**SUBJECT:**  
**DRAFT 2023-2024 ANNUAL ACTION PLAN (AAP)  
FOR THE COMMUNITY DEVELOPMENT BLOCK  
GRANT (CDBG) PROGRAM**

---

**PURPOSE**

Consider the draft Fiscal Year 2023-2024 Annual Action Plan (AAP) for the Community Development Block Grant (CDBG) Program and recommend its adoption to the City Council

**BACKGROUND**

The City of Seaside is a recipient of federal Community Development Block Grant funding and is a designated Entitlement City. As required under U.S. Department of Housing and Urban Development (HUD) regulations, the City of Seaside has prepared its Fiscal Year 2023-2024 Annual Action Plan for its community development programs (FY23-24 Action Plan). The FY23-24 Action Plan, which covers the period of July 1, 2023 through June 30, 2024, encapsulates the fourth year of the 2020–2024 Consolidated Plan. The FY23-24 Action Plan for the City of Seaside satisfies federal requirements to receive Community Development Block Grant (CDBG) funds from HUD for Fiscal Year 2023-2024 (FY23-24).

The FY23-24 Action Plan describes the projects and activities that the City of Seaside is proposing to undertake utilizing funds made available by HUD under the CDBG program. The plan also describes community development projects and activities that will be implemented utilizing federal and non-federal funding sources.

In FY23-24, the City anticipates receiving approximately \$348,646 (\$8,001 less than last year) in fiscal year 2023-2024 in CDBG funds from the U.S. Department of Housing and Urban Development (HUD). The City has also received \$102,920 in program income, which will be available for allocation during FY23-24. Because the City of Seaside operates its CDBG program on a two-year application and funding cycle, all projects, activities, and funding included in this Annual Action Plan were approved by the Seaside

City Council on March 17, 2022 as part of the 2022-2024 CDBG application and funding cycle.

In FY23-24, the City of Seaside intends to fund the following activities. As a result of the decrease in the City’s annual CDBG allocation, the Public Service and CDBG Program Planning and Administration amounts have been adjusted in accordance with the approved Contingency Plan outlined below.

<b>Public Facilities and Infrastructure</b>			
1	Boys and Girls Club	Gymnasium improvements	\$50,000
2	Community Human Services	Genesis House improvements	\$40,000
3	City of Seaside, Engineering Department	Cutino Park improvements	\$250,000
<b>Subtotal</b>			<b>\$340,000</b>
<b>Public Services (capped at 15%)</b>			
1	Legal Services for Seniors	Legal services for seniors	\$12,086
2	Greater Victory Temple	After school tutoring program	\$12,086
3	Girls Inc of Central Coast	Youth services	\$12,086
4	Meals On Wheels of Monterey Peninsula	Home delivered meals program	\$12,086
5	Gathering for Women Monterey	Case management	\$10,000
6	Eden Council for Hope and Opportunity	Fair housing services	\$9,390
<b>Subtotal</b>			<b>\$67,734</b>
<b>CDBG Program Planning and Administration (capped at 20%)</b>			
1	City of Seaside	CDBG Planning and Administration	\$43,832
<b>Grant Total</b>			<b>\$451,566</b>

**CONTINGENCY PLAN**

As part of the FY22-24 application cycle, the City of Seaside City Council also approved the following contingency plan in the event of a decrease or increase in actual CDBG allocation:

- 1. Public Services:** In the event of a decrease or increase in the CDBG allocation, the City will maintain the current approved amount of funding for Eden Council of Hope and Opportunity and Gathering for Women, and will proportionally increase or decrease budgets of the Greater Victory Temple, Legal Services for Seniors, Meals on Wheels of Monterey Peninsula, and Girls Inc of the Central Coastal.

The total amount of funding for public service activities shall not exceed 15% of the actual allocation plus prior year program income.

**2. Public Facilities and Infrastructure:** In the event of a substantial decrease (i.e. \$30,000 or more than what is estimated) in actual CDBG allocation, the City will proportionately decrease the amounts for the three approved public facilities and infrastructure projects.

If the actual CDBG allocation is less than \$30,000 from the estimated amount, or if the actual allocation comes in higher than what is estimated, the City will maintain the City-Council approved funding allocations, which are as follows:

- a. \$250,000 per year to the City of Seaside Engineering Department for the Cutio Park improvement project;
- b. \$40,000 per year to Community Human Services for the Genisis House facility improvements; and
- c. \$50,000 per year to the Boys and Girls Club of Monterey County for the Seaside Clubhouse improvements.

**3. CDBG Program Administration and Planning:** CDBG program administration budget will be proportionally adjusted in the event of a decrease or increase in actual allocation. The total amount of funding for program administration shall not exceed 20% of the actual allocation plus current year program income.

#### **CITIZEN PARTICIPATION AND PUBLIC OUTREACH:**

The draft FY2023-24 Annual Action Plan was posted on the CDBG Program webpage on March 19, 2023 for public review. A Public Notice (in English and Spanish) regarding the proposed FY2023-24 Annual Action Plan was also circulated in the Monterey County Weekly on March 16, 2023. The City will allow for a 30-day public comment period effective Monday, March 20, 2023 through Tuesday, April 18, 2023. All public comments received during the 30-day public review period or at the public hearing will be incorporated into the FY2023-24 Annual Action Plan and submitted to HUD.

#### **ENVIRONMENTAL REVIEW**

For purposes of the National Environmental Policy Act (NEPA) and the California Environmental Quality Act (CEQA), budgeting in itself is not a project. Prior to commitment or release of funds for each of the proposed projects, staff will carry out the required environmental reviews or assessments and certify that the review procedures under CEQA, HUD and NEPA regulations have been satisfied for each particular project.

**FISCAL IMPACT**

No fiscal impact on the General Fund.

### 1. Introduction

The City of Seaside is a recipient of federal Community Development Block Grant funding and is a designated Entitlement City. As required under U.S. Department of Housing and Urban Development (HUD) regulations, the City of Seaside has prepared its Fiscal Year 2023-2024 Annual Action Plan for its community development programs (FY23-24 Action Plan). The FY23-24 Action Plan for the City of Seaside satisfies federal requirements to receive Community Development Block Grant (CDBG) funds from HUD for Fiscal Year 2023-2024 (FY23-24).

The FY23-24 Action Plan describes the projects and activities that the City of Seaside is proposing to undertake utilizing funds made available by HUD under the CDBG program. The plan also describes community development projects and activities that will be implemented utilizing federal and non-federal funding sources.

In FY23-24, the City anticipates receiving approximately \$348,646 (\$8,001 less than last year) in fiscal year 2023-2024 in CDBG funds from the U.S. Department of Housing and Urban Development (HUD). The City has also received \$102,920 in program income, which will be available for allocation during FY23-24. Because the City of Seaside operates its CDBG program on a two-year application and funding cycle, all projects, activities, and funding included in this Annual Action Plan were approved by the Seaside City Council on March 17, 2022 as part of the 2022-2024 CDBG application and funding cycle.

In FY23-24, the City of Seaside intends to fund the following activities. As a result of the decrease in the City’s annual CDBG allocation, the Public Service and CDBG Program Planning and Administration amounts have been adjusted in accordance with the approved Contingency Plan outlined below.

<b>Public Facilities and Infrastructure</b>

## CONTINGENCY PLAN

As part of the FY22-24 application cycle, the City of Seaside City Council also approved the following contingency plan in the event of a decrease or increase in actual CDBG allocation:

1. **Public Services:** In the event of a decrease or increase in the CDBG allocation, the City will maintain the current approved amount of funding for Eden Council of Hope and Opportunity and Gathering for Women, and will proportionally increase or decrease budgets of the Greater Victory Temple, Legal Services for Seniors, Meals on Wheels of Monterey Peninsula, and Girls Inc of the Central Coastal.

The total amount of funding for public service activities shall not exceed 15% of the actual allocation plus prior year program income.

2. **Public Facilities and Infrastructure:** In the event of a substantial decrease (i.e. \$30,000 or more than what is estimated) in actual CDBG allocation, the City will proportionately decrease the amounts for the three approved public facilities and infrastructure projects.

If the actual CDBG allocation is less than \$30,000 from the estimated amount, or if the actual allocation comes in higher than what is estimated, the City will maintain the City-Council approved funding allocations, which are as follows:

- a. \$250,000 per year to the City of Seaside Engineering Department for the Cutio Park improvement project;
  - b. \$40,000 per year to Community Human Services for the Genisis House facility improvements; and
  - c. \$50,000 per year to the Boys and Girls Club of Monterey County for the Seaside Clubhouse improvements.
3. **CDBG Program Administration and Planning:** CDBG program administration budget will be proportionally adjusted in the event of a decrease or increase in actual allocation. The total amount of funding for program administration shall not exceed 20% of the actual allocation plus current year program income.

## 2. Summarize the objectives and outcomes identified in the Plan

The five-year CDBG program objectives identified in the 2020-2024 Consolidated Plan are summarized below. FY23-24 objectives and outcomes are described in the "Annual Goals and Objectives" section of this document.

- Access to community and social services
- Improve accessibility to persons with disabilities

- Provide quality facilities and infrastructure
- Promote beautification
- Assist microbusinesses
- Prevent, prepare for, and respond to the coronavirus pandemic

### **3. Evaluation of past performance**

Each year, the City is required to submit a Consolidated Annual Performance Evaluation Report (CAPER) to HUD, which reports on the activities that were funded with CDBG funds. The CAPER reports the amount spent on each project activity and the number of beneficiaries assisted. The City has submitted the required reports each year, and HUD has accepted the reports each year. The City of Seaside evaluates past performance and makes adjustments as needed to better serve the needs of the community. Additionally, all projects funded with CDBG funds are subject to annual monitoring to ensure compliance with HUD standards.

Year-end totals are not available for FY22-23; therefore, FY21-22 will be the primary source used to evaluate past performance.

In FY 2021-22, which began on July 1, 2021 and ended on June 30, 2022, the City of Seaside received \$378,038.00 in CDBG allocation and \$104,507.00 in program income for a total of \$482,545.00. The City also had additional funds carried over from previous program years.

Consistent with the strategic goals and priorities of the 2020-2024 Consolidated Plan and the 2021-22 Annual Action Plan (AAP), the City carefully evaluated and determined its community and housing needs. The City collaborated with local non-profits to carry out various projects and activities. During FY2021-22, the City expended \$450,005, which benefitted over 2,522 low and moderate-income seaside residents. Detailed summary of the FY2021-22 activities and accomplishments is included in the FY2021-22 CAPER, which is available at [www.ci.seaside.ca.us/CDBG](http://www.ci.seaside.ca.us/CDBG).

### **4. Summary of Citizen Participation Process and consultation process**

The City of Seaside has embraced a comprehensive Citizen Participation and consultation process that includes broad participation from the community. At each step in the process, the City ensures that low-and-moderate-income residents, members of minority groups, agencies involved in the provision of services to these populations, and others who are directly impacted by the programs and projects supported by the Consolidated Plan programs are actively involved. The Community and Economic Development Department staff conducted extensive outreach to engage a wide range of agencies, groups, organizations, and residents in the process of developing the 2020-2024 Five-Year Consolidated Plan and the 2022-24 funding cycle. This process included widespread public participation and input through postcards, workshops, community meetings, and public hearings. A comprehensive narrative and timeline of the Citizen Participation and Consultation processes are described in the subsequent sections of the document.

A draft of the FY23-24 Action Plan was publicized and made available for public comment for a 30-day public comment period that began on March 20, 2023 and will conclude on April 18, 2023. A public notice (in English and Spanish) was also circulated in the Monterey County Weekly to inform the public regarding the proposed FY23-24 Action Plan, the corresponding public review period, and City Council public hearing. The City will accept and consider all comments and submit to HUD. A summary of the public comments will be included in this document after the 30-day public review period has concluded.

**5. Summary of public comments**

This section will be completed once the 30-day public review period has concluded.

**6. Summary of comments or views not accepted and the reasons for not accepting them**

This section will be completed once the 30-day public review period has concluded.

**7. Summary**

Each year, the City of Seaside is required to prepare an Annual Action Plan specifying how resources will be allocated to address the priorities established in the Consolidated Plan. The 2023-2024 Annual Action Plan addresses three Strategic Plan Goals from the 2020-2024 Consolidated Plan by allocating approximately \$451,566 of CDBG funds to projects and activities to be implemented from July 1, 2023 to June 30, 2024.

## **AP-10 Consultation – 91.100, 91.200(b), 91.215(I)**

### **1. Introduction**

The City contacts and consults with public agencies, private agencies and city residents to get a better understanding of community needs for the plan year during the development of the FY 2023-24 Action Plan. For the Action Plan, the city consulted with the entities that are identified in the following sections.

#### **Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))**

The City of Seaside works collaboratively in all of its housing and community development efforts with other local governments, nonprofits, advocacy groups, and citizens. This collaboration takes place through the City’s cooperation with the Monterey County Continuum of Care (CoC) lead agency Coalition of Homeless Services Providers (CHSP), planning processes such as the City’s Housing Element and Consolidated Plan, and the CoC 10-Year Strategy to End Homelessness. Additionally, the City consulted a variety of agencies, including local and regional nonprofits, government organizations, faith-based organizations, and other organizations involved in the development of affordable housing, creation of job opportunities for low- and moderate-income residents, and/or provision of services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, and homeless persons. To facilitate this consultation, the City solicited feedback through the following methods:

- Individual stakeholder consultations
- Community meetings
- Public hearings
- Receipt of written comments

#### **Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.**

The City also intends to strengthen its collaboration with the Coalition of Homeless Services Providers (CHSP), which is the primary nonprofit organization for homeless support in Monterey and San Benito Counties. CHSP is a coalition of 11 service provider agencies for homeless persons, persons with AIDS/HIV, and other persons with special needs. The Coalition is the County’s designated Continuum of Care (CoC) Coordinator.

Additionally, the City has established a Homeless Commission to devise strategies and priority

actions to expand homeless services and provide supportive housing opportunities to elderly persons, disabled veterans, and other persons with special needs. Some of the specific strategies the City's Homeless Commission and City staff have implemented include:

- Collaborative engagement with homeless persons during outreach efforts and campaigns to assess needs
  - Encampments, Mobile Crisis Response, Vaccine Clinics, Food Distribution Sites
- Participation in local and County meetings in which some homeless individuals attend for opportunities to advocate for needs if accessibility is possible

The City continues its partnership with the Community Human Services and Veterans Transition Center, which provide transitional and permanent housing to homeless. Additionally, the City recruited a full time Family & Community Support Practitioner who seeks out homeless individuals and families to provide outreach services, which include connecting clients with immediate resources such as mental health services, general health services, substance abuse services, income services, identification documents and other documents necessary to help homeless persons meet the ultimate goal of finding shelter and housing.

In program year 2023, the City will provide public service funding to Gathering for Women for case management. Gathering for Women provides homeless women with supportive resources and a caring community.

**Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS**

The City of Seaside does not receive ESG funds from HUD. The City relies on the County of Monterey and nonprofit groups to perform these social service functions.

## Expected Resources

### AP-15 Expected Resources – 91.220(c)(1,2)

#### Introduction

In program year 2023-2024, the City anticipates receiving approximately \$348,646 in Community Development Block Grant (CDBG) funding from the U.S. Department of Housing and Urban Development (HUD). The City has also anticipates having \$102,920 in program income, which will be available for spending during the 2023-2024 program year.

#### Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 4				Expected Amount Available Remainder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin and Planning Economic Development Housing Public Improvements Public Services	348,646	102,920	-	451,566	480,450	

**Table 5 - Expected Resources – Priority Table**

#### **Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied**

The CDBG program has no matching requirement. Applicants for funding are asked to provide financial information in their application to indicate capacity to carry out the activity/project. Applications are submitted on the City Data Services data management portal and the attachments are housed on their server. On occasion, there are projects utilizing a variety of funding

sources such as the Veterans Transition Center utilizing a combination of funding for their regional project. The City is actively pursuing grants and awards for projects not otherwise funded with CDBG monies.

**If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan**

The City does not anticipate that the sale of publicly owned lands or properties would be used to acquire lands to achieve CDBG goals. Upgrading of infrastructure including publicly owned roads, sidewalks and public parks may address the needs in the plan particularly to improve accessibility.

**Discussion**

Faced with reduced resources, the City has made the choice to focus CDBG resources where the need is greatest. The community-identified areas of need are infrastructure and facilities improvements in low-income areas, including street and park accessibility improvements, and providing essential public services for youth and seniors. Activities such as the development of affordable housing and rental housing subsidy are beyond the scope of available resources. The City of Seaside paid off a Section 108 Loan during the last Consolidated Plan and has no Section 108 funds outstanding.

**Table 7 - Project Information**

#### Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Given the limited CDBG allocation, it is difficult to address all community needs. Both request for public services and public facilities and infrastructure projects far exceed the available funding. The City has made the choice to focus CDBG resources where the need is greatest. The community-identified areas of need are infrastructure and facilities improvements in low-income areas, including street and park accessibility improvements, and providing essential public services for youth and seniors. Activities such as the development of affordable housing and rental housing subsidy are beyond the scope of available resources.

DRAFT

**AP-50 Geographic Distribution – 91.220(f)**

**Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed**

The assistance will be directed to low/moderate needs throughout the City of Seaside. Should projects be proposed in HUD Qualified Census Tract 137, they will receive higher priority.

**Geographic Distribution**

<b>Target Area</b>	<b>Percentage of Funds</b>
City of Seaside	74
Qualified Census Tract 137	26

**Table 8 - Geographic Distribution**

**Rationale for the priorities for allocating investments geographically**

All of Seaside is considered a difficult development area by HUD, and Census Tract 137 is an Opportunity Zone and a Qualified Census Tract. Note that census tract is within the City of Seaside, but we are counting that percentage separately so that the total does not exceed 100%

**Discussion**

The City received requests for twice as much funding for public services projects as funding available. The COVID-19 shelter in place emergency has forced all applicants to adjust their programs and created a need for food distribution which the City addressed with CDBG-CV funds.

## **Affordable Housing**

### **AP-55 Affordable Housing – 91.220(g)**

#### **Introduction**

The Community and Economic Development Services staff is charged with the continuing responsibility to forge new partnerships with other public agencies at the federal, state, and local level as well as with private housing developers and nonprofit organizations. Additionally, the City works closely with a diverse group of nonprofit organizations to provide CDBG public service subrecipient funding.

Some of the currently underway housing initiatives and projects are as follows:

#### ***Accessory Dwelling Units (ADU) Efforts***

The City of Seaside encourages the development of Accessory Dwelling Units (ADUs) in existing residential neighborhoods. Building ADUs is seen as a way to increase the City's housing supply, aid in addressing the current housing crisis, and assist existing homeowners by providing an avenue for additional rental income.

To encourage ADU development, the City Council has removed some ADU building permit fees, streamlined the plan check process and set aside a water allocation to be provided exclusively to ADU applicants. From January 2020 to August 2021, forty-two (42) property owners have applied for building permits to create new or legalize existing ADUs. Forty (40) applicants have been approved for water allocations for their new ADU projects, and five (5) ADU building permits have been finalized and received occupancy certificates.

#### ***Campus Town***

The Campus Town project would allow for the development of 1,485 housing units, 250 hotel rooms, 150,000 square feet (sf) of Retail, Dining, and Entertainment, and 50,000 SF of Office, Flex, Makerspace (collaborative workspace) and Light Industrial, as well as park/recreational areas (including approximately nine acres of public open space and 3.3 acres of private open space), roadways, parking and supporting infrastructure, on approximately 122.23 acres generally located south of the California State University, Monterey Bay campus. Of the 1,485 housing units, 297 will be designated as affordable housing units. The project is proceeding through the planning process may break ground in early 2022.

#### ***Ascent***

The Ascent project will be the first new multi-family housing project to be built in Seaside in over 20 years, and will include a significant amount of affordable housing. Seaside City Council approved the project in November of 2019. The project is a ten building workforce rental housing development consisting of 106 one bedroom, two bedroom, three bedroom units and

townhouses along Olympia Ave and Broadway Ave, with 16 of those being affordable units. The project is also proposing 4,000 square feet of retail space, a shared vehicular court and green space areas for residents. This development will accelerate the City's improvements for the Downtown district and realize the City priorities of growing upward, increasing our affordable housing supply and becoming more transit and pedestrian-friendly. The developer recently submitted project plans for permit approval. The project should break ground by fall of 2021.

***Parker Flats Apartments***

The Parker Flats Apartments project consists of the rehabilitation and renovation of two (2) existing former military nursing barracks on the former Fort Ord to create a total of forty (40) two-bedroom multi-family residential units. The Developer will restrict eight (8) rental housing units to occupancy by low-income households for a period of thirty (30) years. The project has been approved by City Council and in the process of developing plans for submission for planning approval.

**Discussion**

There continues to be a need for housing units for extremely low-, very low- and low- income households. In response, the City will continue to explore opportunities with regional public service providers, local nonprofit housing developers, and neighboring jurisdictions for the development of new housing units in the region.

**AP-60 Public Housing – 91.220(h)**

**Introduction**

The primary public organization for affordable housing and supportive services in the City is the

Housing Authority of the County of Monterey (HACM), a public housing authority whose mission is to develop and operate affordable housing and implement supportive programs. The Housing Authority manages a Section 8 Housing Choice Voucher (HCV) program and Family Self Sufficiency programs. Both programs are essential in meeting Seaside's housing needs.

**Actions planned during the next year to address the needs to public housing**

As of June 30, 2016, HACM has converted all public housing units countywide into Project-Based Rental Assistance. The City will coordinate with the Leadership Council to implement the "Lead Me Home" 10 Year Plan to End Homelessness.

**Actions to encourage public housing residents to become more involved in management and participate in homeownership**

The Family Self Sufficiency Program is designed to help families become financially independent of cash aid assistance by obtaining employment. Successful participating families are rewarded with a savings account that is established by HACM. Additionally the HACM's commitment to the program participants is solidified by the HACM collaborating with a variety of local service providers that are equally interested in helping families reach their goal of self-sufficiency. Services may include career counseling, financial literacy, parenting skills and homeownership preparation

**If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance**

HACM is not identified as "troubled."

**Discussion**

The Housing Authority of Monterey County, the cities of Salinas, Monterey and Seaside and the County of Monterey prepared an Analysis of Impediments approved in 2019.

**AP-65 Homeless and Other Special Needs Activities – 91.220(i)**

**Introduction**

The City of Seaside works with regional homeless assistance coordination to reduce homelessness. The lead agency is the Monterey County Department of Social Services (DSS). Two local collaborative efforts are the Coalition of Homeless Services Providers (Homeless Coalition) and Leadership Council (CoC governing body). These organizations are directly responsible for funding and program decisions for Monterey County and the City of Seaside.

The City has established a Homeless Commission to devise strategies and priority actions to expand homeless services and provide supportive housing opportunities to elderly persons, disabled veterans, and other persons with special needs. Some of the specific strategies the City's Homeless Commission and City staff have implemented include:

- Collaborative engagement with homeless persons during outreach efforts and campaigns to assess needs
  - o Encampments, Mobile Crisis Response, Vaccine Clinics, Food Distribution Sites
- Participation in local and County meetings in which some homeless individuals attend for opportunities to advocate for needs if accessibility is possible

During PY2020, the City continued its partnership with the Community Human Services and Veterans Transition Center, which provide transitional and permanent housing to homeless. Additionally, the City recruited a full time Family & Community Support Practitioner who seeks out homeless individuals and families to provide outreach services, which include connecting clients with immediate resources such as mental health services, general health services, substance abuse services, income services, identification documents and other documents necessary to help homeless persons meet the ultimate goal of finding shelter and housing.

The City also intends to strengthen its collaboration with the Coalition of Homeless Services Providers (CHSP), which is the primary nonprofit organization for homeless support in Monterey and San Benito Counties. CHSP is a coalition of 11 service provider agencies for homeless persons, persons with AIDS/HIV, and other persons with special needs. The Coalition is the County's designated Continuum of Care (CoC) Coordinator.

**Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including**

**Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City will closely coordinate with Monterey County and the Leadership Council CoC to reach out to homeless persons. As described in the "Lead Me Home" 10 Year Plan to End Homelessness, these entities will: collaborate to develop referral agreement between outreach workers and other housing and service providers and designate priority access to housing and treatment slots for clients engaged by outreach workers, develop a centralized information and referral system, streamline referrals and improve service coordination, partner hospitals with existing services to establish respite care centers and detoxification facilities, enhance coordination with mainstream benefits programs. In these efforts, the City will act as an information and referral resource for participating housing and homeless service providers to facilitate agreements and partnerships.

Seaside participated in Analysis of Impediments outreach efforts through an MOU with the Cities of Salinas and Monterey, Monterey County and the Housing Authority of Monterey County to further find out the needs of the entire community and is currently exploring HEAP funding possibilities to address homeless concerns and open a shelter.

## **Addressing the emergency shelter and transitional housing needs of homeless persons**

In FY2020-21, Gathering for Women and Community Human Services opened Case De Noche Buena, a shelter in HUD Qualified Census Tract 137. The City will provide public service funding to Gathering for Women for case management services.

### **Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City of Seaside continues to collaborate with and rely on a vast network of public and nonprofit agencies in the Continuum of Care (CoC) system to provide a range of housing options and services. The CoC system strives to provide and expand housing opportunities for the homeless and formerly homeless, through emergency shelters, transitional housing, supportive housing, and permanent housing. Outreach, assessment, and case management services are also offered through this network to assist the homeless in transitioning to permanent housing.

In the City of Seaside, transitional housing services are available in Seaside through the Salvation Army. This agency has not applied for CDBG funding for the current cycle.

Additionally, in 2020, Gathering for Women and Community Human Services opened Case De Noche Buena, a shelter in HUD Qualified Census Tract 137 in the City of Seaside. The majority of the funding for the Case De Noche Buena was through HEAP. Case De Noche Buena is the first homeless shelter specifically for women and families with children on the Monterey Peninsula. The shelter is initially able to accommodate 15-18 people, depending on the number and ages of children. This number is expected to double to 30-36 once COVID-19 social distancing guidelines have been eased. Casa de Noche Buena offers shelter, meals and a variety of supportive services designed to lead to permanent housing.

Community Human Services (CHS) and the Veterans Transition Center (VTC), which receive CDBG funding from the City of Seaside, offer housing services.

CHS's Genesis House is a state-licensed, residential substance abuse treatment program for adults 18 years of age and older. The co-ed program offers 28 beds for stays of 3 to 6 months. The perinatal program offers 8 beds for stays of 6 to 10 months. Children ages 0 to 5 may live with their mothers in treatment. Genesis House is accredited by CARF International.

The VTC provides services for single male and single female Veterans, and Veterans with families. VTC's housing services and models have recently grown to include a 10-bed

Emergency Residential Shelter, a 58-bed Transitional Housing program, and 22 affordable permanent supportive housing units.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.**

The City will support projects and programs and give proposed programs and improvements that prevent homelessness higher priority. In addition, the City will promote these strategies outlined in the "Lead Me Home" plan: integration of services at the system level; enhancement and integration of services at the client level; improving access to mainstream benefits; launch Employment First (job training); strengthen job development capacity and on-site support; economic development opportunities that will create new jobs for homeless or formerly homeless persons; plan for stability prior to release from incarceration; implement alternatives to arrest and incarceration; create universal healthcare discharge policies and transition aged-out foster youth to housing and income stability.

## **Discussion**

Many seniors, even homeowners, face financial challenges due to limited incomes. Senior households, especially those on limited incomes, need affordable housing. Seniors also face housing challenges related to physical disabilities. Many of the disabilities are age related, including declining mobility and self-care issues that interfere with their ability to remain independent. Seniors have a variety of housing options, including:

- Independent living – seniors reside in their home or apartment with little support or care
- Assisted living facilities – senior maintains a level of independence, residing in an apartment, and receives varied levels of support and assistance such as light housekeeping, meals, transportation, and/or medication
- Residential care facilities – typically a smaller licensed facility, often with 6 or fewer residents, that provides services similar to those provided by assisted living facilities
- Intermediate care or skilled nursing facilities – a licensed facility that provides a higher, continuous level of professional care

Although a variety of housing options are available to seniors, and all housing options are available in Seaside, facilities providing supportive services and a higher level of care are expensive. Most affordable senior housing is classified as independent living and does not provide supportive services. Lower-income seniors cannot afford to take advantage of many of the housing options and consequently remain in independent living situations struggling with

self-care issues. The Monterey County Department of Social Services provides a Senior Information, Referral and Assistance hotline, which is initial point of contact for people seeking information about senior services. The program specializes in information related to the needs of seniors and people with disabilities. Legal Services for Seniors provides a variety of low cost legal assistance.

## **AP-75 Barriers to affordable housing – 91.220(j)**

### **Introduction:**

The City's General Plan Housing Element was updated in 2019 and systemically analyzes and addresses barriers to affordable housing. These include governmental, non-governmental, and environmental constraints. That analysis leads to policies and programs to address these constraints. Please find more detailed information on affordable housing in the City's Housing Element on the City of Seaside website and at [www.seaside2040.com](http://www.seaside2040.com).

The City has undertaken a number of actions to reduce potential barriers and constraints to affordable housing and housing for special needs populations. These actions include identifying funds in support of affordable housing development and offering fee reductions, regulatory incentives, density incentives, and the operation of a home rehabilitation and repair program, as well as several other options. Details of these actions can be found in the City's 2015–2023 Housing Element. The Housing Element includes a thorough analysis of governmental and regulatory barriers to affordable housing. The City has been aggressive in pursuing affordable housing development opportunities and has mitigated regulatory barriers as effectively as possible.

### **Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment**

In order to produce affordable housing, the City has an inclusionary housing ordinance. The ordinance requires that for all new developments, at least 20 percent of new units constructed must be restricted for occupancy by moderate, low or very low income households. For further information, refer to Chapter 17.31, Affordable Housing Requirements, of the Seaside Code of Ordinances at the following on the City of Seaside website.

To expedite project facilitation and provide internal support to project applicants, the City has also established a planning permit review process. When required, permit review takes place before any necessary building permits or business licenses are applied for and are intended to ensure that new development is compatible with surrounding neighborhoods and planned future development.

### **AP-85 Other Actions – 91.220(k)**

#### **Introduction:**

This section describes the City's actions to address underserved needs, maintain affordable housing, reduce lead based paint hazards, reduce poverty, develop institutional structure, and enhance public-private coordination.

#### **Actions planned to address obstacles to meeting underserved needs**

Use CDBG funds targeted to public facilities and infrastructure to make ADA accessibility improvements. Use CDBG funds targeted to public services to support organizations that assisted underserved populations.

During the program year, the City will work with several organizations that focus on increasing self-sufficiency among lower-income populations. These organizations included the Legal Services for Seniors, which provides a legal services pertaining to housing, health, and finances for elderly residents; drug rehabilitation provided by Community Human Services. Services to help youth start off on the right path include Community Partnership for Youth, Boys and Girls Club of Monterey County, The Village Project, Girls, Inc. and ECHO fair housing services. CDBG funded projects include Section 3 policies to help reduce the number of poverty level families.

Housing programs have been limited as a result of a lack of resources and staffing available to the City. The city does not plan to revive façade improvement programs for homeowners or small businesses in the plan year. The City plans to support the "Lead Me Home" Plan in its efforts to build an affordable housing pipeline and coordination with HACM in rehabilitating and upgrading affordable housing units.

The Coalition's participation in HUD's Homeless Assistance Programs will pay for the development, rehabilitation, or leasing of housing for homeless persons and also for supportive services for those persons. In addition to applying for funding for the previously listed emergency and transitional housing, most all of which offer supportive services, the Coalition also assisted numerous non-profit and other agencies in applying for funding through the Homeless Assistance portion of HUD's program to provide supportive and self-sufficiency services.

These supportive and self-sufficiency services include educational and vocational services which focus on social, living, interpersonal, study and job skills. Linkage to other services and services providers is also provided. In many of the housing projects, Monterey County Behavioral Health provides case coordination and representative payees. Additional services provided in some facilities include reintegration, full case management, life skills, and substance abuse

counseling.

The City is actively encouraging the building of Accessory Dwelling Units as a means of increasing the housing stock in an affordable manner.

The City of Seaside will continue to support public and non-profit agencies in utilizing programs that assist homeless persons to make the transition to permanent housing and independent living through maintaining these existing supportive services. New development on the former Fort Ord lands will have a 20% affordable housing requirement per the Fort Ord Reuse Plan.

As part of the Consolidated Plan, the City identified several obstacles to meeting needs that are particularly difficult to achieve in the City. Below are some of the actions the City is taking to overcome the obstacles:

- Increase development, preservation, and rehabilitation of affordable housing for low-income and special needs households.
- Provide assistance for the homeless and those at risk of becoming homeless through collaborations with other agencies.
- Provided assistance to low-income and special needs households.
- Provided public facilities improvements to strengthen neighborhood revitalization.
- Cooperate with, and provide assistance to, for-profit and non-profit developers to facilitate construction of housing units through new housing development.
- Provided rental and utility assistance to hundreds of LMI Seaside households through the Rental Assistance Program, which is funded through Monterey County and United Way's SB91 Emergency Rental Assistance Program (ERAP).

The City also continued to address the lack of funding for the needs identified in the Consolidated Plan by rigorously managing HUD CPD funds through a citizen engagement process, monitoring, and providing technical assistance to subrecipients, while also pursuing new funding sources.

### **Actions planned to reduce lead-based paint hazards**

The City will mitigate lead based paint through public facilities improvements, and educate participants on the hazards of lead based paint. In addition, all rehabilitation contracts for public facilities or other rehabilitation projects funded through the City include provisions for work necessary to eliminate any existing lead based paint hazards on applicable surfaces. If lead hazards are discovered in a residential or a commercial building, the agency responsible for abatement would be the Monterey Bay Air Resources District.

Brochures bringing awareness to the lead based paint danger are available at the Seaside Creates satellite office and on the City Website.

### **Actions planned to reduce the number of poverty-level families**

Public services help the recipients of services save funds that may have been spent otherwise (such as food for homebound seniors, legal services, tutoring or childcare for youth, tenant-landlord assistance, etc).

### **Actions planned to develop institutional structure**

The City will continue to use CDBG Administration funds to implement the Consolidated Plan and Annual Action Plans, address the Analysis of Impediments to Fair Housing, complete annual CAPER reports, and comply with HUD regulations. The City will also continue to support institutions that provide housing and services for low income populations with CDBG Public Services funds, and by providing other forms of support available to the City.

### **Actions planned to enhance coordination between public and private housing and social service agencies**

The City will continue to support regional planning efforts such as the Leadership Council CoC and the "Lead Me Home" 10 Year Strategy to End Homelessness as well as joining forces with the other CDBG recipient agencies in Monterey County for an analysis of impediments. During the April 5, 2018 City Council meeting, the NAACP and Legal Services for Seniors indicated that they currently provide tenant-landlord assistance in Seaside. ECHO Housing has applied for CDBG funding to institute a presence in Seaside for their tenant-landlord and fair housing services.

### **Discussion:**

The 2022-2024 application cycle increased the number of applicants for funding and the variety of projects and services offered to be provided. The requests far exceeded the funding levels expected.
