CITY OF SEASIDE STAFF REPORT

Item No.: 5.A.

TO: City Council

FROM: Greg McDanel, City Manager

BY: Dan Meewis, Assistant City Manager

DATE: September 2, 2026

SUBJECT: HAVE A DISCUSSION AND REVIEW THE SCORES OF THE APPLICATIONS FOR THE 2026 YOUTH OPPORTUNITY GRANT PROGRAM.

RECOMMENDATION

Discuss the process to recommend funding allocations for the City Council consideration

BACKGROUND

The City of Seaside established the Youth Opportunity Grant (YOG) formerly known as the Community Social Services (CSS) Grant Program in 2020, to support local organizations that provide essential social, educational, and health-related services benefiting Seaside residents. The program aims to strengthen community-based organizations and enhance quality of life through programs that address key community needs.

In January 2026, the City Council directed staff to redefine the scope, recommend a name change, and draft an Request for Proposals (RFP) to solicit applications.

At the July 2, 2026, meeting, the City Council approved the updated program policy, RFP and scoring matrix, and renamed the program "Youth Opportunity Grant"

For Fiscal Year 2026–2027, the City has allocated \$400,000 in one-time grant funding for this program. Eligible applicants include nonprofit and community-based organizations that serve Seaside youth ages 24 and under in areas such as:

- Education, tutoring, mentoring, career readiness, and workforce development
- Youth development, recreation, arts, culture, and positive enrichment activities

- Mental health, behavioral health, and social-emotional support services for youth
- Violence prevention, intervention, diversion, and public safety-related youth support services
- Civic engagement, leadership development, neighborhood connection, and community-building programs focused on youth participation and belonging
- Basic needs, housing stability, or family support services when the applicant demonstrates a clear, direct, and measurable benefit to Seaside youth

A minimum 10% match (cash or in-kind) is required from applicants. Award recipients must provide quarterly reports, including measurable outcomes and participant data, and comply with City insurance and reporting requirements.

The 2026 YOG Grant cycle closed on August 7, 2026. City staff conducted an initial review of all applications to verify eligibility, completeness, and alignment with City priorities. Applications meeting all criteria will be presented for the Commission's review and discussion.

In evaluating applications, the Commission shall use the scoring matrix to determine the following:

- Community Need & Target Population (30 Points)
- Program Design & Feasibility (20 Points)
- Anticipated Youth Outcomes & Impact (20 Points)
- Equity & Reach (15 Points)
- Organizational Readiness & Partnerships (10 Points)
- Cost Effectiveness & Match (5 Points)

Overall, the City received applications from thirty-one organizations for a total requested amount of \$1,559,304.00. The organizations that submitted applications are as follows:

Action Council	Arts Council for Monterey County	Bridge Community Services
Community Partnership for Youth	Community Human Services	Central Coast High School
Delta Sigma Theta Sorority Inc.	Cub Scout Pack 135	EDMO
Friends of Seaside Parks Association	Gene Holloway Consulting	Greater Victory Temple Church
EHC	Every Child Has a Voice	Monterey Peninsula College foundation
JMM Dance	Palenke Arts	MC Rape Crisis

Seaside Raiders	Set Free Monterey	SunStreet Centers
The Village Project Inc.	Uniquely United Soccer	Valley Health
Youth on Course	Boys & Girls Club	Cotillion league
United Way Monterey County	Harmony at Home	Bird School
Solid Nation		

At the August 16, 2026, CSAC meeting, the commission was introduced to the review process, and was given all the applications to review. After discussion, it was decided that the commission would be split into three groups of two and given 10 random applications for review. Prior to the commission receiving the review groups, they made conflict of interest disclosures to ensure that they would not be given any applications that may be a conflict of interest.

During this meeting, staff recommends having a robust discussion about the applications that they have reviewed, Provide feedback, and try and determine a top 10 to review even further prior to City Council submitting to City Council for consideration.

COMMUNITY SOCIAL SERVICES GRANT PROGRAM
FY 2026–2027

SECTION 1 – INTRODUCTION, PURPOSE, AND CONDITIONS

1.1 Program Purpose

The City of Seaside invites qualified nonprofit, community-based, faith-based, and fiscally sponsored organizations to submit proposals for the Fiscal Year 2026-2027 Youth Opportunity Grant Program. The program provides financial assistance to organizations delivering programs and services that benefit Seaside children, adolescents, and transitional-age youth age 24 and younger and advance City Council priorities. Funding is intended to enhance quality of life, address identified community needs, and support youth-serving programs related to education, health, prevention, intervention, recreation, basic needs, and positive youth development.

This Request for Proposals is issued pursuant to the City of Seaside Youth Opportunity Grant Program Policy. The policy establishes the overarching framework for the program, while this RFP sets forth the application requirements, evaluation criteria, and selection process for the FY 2026-2027 funding cycle.

1.2 Funding Philosophy

The City seeks to support both established organizations with demonstrated service delivery capacity and emerging or grassroots organizations proposing innovative or responsive youth-serving programs. The evaluation framework is intentionally designed to prioritize youth-related community need, program impact, feasibility, measurable outcomes, and cost effectiveness, while ensuring that newer organizations are not disadvantaged due to limited organizational history.

1.3 Reservation of Rights

The City of Seaside reserves the right to reject any or all proposals, to waive irregularities or informalities, to modify or cancel this RFP, and to award funding in the manner deemed to be in the best interest of the City. Issuance of this RFP does not obligate the City to award funds or enter into any agreement.

1.4 Public Records Disclosure

All proposals submitted in response to this RFP shall become the property of the City of Seaside and are subject to disclosure pursuant to the California Public Records Act. Applicants may identify proprietary or confidential information; however, such designation does not guarantee that the information will be exempt from disclosure if required by law.
