B. **REGULAR MEETING MINUTES OF DECEMBER 16, 2015**

C. **REGULAR MEETING MINUTES OF JANUARY 6, 2016**

6. **BUSINESS ITEMS**

A. **Board of Architectural Review Application No. BAR-11-10: The City of Seaside,**

applicant, is requesting final approval of the architectural design for the proposed West Broadway Urban Village Infrastructure Improvements Plans. The project site is located within the public right-of-way on Broadway Avenue between Del Monte Boulevard and Fremont Boulevard and on Del Monte Boulevard between Canyon Del Rey Boulevard and Olympia Avenue within the West Broadway Urban Village Specific Plan Area. In compliance with Section 15164 of the California Environmental Quality Act (CEQA), an addendum to the West Broadway Urban Village Specific Plan Final Environmental Impact Report was approved by the City of Seaside City Council on February 16, 2012 (Resolution No. 12-17).

PURPOSE: In accordance with Seaside Municipal Code (S.M.C.) Sections 17.52.030.B.6 and 17.52.030.C, the Board of Architectural Review (BAR) is required to review and approve publicly-financed projects. The purpose of the architectural review is to improve the aesthetic appearance of public infrastructure and open spaces, especially those visible from public rights-of-way. The purpose of this item is for the BAR to approve the final variety and number of trees for the first phase of this project.

RECOMMENDATION: Staff recommends that the BAR amend the Conditions of Approval for the architectural design elements for the West Broadway Urban Village Infrastructure Improvements Project Plans (the Plans) in order to:

1. Include the final variety and number of trees that will be included in the design documents for the proposed public improvements within the designated public right of way within the West Broadway Urban Village Specific Plan.

2. Incorporate Low Impact Development Standards.

The amended Conditions of Approval are provided as Attachment 1. The amended Streetscape Master Plan, attached hereto as Exhibit A to Attachment 1, identifies the variety and number of trees and the proposed low impact development landscaping.

- B. Sign Permit Application No. SP-15-19: Katherine Birtola, property owner, and Anjanette Adams, applicant, are requesting approval of a three foot by eight foot fascia mounted sign at 775 Broadway Avenue, located in the MX (Mixed Use – West Broadway Urban Village Plan) Zoning District. The project is exempt from the California Environmental Quality Act pursuant to Class 11, Section 15311. Class 11 consists of construction, or placement of minor structures accessory to existing commercial, industrial, or institutional facilities, including signs.**

PURPOSE: Pursuant to Section 7, Development Standards and Design Guidelines for the West Broadway Urban Village Plan (WBUVP), all signs are subject to design review approval by the Board of Architectural Review (BAR).

RECOMMENDATION: Staff recommends approval of the new sign subject to the findings, evidence and Conditions of Approval provided as Attachment 1, Exhibit “A” – Project Plans.
