AGREEMENTS RELATED TO COLLECTION OF SPECIAL TAXES,
FEES, AND ASSESSMENTS**

PURPOSE

RECOMMENDATION

Approve a Resolution authorizing the District Manager to sign an agreement with the County of Monterey and a memorandum of understanding with Monterey One Water (M1W) related to annual billings of wastewater sewer charges and the collection of special taxes, fees, and assessments.

BACKGROUND

Effective July 1, 2024, Monterey One Water (M1W) will no longer directly bill its customers for wastewater service. Customer bills will be replaced by an annual fee which will be included on each affected parcel's property tax bill issued by the County of Monterey. This significant change was not initiated by the District. This change was initiated by M1W and approved by the M1W Board of Directors on October 30, 2023. All the jurisdictions within M1W's service area, including Seaside County Sanitation District, are now required to take action to ensure the collection of charges from affected customers so that M1W can continue to meet its service obligations to its customers.

The current rate schedule for wastewater service will not be impacted, and customer rates will remain the same unless changed in the future. This change to the billing process requires the District to enter into an agreement with the County of Monterey to implement the billing change and to enter into a memorandum of understanding with M1W so that M1W may continue to assist the District with collection of data and information necessary for the imposition and collection of wastewater service fees. The District will work to ensure M1W provides the same level of service to the District and to the District's residents, as well as to minimize the impact on the District's residents affected by M1W's change to customer bills.

On October 30, 2023, the M1W Board of Directors took action to change its billing platform from direct billing of its customers to utilizing the Monterey County Tax Roll for annual billings of wastewater sewer charges. M1W made this change due to issues with its current billing system and estimated savings. With this change, direct billing will stop on July 1, 2024, and an annual sewer charge would appear on property tax bills in October 2024 for all residents in the M1W service area. Property tax bills may be paid in one or two installments, which is a change from the current six direct billings each year. For those customers who prefer monthly payments, however, the County of Monterey has authorized Easy Smart Pay to provide a monthly payment option for the payment of property taxes. M1W will also continue to offer a low-income assistance program to help qualifying residential customers with their wastewater fees. A copy of M1W's "Change to Billing Practice" fact sheet is attached to this Report for reference.

With M1W's change to its billing practice, M1W will no longer provide wastewater billing and collection services to Seaside County Sanitation District customers; consequently, the District needs to allow for the collection of wastewater service charges through the Property Tax Roll of the County of Monterey pursuant to California Health and Safety Code section 5470 et seq. in order to collect service charges to cover the costs of providing wastewater collection services to District residents. If the District does not enter into this service, the District will need to bill customers directly which will require the District to create a new position within the District to manage the billing.

So that the collection may occur through the Property Tax Roll of the County of Monterey, the District must enter into an agreement with the County of Monterey in the form attached to this Report pursuant to which the County will collect the wastewater fees on the County tax rolls and remit those fees to the District. In addition, the District must enter into an agreement with M1W in the form attached to this Report pursuant to which M1W will assist the District in placing the wastewater fees on the County tax rolls by assisting the District with the preparation of reports and the collection of data and information related to customers within Seaside County Sanitation District.

The Agreement and Memorandum of Understanding discussed in this Report would only be signed by the District Manager upon the District Board's approval of the Public Hearing presented at today's meeting, June 25, 2024.

CEQA CONSIDERATION

Not a Project. The Seaside County Sanitation District has determined that the proposed action is not a project as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines Section 15378). In addition, CEQA Guidelines Section 15061 includes the general rule that CEQA applies only to activities which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. Because the proposed action and this matter have no potential to cause any effect on the environment, or because it falls within a category of activities excluded as projects pursuant to CEQA Guidelines section 15378, this matter is not a project. Because the matter does not cause a direct or foreseeable indirect physical change on or in the environment, this matter is not a project. Any subsequent discretionary projects resulting from this action will be assessed for CEQA applicability.

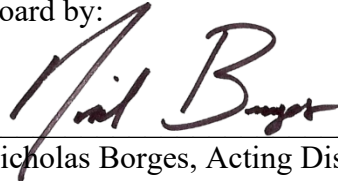

FISCAL IMPACT

There is no impact to the District's General Fund. The District will continue to receive the same amount of service charges to cover the costs of providing wastewater collection services to Seaside County Sanitation District residents.

AGREEMENT FOR COLLECTION OF SPECIAL TAXES,
FEES, AND ASSESSMENTS

THIS AGREEMENT is made and entered into this 25 day of June, 2024, by and between the COUNTY OF MONTEREY, a political subdivision of the State of California, hereinafter referred to as “County” and the Seaside County Sanitation District, a Special District of the State of California, hereinafter referred to as “District”.

WITNESSETH:

WHEREAS, Government Code Sections 29304 and 51800 authorize the County to recoup its collection costs when the County collects taxes, fees, or assessments for any School District, Special District, zone, or improvement District thereof; and

WHEREAS, when requested by District, it is in the public interest that the County collect on the County tax rolls the special taxes, fees, and assessments for District.

NOW, THEREFORE, IT IS AGREED by and between the parties hereto as follows:

1. County agrees, when requested by District as hereinafter provided, or as required by law, to collect on the County tax rolls the special taxes, fees, and assessments of or owing to the District, and of each zone or improvement District thereof.
2. When County is to collect special taxes, fees, and assessments owing to Districts, District agrees to notify the Auditor-Controller of the County on or before the 1st day of August of each fiscal year of the Assessor’s parcel numbers and the amount of each special tax, fee, or assessment to the County, and including, but not limited to, any act of omission or assessment to be so collected. Provided, however, to be effective, the notice must be received by the Auditor-Controller by said date.
3. County may charge the sum of 0.25% of the Original Charge for each special tax, fee, or assessment that is to be collected on the County tax rolls by the County for the District.
4. District warrants that the taxes, fees, or assessments collected pursuant to this Agreement comply with all requirements of state law, including but not limited to Articles XIII C and XIII D of the California Constitution (Proposition 218). District has requested, on County’s behalf, an opinion from their legal advisor stating that the tax, fee, or assessment complies with state law, and specifically analyzing compliance with Proposition 218 and any other applicable law. Said opinion is attached hereto as “Exhibit A” and incorporated by reference into this Agreement. District also agrees to reaffirm the validity of the tax, fee, or assessment each time it requests the County to collect such tax, fee, or assessment pursuant to this Agreement.

5. District hereby releases and forever discharges County and its officers, agents, and employees from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of District's responsibility under this agreement, or other action taken by District in establishing a special tax, fee, or assessment and implementing collection of special taxes, fees, or assessments as contemplated in this Agreement.
6. District agrees to and shall defend, indemnify and save harmless County and its officers, agents and employees ("indemnified parties") from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of any of District's responsibility under this agreement, or other action taken by District in establishing a special tax, fee, or assessment and implementing collection of special taxes, fees, or assessments as contemplated in this Agreement. If any judgment is entered against any indemnified party as a result of action taken to implement this Agreement, District agrees that County may, in its sole discretion, offset the amount of any costs, expenses or judgment paid by County or by any indemnified party from any monies collected by County on District's behalf, including property taxes, special taxes, fees, or assessment. County may, but is not required to, notify District of its intent to implement any offset authorized by this paragraph. District also agrees that the County may require that some or all of any costs, expenses or judgments required to be paid by the County because of any judgment relating to the assessment or collection of special taxes, fees or assessments contemplated by this Agreement be paid directly by the District and not by way of offset.
7. District agrees that its officers, agents, and employees will cooperate with County by answering inquiries made to District by any person concerning the special tax, fee, or assessment, and District agrees that its officers, agents, and employees will not refer such individuals making inquiries to County officers or employees for response.
8. District shall not assign or transfer this Agreement or any interest herein and any such assignment or transfer or attempted assignment or transfer of this agreement or any interest herein by District shall be void and shall immediately and automatically terminate this Agreement.
9. This Agreement shall be effective for the [2024 -25] fiscal year and shall be automatically renewed for each fiscal year thereafter unless terminated as hereinafter provided.
10. Either party may terminate this Agreement for any reason for any ensuing fiscal year by giving written notice thereof to the other party prior to May 1st of the preceding fiscal year.

11. County's waiver of breach of any one term, covenant, or other provision of this Agreement is not a waiver of breach of any other term, nor subsequent breach of the term or provision waived.

Adopted Budget

2024-2025 Fiscal Year

Introduction:

The Seaside County Sanitation District (SCSD) is a special district responsible for the maintenance and operation of the sanitary sewer collection system serving the Cities of Del Rey Oaks, Sand City and Seaside. The District's sanitary sewer collection system serves an area of approximately 2,400 acres with a population of about 30,000. The sewer system consists of approximately 70 miles of pipeline with 930 manholes, 475 rod holes, and 4 lift stations. The wastewater is ultimately pumped to the Monterey Regional Water Pollution Control Agency (MRWPCA) regional treatment plant. All billing for SCSD comes from MRWPCA.

The district is staffed almost entirely by staff members from the City of Seaside. City staff provide administrative services, accounting services, IT services, risk management, maintenance, engineering services, purchasing and contract management. Staff time is allocated to the district through use of the City of Seaside payroll system. One exception is the District's Legal Counsel, who is an employee of the County of Monterey.

Fund Balance

The District's fund balance is continuing to grow after two years of reduced capital expenditures. The largest segment of fund balance is the Net Investment in Capital Assets. For FY 2024-25 Net Investment is projected to be \$12.0M, while amounts restricted for capital projects is proposed at \$70k and the unrestricted balance is projected to be \$7.6M.

Revenue

The Sanitation District has three main sources of revenue; User Fees, Property Tax and Interest Income. Total Revenue is projected at \$2.9M.

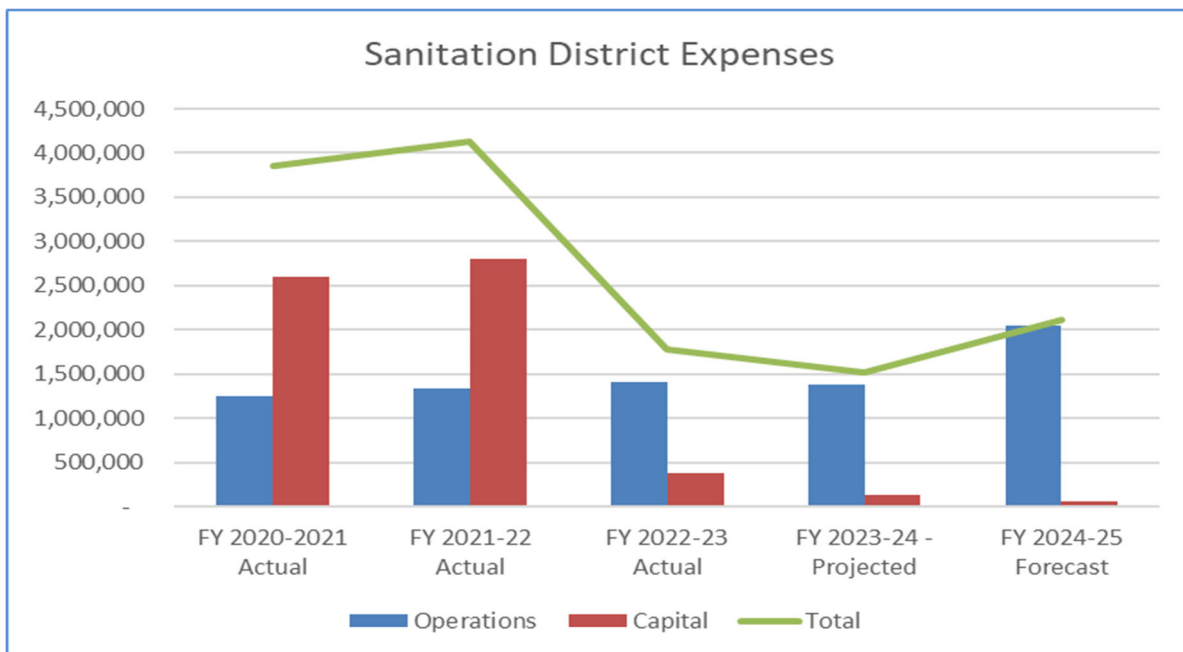

User Fees are collected from the end users of the Sanitation District services by the County of Monterey and subsequently to the City of Seaside on a reimbursement basis to cover costs. Over the course of the last four years, fees collected have increased at an average rate of 1%. User Fees are the largest revenue source for the district at 72% of projected fiscal year 2024-25 revenue. User fees are forecast for fiscal year 2024-25 at \$2.1M.

Property Taxes are collected by the County of Monterey and remitted to the City of Seaside to be used for Sanitation District costs. Over the course of the last four years this revenue source has grown by an average of 5% per year. This revenue source is forecast at \$694k in the coming year.

Interest Income is earned on balances held by the City of Seaside in trust for the district. With interest rates recently increasing and with the District increasing the unrestricted fund balance due to reduced capital improvement projects, this revenue source has increased.

Expense

The Sanitation District has both Operating Expenses and Capital Improvement Expenses. For FY 2024-25 Operating expenses are proposed at \$2.1M and Capital Improvement Expenses are proposed at \$70k. Total expense is budgeted at \$2.1M.

Operating; The major categories of operating expense include, personnel costs, administrative overhead allocation and services and supplies. Personnel costs are proposed at \$736k and include 4.5 full time equivalent (FTE) employees. These FTE are the district's maintenance personnel. The administrative allocation includes personnel costs for administrative staff as well as overhead such as office space, office utilities costs, computer costs, fleet maintenance etc. The administrative allocation is budgeted at \$453k and comes from the City of Seaside Cost Allocation Plan. Services and supplies are budgeted at \$407k.

Capital Improvement; Following a major overhaul of the District's system of lift stations that cost over \$8M, the District has had reduced Capital expenditures for the past 2 years and no major Capital projects planned for FY 2024-25. In FY 2023-24 the District expects to complete work the Fremont Boulevard Sewer Main upgrade, complete the Root Intrusion project, and Sewer Master Plan and in FY 24-25 the budget calls for \$50k for implementation of a Sewer Lateral Program.

**SEASIDE COUNTY SANITATION DISTRICT
STAFF REPORT**

Item No.: 6.A.

TO: Seaside County Sanitation District

FROM: Nicholas Borges, Acting District Manager

BY: Nisha Patel, Public Works Director/City Engineer

DATE: June 25, 2024

SUBJECT: INTRODUCE, WAIVE READING, AND SET A PUBLIC HEARING FOR JULY 9, 2024 AT 9:30 AM AS THE DATE AND TIME TO CONSIDER ADOPTION OF AN ORDINANCE TO AMEND SECTION 4.30.060 OF THE SEASIDE COUNTY SANITATION DISTRICT (SCSD) CODE TO PROVIDE FOR THE COLLECTION OF SEWER SERVICE CHARGES THROUGH THE PROPERTY TAX ROLL OF THE COUNTY OF MONTEREY

PURPOSE

Introduce, waive reading, and set a public hearing for July 9, 2024, at 9:30 a.m. as the date and time to consider adoption of an ordinance to amend section 4.30.060 of the Seaside County Sanitation District (SCSD) Code to provide for the collection of sewer service charges through the Property Tax Roll of the County of Monterey.

RECOMMENDATION

It is recommended that the Board of Directors of the Seaside County Sanitation District (SCSD), introduce, waive reading, and set a public hearing for July 9, 2024, at 9:30 a.m. as the date and time to consider adoption of an ordinance to amend section 4.30.060 of the Seaside County Sanitation District (SCSD) Code to provide for the collection of sewer charges through the Property Tax Roll of the County of Monterey.

BACKGROUND

The Seaside County Sanitation District (SCSD or District) currently contracts with

Monterey One Water (M1W) to provide sewer billing and collection services to SCSD customers. M1W recently notified the County of Monterey that beginning in Fiscal Year 2024-25, they will cease providing this service to SCSD. Therefore, on March 29, 2024, the SCSD Board approved to move forward with billing wastewater collection service fees to the tax roll, and authorized the City Manager to sign a letter of commitment to M1W to move forward in that direction. SCSD staff recommends that the Board introduce, waive reading and set a public hearing for July 9, 2024 to amend Section 4.30.060 of the SCSD Code to allow for collection of sewer service charges through the Property Tax Roll of the County of Monterey pursuant to California Health and Safety Code Section 5470 et. seq. in order to collect service charges to cover the costs of providing wastewater collection services to SCSD customers.

The SCSD provides sanitation collection services to the communities of Seaside, Del Rey Oaks, and Sand City. Seaside County Sanitation District does not currently have the capability to provide in-house billing services, and contracts with the Monterey One Water to bill SCSD customers. It has been determined that the least costly and most efficient method of collecting the sewer service charges is by placing the property related fees and charges on the Property Tax Roll beginning with the FY 2024-25 tax year. Utilizing this method allows us to collect on delinquent SCSD accounts. In addition, the County of Monterey and the Treasurer-Tax Collector have authorized Easy Smart Pay, a third party vendor, to provide a monthly payment option for the payment of property taxes which will include the SCSD sewer service charges.

California Health and Safety Code 5470 et seq. authorizes the District to collect sewer service charges in the same manner and at the same time as payments are made for property taxes for each property. Procedurally, in each year that the District levies and collects the sewer service charges on the tax roll, the City must prepare a report listing the sewer service charges and must hold a public hearing on the report. The report must contain a description of each parcel of real property to which the charge is applicable ("the identified parcels") and the amount of the sewer service charge for each identified parcel. The Notice of the Hearing must be published two times and mailed 14 days before the public hearing. After the first year the SCSD Board adopts the report, the public hearing notice is provided by publication only.

At the time stated in the notice, the City Council must hear and consider all objections or protests, if any, to the report. If the SCSD Board finds that protests are made by the owners of a majority of the Identified Parcels, the report cannot be adopted. In such case, the City may still impose the charges for the fiscal year, but the charges must be collected separately from the tax roll and will not constitute a lien against any parcel or parcels of land. Upon the conclusion of the hearing, the SCSD Board may adopt, revise, change, reduce or modify (but may not increase) any charge or overrule any or all objections and shall make its determination upon each charge as described in the report. SCSD is holding the protest hearing for placing their sewer fees on the tax roll at this meeting on June 25th at 9:30 am.

It is recommended that the Board confirm the District Clerk's determination of the outcome of the protest ballot and upon confirmation that a majority protest has not been achieved, introduce, read by title only, and waive further reading An ordinance amending Section 4.30.060 of the Seaside County Sanitation District Code to provide for the collection of sewer service charges through the property tax roll of the County of Monterey, and set a public hearing for July 9, 2024 at 9:30 am as the date and time to consider adoption of the ordinance.

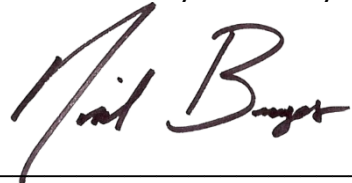

FISCAL IMPACT

If the ordinance is adopted, the cost associated with this change will be minimal. The Auditor-Controller's office charges 1/4 of 1 percent of revenue collected on the County Property Tax Roll. The estimated 2024-25 revenue from the SCSD collection service billing is \$2,171,732.64, resulting in an estimated charge by the Auditor-Controller of \$5,429.33. There would also be nominal staff time to prepare the necessary annual report for collecting annual sewer fees charged through the Property Tax Roll.

THE BOARD OF DIRECTORS OF THE SEASIDE COUNTY SANITATION DISTRICT
DOES ORDAIN AS FOLLOWS:

SECTION 1. FINDINGS AND DECLARATIONS

The Monterey Regional Water Pollution Control Agency is hereby authorized to collect the fees assessed by this chapter. The Seaside County Sanitation District manager is authorized to execute necessary documentation and agreements on behalf of the District to ensure the collection of such fees. an agreement with Monterey Regional Water Pollution Control Agency to collect said fees and to pay the Monterey Regional Water Pollution Control Agency its cost of collection.”~~

SECTION 3. SEVERABILITY.

If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this Ordinance. The Board of Directors hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause, and phrase thereof, irrespective of whether any one or more sections, subsections, sentences, clauses, or phrases is declared invalid.

**SUBJECT: WASTEWATER COLLECTION SERVICE FEES ON THE TAX BILL
PROTEST PUBLIC HEARING**

PURPOSE

RECOMMENDATION

Conduct a public hearing and determine the official number of written protests received on the proposed collection of wastewater collection fees and charges on the property tax roll by Monterey County and, if the number of valid protest votes is below 50% of the number of property owners or customers authorized to vote, approve a Resolution approving the District's 2024-2025 Annual Rate Report for Wastewater Collection and directing collection of the fees and charges detailed in the report on the Monterey County Tax Roll.

BACKGROUND

Effective July 1, 2024, Monterey One Water (M1W) will no longer directly bill its customers for wastewater collection service. As proposed and as approved by M1W, customer bills will be replaced by an annual fee which will be included on each affected parcel's property tax bill issued by the County of Monterey. This change was initiated by M1W and approved by their Board of Directors and, consequently, each of the jurisdictions within M1W's service area are now required to take action concerning the

future billing of M1W's service fees and charges. This action does not create a new fee, charge, or tax imposed by the Seaside County Sanitation District; rather, this action represents a change in the process for collecting an existing charge imposed by M1W for services M1W provides to its customers.

At the District's Special Meeting on June 25, 2024, staff are recommending approval of a Resolution approving both an agreement with the County of Monterey and a Memorandum of Understanding with Monterey One Water (M1W) and authorizing the District Manager to enter into these agreements on behalf of the Seaside County Sanitation District. These agreements are required to establish the new billing process. Before these documents can be executed, however, today's Public Hearing must be held to determine whether there is a majority protest to the proposed billing change and, if not, to take action to approve the collection of the annual wastewater collection service fees and charges on the property tax roll by the County of Monterey. To utilize this billing method, the following steps are required and have been completed by the District Clerk's Office:

1. The Seaside County Sanitation District Annual Rate Report for Fiscal Year 2024-2025 must be prepared and filed with the District Clerk;
2. District must publish a notice in the newspaper prior to holding a public hearing;
3. Because this is the first year in which the fees are proposed to be collected by the County on the tax roll, notice must also be mailed to each property owner;
4. At the time noticed, the District Board must hold a public hearing and majority protest proceeding;
5. At the end of (today's) hearing, and so long as protests have not been filed by a majority of property owners, the District Board can approve the attached Resolution approving the City's 2024-2025 Annual Rate Report for Wastewater Collection and directing collection of the charges detailed in the report on the Monterey County Tax Roll.

BACKGROUND:

During the current Fiscal Year, the M1W Board of Directors took action to change its billing platform from direct billing of its customers to utilizing the Monterey County Tax Roll for annual billings of wastewater sewer charges. M1W made this change due to issues with its current billing system and estimated savings. With this change, direct billing will stop on July 1, 2024, and depending on additional action by the District, an annual sewer charge would appear on property tax bills in October 2024 for all residents in the M1W service area. Property tax bills may be paid in one or two installments, which is a change from the current six direct billings each year. For those customers who prefer monthly payments, however, the County of Monterey has authorized Easy Smart Pay to provide a monthly payment option for the payment of property taxes, inclusive of the M1W service fees and charges. M1W will also continue to offer a low-income assistance program to help qualifying residential customers with

their wastewater fees. A copy of M1W's "Change to Billing Practice" fact sheet is attached to this Report for reference. With M1W's change to its billing practice, M1W will no longer provide wastewater billing and collection services to Seaside County Sanitation District residents; consequently, the District needs to allow for the collection of wastewater service charges through the Property Tax Roll of the County of Monterey pursuant to California Health and Safety Code section 5470 et seq. in order to collect service charges to cover the costs of providing wastewater collection services to District residents. If the District does not enter into this service, the District will need to bill customers directly, which will require the District to create a new division within the District to manage the billing.

So that the collection may occur through the Property Tax Roll of the County of Monterey, the District must enter into an agreement with the County of Monterey in the form attached to this Report pursuant to which the County will collect the wastewater fees on the County tax rolls and remit those fees to the District. In addition, the District must enter into an agreement with M1W in the form attached to this Report pursuant to which M1W will assist the District in placing the wastewater fees on the County tax rolls by assisting the District with the preparation of reports and the collection of data and information related to customers within Seaside County Sanitation District. The agreements noted here are being recommended for approval by the District Board at today's meeting, June 25, but will only be executed by the District Manager after today's public hearing and majority protest proceeding.

At today's meeting, the Seaside County Sanitation District will conduct the public hearing and majority protest proceeding relating to the approval of the written report, and direction to collect the sewer fees on the property tax roll. The Seaside County Sanitation District has complied with the other requirements noted above.

CEQA CONSIDERATION

Not a Project. The Seaside County Sanitation District has determined that the proposed action is not a project as defined by the California Environmental Quality Act (CEQA) (CEQA Guidelines Section 15378). In addition, CEQA Guidelines Section 15061 includes the general rule that CEQA applies only to activities which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. Because the proposed action and this matter have no potential to cause any effect on the environment, or because it falls within a category of activities excluded as projects pursuant to CEQA Guidelines section 15378, this matter is not a project. Because the matter does not cause a direct or foreseeable indirect physical change on or in the environment, this matter is not a project. Any subsequent discretionary projects resulting from this action will be assessed for CEQA applicability.

FISCAL IMPACT

There is no impact to the District's General Fund other than the continued compensation paid by the District to M1W for services provided and future increases to that amount and to charges imposed by Monterey County related to the property tax billings. The District will continue to receive the same amount of service charges to cover the costs of providing wastewater collection services to Seaside County Sanitation District residents.

Service: Wastewater

Monterey One Water is the public wastewater utility serving more than 285,000 residents and almost 7,000 businesses throughout northern Monterey County. Each day, our team conveys and treats approximately 17 million gallons of wastewater and safely reintroduces it into the environment. In addition to wastewater service, Monterey One Water also produces recycled water for agricultural irrigation and groundwater replenishment – both funded through the sale of recycled water.

Billing Change

Effective July 1, 2024, customers will no longer receive a bill for wastewater service directly from Monterey One Water. The bill will be replaced by an annual fee included as a direct charge on the parcel's property tax bill.

WHO: This change applies to all customers and will not impact service.

WHAT: This change impacts when and how you receive your wastewater service bill. It is not a tax on your property and does not impact the current rate schedule for wastewater service. Future rates will continue to be set by the Monterey One Water Board of Directors through a transparent process in accordance with California law. The current rate schedule is available on our "Billing Change" webpage.

WHEN: Customers will be billed by Monterey One Water for sewer service through June 30, 2024. No bill will be sent until the County of Monterey mails property tax bills in mid-October and the annual wastewater fee will be included as a direct charge.

WHY: In researching new billing vendors to improve the customer experience, it was discovered many public sewer agencies use their counties' property tax rolls to bill for their mandated service. Staff assessed and discovered this change would yield more payment options and cost savings. Savings from the change will support rising operational costs and aging infrastructure to help offset future rate increases.

Things to Consider

Mortgage Impound Accounts

A letter is available on our website customers can share with their lenders to assist in estimating future account withdrawals related to this change.

Residential Associations

Homeowner or residential associations will no longer be billed for wastewater service. Each parcel within the association will receive a direct charge on its property tax bill.

Renters and Owners

Renters will no longer be able to pay directly for Monterey One Water's sewer service. Please note if new arrangements may be needed.

Commercial Properties

An itemized report of a parcel's annual fee will be available on-demand from our Customer Service Team. There will also be a billing adjustment process to account for over or under payment that may arise throughout the year from a change in property status or billing categories.

Two Installments

Property tax bills may be paid in one or two installments. If paying in two installments is difficult, the County of Monterey's Treasurer-Tax Collector has authorized Easy Smart Pay, a third-party vendor, to provide a monthly payment option for the payment of secure property taxes. Interested property owners can work directly with Easy Smart Pay to set up payments via ACH or credit card. More info at: montereyonewater.org/tax-bill-payment-options

Servicio: Aguas residuales

Monterey One Water es la empresa pública de aguas residuales que atiende a más de 285,000 residentes y casi 7,000 empresas en todo el norte del condado de Monterey. Cada día, nuestro equipo transporta y trata aproximadamente 17 millones de galones de aguas residuales y las reintroduce de manera segura en el medio ambiente. Además del servicio de aguas residuales, Monterey One Water también produce agua reciclada para riego agrícola y reabastecimiento de aguas subterráneas, ambos financiados a través de la venta de agua reciclada.

Cambio en la facturación

A partir del 1 de Julio de 2024, usted ya no recibirá una factura por el servicio de aguas residuales directamente de Monterey One Water. La factura será reemplazada por una tarifa anual incluida como cargo directo en la factura del impuesto a la propiedad de la parcela.

QUIÉN: Este cambio se aplica a todos los clientes y no afectará el servicio.

QUÉ: Este cambio afecta cuándo y cómo recibe su factura de servicio de aguas residuales. No es un impuesto sobre su propiedad y no afecta la lista de tarifas actual para el servicio de aguas residuales. Las tarifas futuras continuarán siendo establecidas por la Junta Directiva de Monterey One Water a través de un proceso transparente de acuerdo con la ley de California. El programa de tarifas actual está disponible en nuestra página web "Cambio de facturación".

CUÁNDO: Monterey One Water facturará a los clientes por el servicio de alcantarillado hasta el 30 de Junio de 2024. No se enviará ninguna factura hasta que el Condado de Monterey envíe por correo las facturas de impuestos a la propiedad a mediados de Octubre y la tarifa anual de aguas residuales se incluirá como un cargo directo.

POR QUÉ: Al investigar nuevos proveedores de facturación para mejorar la experiencia del cliente, se descubrió que muchas agencias de alcantarillado público utilizan las listas de impuestos a la propiedad de sus condados para facturar por su servicio obligatorio. El personal evaluó y descubrió que este cambio generaría más opciones de pago y ahorros de costos. Los ahorros derivados del cambio respaldarán el aumento de los costos operativos y el envejecimiento de la infraestructura para ayudar a compensar futuros aumentos de tarifas.

Aspectos Para Tener en Cuenta

Cuentas de Embargo de Hipotecas

Hay una carta disponible en nuestro sitio web que los clientes pueden compartir con sus prestamistas para ayudar a estimar futuros retiros de cuenta relacionados con este cambio.

Asociaciones Residenciales

Ya no se facturará a los propietarios o las asociaciones residenciales por el servicio de aguas residuales. Cada parcela dentro de la asociación recibirá un cargo directo en su factura de impuestos sobre la propiedad.

Inquilinos y Propietarios

Los inquilinos ya no podrán pagar directamente por el servicio de alcantarillado de Monterey One Water. Tenga en cuenta si es posible que se necesiten nuevos arreglos.

Propiedades Comerciales

Un informe detallado de la tarifa anual estará disponible a pedido de nuestro equipo de servicio al cliente. También habrá un proceso de ajuste de facturación para tener en cuenta el pago excesivo o insuficiente que pueda surgir a lo largo del año por un cambio en el estado de la propiedad o las categorías de facturación.

Dos Cuotas

Las facturas de impuestos a la propiedad se pueden pagar en una o dos cuotas. Si pagar en dos cuotas es difícil, el Tesorero-Recaudador de Impuestos del Condado de Monterey ha autorizado a Easy Smart Pay, un proveedor externo, a proporcionar una opción de pago mensual para el pago de impuestos seguros sobre la propiedad. Los propietarios interesados pueden trabajar directamente con Easy Smart Pay para configurar pagos a través de ACH o tarjeta de crédito. Más información en:
