A. COMMUNITY NEEDS WORKSHOP

PURPOSE & RECOMMENDATION: Each year, the City anticipates receiving funding from the US Department of Housing and Urban Development (HUD) through the CDBG program. The primary objective of CDBG is the development of viable urban communities through the provision of decent housing, a suitable living environment, and expanded economic opportunities for low- and moderate-income individuals/families and communities. On May 7, 2015, the Seaside City Council adopted a resolution to adopt a multi-year funding cycle. Since the 2019-2020 fiscal year is the second year of the current funding cycle, this workshop will start the preparation process for the next consolidated plan and multi-year funding cycle.
