ANNUAL WORK PLANS

This is a standard template for use by Boards and Commissions in completing their annual Work Plans. Work Plans are based on a fiscal year rather than a calendar year. Work Plans are to be completed by each Board and Commission and approved at a regular Board or Commission meeting no later than April 1 of each year. The Office of the City Clerk will then transmit the Work Plans to the City Council for approval in May.

PLEASE USE THE FOLLOWING INSTRUCTIONS WHEN COMPLETING THE WORK PLAN:

Cover Sheet (Page 1)

This area should include the name of the Board or Commission, the timeframe covered by the Work Plan (i.e. Fiscal Year 2022, July 1, 2022 – June 30, 2023), members' names, Chairperson's name, and vacancies as of April 1. Do not list Commissioner addresses or phone numbers on the Work Plan. This page will need to be updated each year.

Mission Statement (Page 2)

This area of the Work Plan should clearly state the mission of the Board or Commission. The mission may be extracted from the enabling legislation (i.e. Ordinance, Board action, Resolution) that formed the Board or Commission or may be a purpose statement approved by the Board or Commission and derived from the enabling legislation. This section may also contain the roles and responsibilities of the Board or Commission. This page may not need to be updated each year.

Historical Background (Page 2)

This area should provide the reader with some historical information about the Board or Commission (i.e. when it was formed, issues of focus in years' past, significant outcomes of work by the Board or Commission). NOTE: Accomplishments from the previous year should not be discussed here – there is another area on the Work Plan where this is done. This page may not need to be updated each year.

Fiscal Year Work Plan (Page 3)

This area should provide the goals/objectives (no more than five) of the Work Plan, the activities planned to accomplish the goals, the priority ranking of each goal and the timeline anticipated to accomplish the goal. This page will need to be updated each year.

Prior Year Accomplishments (Page 4)

This area should address the prior year Work Plan accomplishments including each goal/objective, activities that supported the successful completion of the goal and the status of the goal. The status column should inform the reader whether the goal was a) completed, b) not started and why, c) in process and expected completion date, or d) eliminated and why. This page will need to be updated each year.

Ongoing Projects (Page 5)

This area provides the Board or Commission with an opportunity to inform the reader of ongoing projects that the Board or Commission is continuing to work on. This page may not need to be updated each year.
