYING:** All locks should be re-keyed immediately upon close of escrow so as to ensure the Buyer's safety and security of their persons as well as their personal belongings. Alarms, if any, should be serviced by professionals and codes should be changed. Garage door openers and remotes should be re-coded. In the event of a lease back to Seller after the close of escrow, Seller is advised that the Buyer is entitled to the keys as the Owner of the Property even though the Seller stays in possession of the Property as provided in the RPA. Brokers do not have expertise in this area.
8. **SOLAR PANEL LEASES:** Solar panel or power systems may be owned or leased. Although leased systems are probably personal property, they are included in the sale by the C.A.R. purchase agreement which also obligates the Seller to make a disclosure to the Buyer and provide the Buyer with documentation concerning the lease and system. Leasing companies generally secure payments by filing a UCC-1 (a Uniform Commercial Code form giving notice of a creditor's security interest) against the property. Buyers are given a contingency right to investigate the solar related system and documentation and assume any lease. Assumption of the lease may require Buyer to provide financial information to the leasing company who may require a credit report be obtained on the Buyer. Should a solar panel or power system be on the Property, Buyers should determine if the system is leased or owned. Buyer's willingness to assume any such lease is a contingency in favor of Seller. For more information, Buyer may request from Broker the C.A.R. Legal Q&A titled: "PACE Programs and Solar Leases". Brokers do not have expertise in this area.
9. **RECORDING DEVICES:** Audio or video recording devices or both may be present on the Property, whether or not notice of any such devices has been posted. Seller may or may not even be aware of the capability of such devices. Brokers do not have expertise in this area.

SELLER'S ADVISORY (C.A.R. Form SA, Revised 12/15)

Property Address: 1271 Canyon Del Rey Blvd, Seaside, 93950

("Property")

1. INTRODUCTION: Selling property in California is a process that involves many steps. From start to finish, it could take anywhere from a few weeks to many months, depending upon the condition of your Property, local market conditions and other factors. You have already taken an important first step by listing your Property for sale with a licensed real estate broker. Your broker will help guide you through the process and may refer you to other professionals, as needed. This advisory addresses many things you may need to think about and do as you market your Property. Some of these things are requirements imposed upon you, either by law or by the listing or sale contract. Others are simply practical matters that may arise during the process. Please read this document carefully and, if you have any questions, ask your broker or appropriate legal or tax advisor for help.

2. DISCLOSURES:

A. General Disclosure Duties: You must affirmatively disclose to the buyer, in writing, any and all known facts that materially affect the value or desirability of your Property. You must disclose these facts whether or not asked about such matters by the buyer, any broker, or anyone else. This duty to disclose applies even if the buyer agrees to purchase your Property in its present condition without requiring you to make any repairs. If you do not know what or how to disclose, you should consult a real estate attorney in California of your choosing. Broker cannot advise you on the legal sufficiency of any disclosures you make. If the Property you are selling is a residence with one to four units except for certain subdivisions, your broker also has a duty to conduct a reasonably competent and diligent visual inspection of the accessible areas and to disclose to a buyer all adverse material facts that the inspection reveals. If your broker discovers something that could indicate a problem, your broker must advise the buyer.

B. Statutory Duties: (For one-to-four Residential Units):

(1) You must timely prepare and deliver to the buyer, among other things, a Real Estate Transfer Disclosure Statement ("TDS"), and a Natural Hazard Disclosure Statement ("NHD"). You have a legal obligation to honestly and completely fill out the TDS form in its entirety. (Many local entities or organizations have their own supplement to the TDS that you may also be asked to complete.) The NHD is a statement indicating whether your Property is in certain designated flood, fire or earthquake/seismic hazard zones. Third-party professional companies can help you with this task.

(2) Depending upon the age and type of construction of your Property, you may also be required to provide and, in certain cases you can receive limited legal protection by providing, the buyer with booklets entitled "The Homeowner's Guide to Earthquake Safety," "The Commercial Property Owner's Guide to Earthquake Safety," "Protect Your Family From Lead in Your Home" and "Environmental Hazards: A Guide For Homeowners and Buyers." Some of these booklets may be packaged together for your convenience. The earthquake guides ask you to answer specific questions about your Property's structure and preparedness for an earthquake. If you are required to supply the booklet about lead, you will also be required to disclose to the buyer any known lead-based paint and lead-based paint hazards on a separate form. The environmental hazards guide informs the buyer of common environmental hazards that may be found in properties.

(3) If you know that your property is: (i) located within one mile of a former military ordnance location; or (ii) in or affected by a zone or district allowing manufacturing, commercial or airport use, you must disclose this to the buyer. You are also required to make a good faith effort to obtain and deliver to the buyer a disclosure notice from the appropriate local agency(ies) about any special tax levied on your Property pursuant to the Mello-Roos Community Facilities Act, the Improvement Bond Act of 1915, and a notice concerning the contractual assessment provided by section 5898.24 of the Streets And Highways Code (collectively, "Special Tax Disclosures").

(4) If the TDS, NHD, or lead, military ordnance, commercial zone or Special Tax Disclosures are provided to a buyer after you accept that buyer's offer, the buyer will have 3 days after delivery (or 5 days if mailed) to terminate the offer, which is why it is extremely important to complete these disclosures as soon as possible. There are certain exemptions from these statutory requirements; however, if you have actual knowledge of any of these items, you may still be required to make a disclosure as the items can be considered material facts.

C. Death and Other Disclosures: Many buyers consider death on real property to be a material fact in the purchase of property. In some situations, it is advisable to disclose that a death occurred or the manner of death; however, California Civil Code Section 1710.2 provides that you have no disclosure duty "where the death has occurred more than three years prior to the date the transferee offers to purchase, lease, or rent the real property, or [regardless of the date of occurrence] that an occupant of that property was afflicted with, or died from, Human T-Lymphotropic Virus Type III/Lymphadenopathy-Associated Virus." This law does not "immunize an owner or his or her agent from making an intentional misrepresentation in response to a direct inquiry from a transferee or a prospective transferee of real property, concerning deaths on the real property."

D. Condominiums and Other Common Interest Subdivisions: If the Property is a condominium, townhouse, or other property in a common interest subdivision, you must provide to the buyer copies of the governing documents, the most recent financial statements distributed, and other documents required by law or contract. If you do not have a current version of these documents, you can request them from the management of your homeowner's association. To avoid delays, you are encouraged to obtain these documents as soon as possible, even if you have not yet entered into a purchase agreement to sell your Property.

3. CONTRACT TERMS AND LEGAL REQUIREMENTS:

A. Contract Terms and Conditions: A buyer may request, as part of the contract for the sale of your Property, that you pay for repairs to the Property and other items. Your decision on whether or not to comply with a buyer's requests may affect your ability to sell your Property at a specified price.

- B. Withholding Taxes:** Under federal and California tax laws, a buyer is required to withhold a portion of the purchase price from your sale proceeds for tax purposes unless you sign an affidavit of non-foreign status and California residency, or some other exemption applies and is documented.
- C. Prohibition Against Discrimination:** Discriminatory conduct in the sale of real property against individuals belonging to legally protected classes is a violation of the law.
- D. Government Required Repairs, Replacements and Alterations:** Under State law, Property owners with limited exceptions, are required to: (1) Install operable smoke alarms and brace water heaters and provide a Buyer with a statement of compliance. Existing operable smoke alarms, that met compliance standards when installed, do not have to be removed even if not up to current legal requirements. Smoke alarms that are added or that replace older versions must comply with current law; and (2) install carbon monoxide detection devices. Some city and county governments may impose additional requirements, including, but not limited to, installing low-flow toilets and showerheads, gas shut-off valves, tempered glass, and barriers around swimming pools and spas. You should consult with the appropriate governmental agencies, inspectors, and other professionals to determine which requirements apply to your Property, the extent to which your Property complies with such requirements, and the costs, if any, of compliance.
- E. EPA's LEAD-BASED PAINT RENOVATION, REPAIR AND PAINTING RULE:** The new rule requires that contractors and maintenance professionals working in pre-1978 housing, child care facilities, and schools with lead-based paint be certified; that their employees be trained; and that they follow protective work practice standards. The rule applies to renovation, repair, or painting activities affecting more than six square feet of lead-based paint in a room or more than 20 square feet of lead-based paint on the exterior. Enforcement of the rule begins October 1, 2010. See the EPA website at www.epa.gov/lead for more information.
- F. Legal, Tax and Other Implications:** Selling your Property may have legal, tax, insurance, title or other implications. You should consult an appropriate professional for advice on these matters.

4. MARKETING CONSIDERATIONS:

- A. Pre-Sale Inspections and Considerations:** You should consider doing what you can to prepare your Property for sale, such as correcting any defects or other problems, making cosmetic improvements, and staging. Many people are not aware of defects in or problems with their own Property. One way to make yourself aware is to obtain professional inspections prior to sale. Pre-sale inspections may include a general property inspection; an inspection for wood destroying pest and organisms (Structural Pest Control Report) and an inspection of the septic or well systems, if any, among others. By doing this, you then have an opportunity to make repairs before your Property is sold, which may enhance its marketability. Keep in mind, however, that any problems revealed by such inspection reports or repairs that have been made, whether or not disclosed in a report, should be disclosed to the buyer (see "Disclosures" in paragraph 2 above). This is true even if the buyer gets his/her own inspections covering the same area. Obtaining inspection reports may also assist you during contract negotiations with the buyer. For example, if a Structural Pest Control Report has both a primary and secondary recommendation for clearance, you may want to specify in the purchase agreement those recommendations, if any, for which you are going to pay.
- B. Post-Sale Protections:** It is often helpful to provide the buyer with, among other things, a home protection/warranty plan for the Property. These plans will generally cover problems, not deemed to be pre-existing, that occur after your sale is completed. In the event something does go wrong after the sale, and it is covered by the plan, the buyer may be able to resolve the concern by contacting the home protection company.
- C. Safety Precautions:** Advertising and marketing your Property for sale, including, but not limited to, holding open houses, placing a keysafe/lockbox, erecting FOR SALE signs, and disseminating photographs, video tapes, and virtual tours of the premises, may jeopardize your personal safety and that of your Property. You are strongly encouraged to maintain insurance, and to take any and all possible precautions and safeguards to protect yourself, other occupants, visitors, your Property, and your belongings, including cash, jewelry, drugs, firearms and other valuables located on the Property, against injury, theft, loss, vandalism, damage, and other harm.
- D. Expenses:** You are advised that you, not the Broker, are responsible for the fees and costs, if any, to comply with your duties and obligations to the buyer of your Property.

MARKET CONDITIONS ADVISORY

(C.A.R. Form MCA, Revised 12/21)

1. MARKET CONDITIONS: Real estate markets are cyclical and can change over time. It is impossible to predict future market conditions with accuracy. In a competitive or “hot” real estate market, there are generally more Buyers than Sellers. This will often lead to multiple buyers competing for the same property. As a result, in order to make their offers more attractive, some Buyers may offer more than originally planned or eliminate certain contingencies in their offers. In a less competitive or “cool” market there are generally more Sellers than Buyers, often causing real estate prices to level off or drop, sometimes precipitously. The sales price of homes being sold as foreclosures and short sales is difficult to anticipate and can affect the value of other homes in the area. Brokers, appraisers, Sellers and Buyers take these “distressed” property sales and listings into consideration when valuing property. In light of the real estate market's cyclical nature it is important that Buyers understand the potential for little or no appreciation in value, or an actual loss in value, of the property they purchase. This Advisory discusses some of the potential risks inherent in changing market conditions.

2. BUYER CONSIDERATIONS:

A. OFFERING PRICE: AS A BUYER, YOU ARE RESPONSIBLE FOR DETERMINING THE PRICE YOU WANT TO OFFER FOR A PROPERTY. Although Brokers may provide you with comparable sales data, generally from information published in the local multiple listing service, you should know that the reporting of this data is often delayed and prices may change, up or down, faster than reported sales indicate. All buyers should be sure they are comfortable with the price they are offering or the price they are accepting in a counter offer. You should be aware of and think about the following: **(i)** If your offer is accepted, the property's value may not increase and may even decrease. **(ii)** If your offer is accepted, you may have “Buyer's remorse” that you paid too much. **(iii)** If your offer is rejected there can be no guarantee that you will find a similar property at the same price. **(iv)** If your offer is rejected, you may not be satisfied that the amount you offered was right for you. Only you can determine that your offer was reasonable and prudent in light of the property and your circumstances.

B. NON-CONTINGENT OFFERS: Most residential purchase agreements contain contingencies allowing a Buyer within a specified period of time to cancel a purchase if: **(i)** the Buyer cannot obtain a loan; **(ii)** is dissatisfied with the property's condition after an inspection; or **(iii)** if the property does not appraise at a certain value. To make their offers more attractive, Buyers will sometimes write offers with few or no contingencies or offer to remove contingencies within a short period of time. In a “hot” market, sellers will sometimes insist that Buyers write offers with no contingencies. Broker recommends that Buyers do not write non-contingent offers and if you do so, you are acting against Broker's advice. However, if you do write a non-contingent offer these are some of the contractual rights you may be giving up:

(1) LOAN CONTINGENCY: If you give up your loan contingency, and you cannot obtain a loan, whether through your fault or the fault of your lender, and as a result, you do not or cannot purchase the property, you may legally be in default under the contract and required to pay damages or forfeit your deposit to the seller.

(2) APPRAISAL CONTINGENCY: If your lender's (or your own) appraiser does not believe the property is worth what you have agreed to pay for it, your lender may not loan the full amount needed for the purchase or may not loan any amount at all because of a low appraisal. As a result, if you do not purchase the property, and you have removed your appraisal contingency, you may legally be in default under the contract and could be required to pay damages to, or forfeit your deposit to, the Seller. The Seller is not obligated to reduce the purchase price to match the appraised value.

(3) INVESTIGATION CONTINGENCY: If you disapprove of the condition of the property and as a result, you do not purchase the property, you may legally be in default under the contract and required to pay damages to, or forfeit your deposit to, the Seller if you have removed your investigation contingency. This may also include the ability to insure the property, so you should investigate this early in the process. However, even if you make an offer without an investigation contingency or you remove that contingency, the Seller may still be obligated to disclose to you material facts about the property. In some cases, once you receive that information the law gives you an independent right to cancel for a limited period of time.

There is inherent risk in writing a non-contingent offer. Only you, after careful consultation and deliberation with your attorney, accountant, or financial advisor can decide how much risk you are willing to take. IT IS YOUR DECISION ALONE AND CANNOT BE MADE BY YOUR BROKER OR REAL ESTATE AGENT.

C. BROKER RECOMMENDATIONS. Broker recommends that you do not write a non-contingent offer, even if you are planning on paying all cash for the property. If you intend to write a non-contingent offer, Broker recommends that, prior to writing the offer, you: **(i)** review all available Seller reports, disclosures, information and documents; **(ii)** have an appropriate professional inspect the property (even if it is being sold “as is” in its present condition); and **(iii)** carefully assess your financial position and risk with your attorney, accountant or financial advisor.

D. MULTIPLE OFFERS: At times Buyers may write offers on more than one property even though the Buyer intends to purchase only one. This may occur in a short sale when the approval process can take a considerable amount of time, or it could also occur in a hot market when the Buyer is having difficulty getting an offer accepted. While it is not illegal to make offers on multiple properties with intent to purchase only one, the Buyer can be obligated to many Sellers if more than one accepts the Buyer's offers. Additionally, if any offer is accepted without contingencies, and the buyer does not perform, there can be a breach. If the Buyer has not disclosed that the Buyer is writing multiple offers with the intent to purchase only one and the Buyer subsequently cancels without using a contingency created for this purpose, the Seller may claim the Buyer is in breach of contract because the Buyer fraudulently induced the Seller to enter into a contract. This claim may even be possible when the Buyer has all the standard contingencies remaining in the contract, as the Seller could argue that a cancellation for this reason would not fall under the good faith exercise of any of the those contingencies.

3. SELLER CONSIDERATIONS: As a Seller, you are responsible for determining the asking price for your property. Although Brokers may provide you with comparable sales data, generally from information published in the local multiple listing service, you should know that the reporting of this data is often delayed and prices may change, up or down, faster than reported sales indicate. All Sellers should be sure they are comfortable with the asking price they are setting and the price they are accepting. There is not, and cannot be, any guarantee that the price you decide to ask for your property, or the price at which you agree to sell your property is the highest available price obtainable for the property. It is solely your decision as to how much to ask for your property and at which price to sell your property.
