Dear Ms Gray

I would like to share my extensive collection of African art with the City and People of Seaside. I feel this is one more way of promoting open minds for better understanding between people. Some of this art work has been on display in Seaside's government buildings, galleries and public art shows.

I'm giving my collection to the Seaside Art&History Commission with immediate effect. Attached is a catalogue of the art pieces.

I thank you and the City of Seaside for making this collection of African and Asian art available to the citizens of our great city.

Sincerely yours
